I, Dennis Craven, declare as follows:

1. I am the Chief Financial Officer, Treasurer, and Vice President of Innkeepers USA Trust (“**Innkeepers**”), a self-administered real estate investment trust organized under the laws of Maryland and the direct subsidiary of debtor Grand Prix Holdings LLC and the direct or indirect parent of each of the other debtors and debtors in possession (collectively, the “**Debtors**”) in the above-captioned chapter 11 cases (the “**Chapter 11 Cases**”). As of August 1, 2010, my role at Innkeepers will change to consultant to the Debtors. I joined Innkeepers in 2006 as the Chief Financial Officer. Prior to that, I was senior vice president and chief accounting officer of Independent Bank in Memphis, where I specialized in corporate financial planning and analysis.

The location of the Debtors’ corporate headquarters and the service address for their affiliates is: c/o Innkeepers USA, 340 Royal Poinciana Way, Suite 306, Palm Beach, Florida 33480.

2. I am generally familiar with the Debtors' day-to-day operations, business affairs, and books and records, as well as the Debtors' restructuring efforts. I submit this declaration (this "**Declaration**") in accordance with Rule 1007-2 of the Local Bankruptcy Rules for the Southern District of New York (the "**Local Bankruptcy Rules**") to assist this Court and parties in interest in understanding the circumstances that compelled the commencement of these Chapter 11 Cases and in support of: (a) the Debtors' petitions for relief under chapter 11 of title 11 of the United States Code (the "**Bankruptcy Code**") filed on the date hereof (the "**Petition Date**"); (b) the emergency relief that the Debtors have requested from the Court pursuant to the motions and applications described herein (collectively, the "**First Day Pleadings**"); and (c) the DIP Financings (as defined below) that the Debtors are seeking to have approved in the near future.

3. The First Day Pleadings seek relief necessary to avoid immediate and irreparable harm to the Debtors by allowing them to continue their operations and minimize disruptions to their business that could otherwise result from the commencement of the Chapter 11 Cases. Specifically, the First Day Pleadings seek relief allowing the Debtors to: (a) stabilize and maintain their business operations through, among other things, the use of cash collateral; (b) preserve relationships with franchisors, hotel managers, customers, employees, and other key constituencies; (c) limit disruption to the Debtors' business by continuing the use of their prepetition cash management system; and (d) establish certain administrative procedures to facilitate an orderly transition into, and uninterrupted operations throughout, the chapter 11 process.

4. Except as otherwise indicated, all facts set forth in this Declaration are based upon my personal knowledge, my discussions with other members of the Debtors' management team

and the Debtors' advisors, my review of relevant documents and information concerning the Debtors' operations, financial affairs, and restructuring initiatives, or my opinions based upon my experience and knowledge. If called as a witness, I would testify to the facts set forth in this Declaration. I am authorized to submit this Declaration on behalf of the Debtors.

5. To assist the Court in becoming familiar with the Debtors and the initial relief sought by the Debtors to stabilize operations and facilitate their restructuring, this Declaration is organized into four sections. Section I provides background information with respect to the Debtors' corporate history and their business operations, as well as a summary of the Debtors' prepetition capital structure and describes the plan support agreement entered into with one of the Debtors' key constituents. Section II describes the circumstances leading to the commencement of these Chapter 11 Cases, including the restructuring agreements that the Debtors negotiated with their key constituents. Section III summarizes the relief requested in, and the facts supporting, each of the First Day Pleadings and the DIP Financings. Section IV provides an overview of the exhibits attached hereto that set forth certain additional information about the Debtors, as required by Local Bankruptcy Rule 1007-2.

INTRODUCTION

6. Innkeepers, through its indirect subsidiaries, owns and operates an expansive portfolio of 72 upscale and mid-priced extended-stay and select-service hotels, consisting of approximately 10,000 rooms, located in 20 states across the United States. The Debtors operate their hotels under premium, well-recognized brands, such as Marriott, Hyatt, Hilton, and others (collectively, the "**Franchisors**"). The Debtors are able to generate significant value and stable revenues from the broad geographic location of their properties, the diverse mix of brands in their hotel portfolio, and the substantial tenure and comprehensive knowledge of the core management team who oversees the Debtors' hotel enterprise on a consolidated basis.

Specifically, the consolidated ownership and management of their 72 properties allows the Debtors to benefit from economies of scale, eliminating many of the duplicative processes and costs that would otherwise apply to properties owned and managed on an individual basis. For example, centralized corporate management and data systems allow the Debtors to significantly reduce corporate overhead costs. The Debtors are also able to negotiate favorable contracts for goods and services by using the leverage gained from their size and ability to enter into comprehensive, national vendor contracts. In addition, the Debtors have been able to negotiate favorable contracts with their Franchisors, who generally prefer to conduct business with owners of multiple hotels. With 72 hotels across the United States and long-term contracts in place with key Franchisors, the Debtors are well positioned to continue to capitalize on their substantial hotel portfolio and to generate positive earnings after their restructuring initiatives are implemented.

7. While the global economic crisis has certainly affected the hospitality industry, and thus the Debtors' business and overall revenue, the Debtors' operations remain strong and significant opportunities remain for the business in the future. Unfortunately, however, the Debtors have an unmanageable debt load, which has impeded their ability to service funded debt obligations as they come due. As of the Petition Date, the Debtors were in payment default on all 11 of their loan agreements. The Debtors' substantial debt burden has hindered their ability to appropriately maintain hotel properties in compliance with Franchise Agreements (as defined below) and perform other upgrades necessary to increase revenue, meet competitive conditions, and preserve asset value.

8. As of the Petition Date, the Debtors have incurred approximately \$1.29 billion of secured debt. The Debtors' largest secured loan is a securitized mortgage loan with Lehman ALI

Inc. (“**Lehman**”) as the original lender in the face amount of \$825 million, collateralized by 45 of the Debtors’ hotel properties and serviced by Midland Loan Services, Inc. (“**Midland**”). The Debtors’ second largest secured loan, to which Lehman is the current lender, is comprised of a floating rate senior mortgage loan in the face amount of \$250 million, collateralized by 20 of the Debtors’ hotel properties, and a junior mezzanine loan in the face amount of \$118 million. Each of the Debtors’ seven remaining secured mortgage loans—ranging in amounts from approximately \$24 million to \$48 million—is secured by individual properties.² Apollo Investment Corporation (“**AIC**”) owns the membership interests of Debtor Grand Prix Holdings LLC, the direct or indirect parent of all the other Debtors.

9. Over the last several months, the Debtors have engaged in extensive negotiations with certain of their key constituents regarding the parameters of a comprehensive restructuring. These negotiations culminated in the Debtors’ and certain of their key constituents’ entry into a series of interrelated agreements that, once implemented, will (a) facilitate a successful reorganization of the Debtors’ business, (b) allow the Debtors to maintain the existing portfolio of hotel properties with all of the attendant benefits of a comprehensive hotel enterprise, and (c) maximize the value of the Debtors’ enterprise for the benefit of the Debtors’ estates.

10. The Debtors have successfully negotiated a consensual, integrated restructuring transaction, which includes three separate, yet wholly interrelated, agreements. On June 25, 2010, the Debtors and Marriott International, Inc. (“**Marriott**”), the Franchisor with whom 44 of the Debtors’ 72 hotels have entered into Franchise Agreements, entered into an agreement (the “**Marriott Agreement**”), pursuant to which the Debtors agreed to provide adequate

assurance of the future completion of certain property improvement programs (as described in Section II.C hereof, the “**PIPs**”) on 23 of the Debtors’ Marriott-branded hotels in compliance with certain Franchise Agreements. As part of the adequate assurance, the Debtors have committed to procure necessary financing arrangements to complete the PIPs within an aggressive, but reasonable, timeframe. In exchange for the Debtors’ commitment, Marriott has agreed to support the Debtors’ restructuring and forebear from seeking to exercise potentially significant rights leading up to and during the Debtors’ Chapter 11 Cases.

11. Marriott’s agreement to forebear from seeking to exercise its rights with respect to the Debtors’ Marriott-branded hotel properties—including its right to remove the Marriott brand from the Debtors’ Marriott hotel, the exercise of which would have severely deteriorated the value of the underlying hotel properties—paved the way for the Debtors to negotiate two debtor-in-possession financing facilities (collectively, the “**DIP Financings**”), consisting of the (a) \$50.75 million Five Mile DIP Facility, the proceeds of which will be used to perform PIPs on certain hotels securing the Debtors’ obligations under the Fixed Rate Mortgage Loan Agreement,³ the Capmark Mission Valley Loan Agreement, and the Merrill Tysons Corner Loan Agreement (each as defined below); and (b) \$17 million Lehman DIP Facility, the proceeds of which will be used to perform PIPs and certain other investments on certain hotels securing the Debtors’ obligations under the Floating Rate Mortgage Loan Agreement.

12. Obtaining Marriott’s forbearance with respect to the Debtors’ critical hotel properties was also a precursor to the Debtors’ successful negotiations with Lehman to reach the terms of a consensual restructuring transaction and prearranged plan. The Debtors and Lehman have entered into a plan support agreement (the “**PSA**”), which incorporates the terms of a

prearranged restructuring and contemplates the Debtors' entry into the DIP Financings.⁴ The PSA represents a significant achievement for the Debtors because, among other things, it provides for the significant deleveraging of the Debtors' balance sheet and permits the Debtors to maintain their Franchise Agreements and existing portfolio of hotel properties. The Debtors' prearranged restructuring includes the following:

- Lehman will receive, in full and final satisfaction of its approximately \$238 million secured claim with respect to the Floating Rate Mortgage Loan Agreement, 100% of the issued and outstanding new shares of common stock issued by Innkeepers (the "**New Equity**"), subject to dilution by a management equity incentive program;
- The remaining secured lenders under the Debtors' prepetition credit facilities will receive new secured notes with a value that is no less than the value of the collateral securing their prepetition debt, unless the lenders of such facilities otherwise agree;
- Unsecured creditors (other than holders of deficiency claims) not paid pursuant to a "first day" order will receive a share of a cash allocation; and
- Holders of interests in the Debtors, including common and preferred stock, will be cancelled, and no distributions will be made on account of such interests.

13. The Debtors understand that Lehman's willingness to enter into the PSA is conditioned on its ability to sell a portion of its distribution of equity in the reorganized enterprise to a third party on or after the effective date of the Debtors' confirmed chapter 11 plan of reorganization, allowing Lehman, which is also in bankruptcy, to liquidate a portion of its plan distributions of New Equity to mitigate the risk of its entire recovery coming in the form of equity. The Debtors realize that Lehman's ability to consummate the transactions contemplated by the PSA is conditioned on Bankruptcy Court approval of such transactions in Lehman's bankruptcy proceedings. The Debtors expect Lehman to file a motion to approve the

transactions on or immediately after the Petition Date of these Chapter 11 Cases and to seek to obtain Court approval within 45 days of such filing.

14. The Debtors' proposed restructuring is supported by its significant stakeholders, including Marriott and Lehman, and constitutes an integrated, global resolution among the Debtors and these parties. For example, Lehman's willingness to support the proposed restructuring and to convert its debt into equity (which is necessary to deleverage the Debtors' balance sheet and provide comfort to the Franchisors that the reorganized Debtors will have a sustainable capital structure) is conditioned on the Debtors' retention of critical Franchise Agreements accomplished through Marriott's forbearance with respect to critical hotel properties. Marriott's willingness to forego any potential rights to seek to terminate its Franchise Agreements (which forbearance is necessary to maintain the Debtors' existing, integrated portfolio of hotels with franchise arrangements with a premium brand and avoid substantial rebranding costs) is conditioned on the Debtors' procurement of DIP Financings, the proceeds of which will be used to fund critical Marriott-branded hotels. In turn, the DIP Financings (which are necessary to address Franchise Agreement default issues, as well as to fund necessary capital expenditures on critical properties) are conditioned on Marriott's willingness to support the proposed transaction and to forebear from de-flagging the Debtors' properties, as well as Lehman's commitment to support an expeditious restructuring process.

15. Accordingly, the negotiation of these various components to the proposed restructuring transaction did not occur in a vacuum. Rather, each party's agreement to participate was carefully negotiated and, crucially, dependent upon the Debtors' obtaining agreements from the other key parties in interest that would promote a comprehensive restructuring of the Debtors' estates through an expeditious stay in bankruptcy. To that end, with

the support of their significant constituents, the Debtors anticipate moving expeditiously through this chapter 11 process. As provided for in the PSA, the Debtors intend to file their plan of reorganization and related disclosure statement within 45 days of the Petition Date. In addition, concurrently with the filing of this Declaration, the Debtors have filed two motions seeking the Court's approval of the DIP Financings, which will be set for hearing within 45 days of the Petition Date.

16. The Debtors believe that the terms of the proposed, integrated restructuring, including the DIP Financings, are in the best interest of Debtors' estates and all parties in interest. The proposed restructuring will not only result in the elimination of a substantial portion of the Debtors' funded indebtedness, but will also provide the Debtors with the necessary financing to fund critical hotel maintenance and repair projects, allowing the Debtors to preserve valuable Franchise Agreements, meet competitive conditions, and preserve asset value for the Debtors and their estates.

I. GENERAL BACKGROUND

(a) Company Business and Overview

17. Innkeepers is a self-administered Maryland real estate investment trust ("**REIT**") with a primary business focus on acquiring premium-branded upscale extended-stay, mid-priced limited service, and select-service hotels. Innkeepers' indirect, wholly-owned limited liability company subsidiaries, which are Debtors in these Chapter 11 Cases (the "**Property Owners**"),⁵

⁵ Innkeepers, through its indirect subsidiary, KPA Raleigh, LLC, owns a 49% ownership interest in Genwood Raleigh LLC, a joint venture fee owner of the Sheraton in Raleigh, North Carolina. Neither KPA Raleigh, LLC nor Genwood Raleigh LLC are Debtors in these Chapter 11 Cases.

hold title to, or ground leases⁶ in, the Debtors' 72 hotel properties. Each of the 72 Property Owners leases its hotel property to one of nine of Innkeepers' indirect, wholly-owned taxable REIT subsidiaries, each of which is a Debtor in these Chapter 11 Cases (the "**Operating Lessees**").⁷ The Operating Lessees are responsible for paying hotel operating expenses for the respective Property Owners, including personnel costs, franchise royalties and related fees, utility costs, and general repair and maintenance expenses. The Property Owners remain responsible for ownership costs such as property taxes and insurance, ground rent (where applicable), and capital expenditures.

18. The Debtors' primary customer base consists of business travelers, employees on temporary work assignments or enrolled in training programs, and individuals engaged in corporate relocations. Consistent with this customer base, the majority of Innkeepers' hotel portfolio consists of extended-stay hotels, which are a hybrid between a hotel and an apartment, offering longer-term accommodations with kitchens at more affordable rates than traditional full service hotels and with more efficiency than apartments. Extended-stay hotels currently comprise more than 68 percent of Innkeepers' hotel portfolio. In general, extended-stay hotels are typically able to generate a more consistent revenue stream than traditional hotels due to historically higher than average occupancy rates, longer average stays, less staff, and lower fixed costs.

6 The Debtors have ground leases for the following properties: Courtyard by Marriott in Ft. Lauderdale, Florida; Best Western in Palm Beach, Florida; and Hampton Inn in Woburn, Massachusetts. The minimum annual rent payable under these leases is approximately \$600,000 in the aggregate.

7 Innkeepers, through its indirect subsidiary, KPA Raleigh Leaseco LLC, owns a 49% ownership interest in Genwood Raleigh Lessee LLC, the property lessee of the Sheraton in Raleigh, North Carolina. Neither KPA Raleigh Leaseco LLC nor Genwood Raleigh Lessee LLC are Debtors in these Chapter 11 Cases.

19. The Operating Lessees have entered into various hotel management agreements (the “**Hotel Management Agreements**”) with Island Hospitality Management, Inc. (“**Island**”) and with Dimension Development Company, Inc. (“**Dimension**,” and together with Island, the “**Hotel Managers**”) to manage the hotel properties. The Debtors’ management is responsible for overseeing the Hotel Managers. Island manages all of the Debtors’ hotels except for the Sheraton Four Points in Ft. Walton Beach, Florida, which is managed by Dimension. Pursuant to the Hotel Management Agreements, the Hotel Managers generally are required to perform or provide for all operational and management functions necessary to operate the hotels. Among other things, the Hotel Managers, on behalf of the Debtors, pay all property level expenses of the hotels (including payroll),⁸ contract with service providers, and purchase all goods and materials utilized in the operation of the business. Generally, the Hotel Managers fund the hotel operating expenses out of the Property Lessees’ centralized cash account, over which the Hotel Managers have signing authority. When the Hotel Managers have to fund expenses, the Operating Lessees reimburse the Hotel Managers periodically through hotel expense reimbursement reconciliations. In addition, the Hotel Managers receive management fees prescribed by the Hotel Management Agreements.

20. The Debtors seek to affiliate their hotels with premier franchise companies and brands that offer robust marketing support and services and that have demonstrated their ability to command revenue premiums over other brands. The table below sets forth information regarding the Debtors’ hotels by brand (ordered based on the number of rooms by brand):

Brand	# of Hotels	# of Rooms	% of Total
Residence Inn by Marriott	40	5,194	53%

⁸ The Debtors, through the Hotel Managers, employ approximately 2,550 employees in connection with the operation of the hotels.

Brand	# of Hotels	# of Rooms	% of Total
Hampton Inn	11	1,404	14%
Summerfield Suites by Hyatt	5	650	7%
Courtyard by Marriott	3	526	5%
Hilton	1	309	3%
Hilton Suites	1	230	2%
Westin	1	224	2%
Four Points by Sheraton	1	216	2%
Embassy Suites	1	156	2%
Sheraton	1	154	2%
Homewood Suites by Hyatt	1	146	1%
Gatehouse Inn	2	144	1%
Best Western	1	135	1%
Doubletree	1	105	1%
TownePlace Suites by Marriott	1	95	1%
Bulfinch Hotel	1	79	1%
TOTAL	72	9,767	100%

21. The franchise licenses for the hotels are held by the Operating Lessees and are governed by franchise agreements (collectively, the “**Franchise Agreements**”) between the Operating Lessees and the franchise owners. All hotels in the table above except for the Gatehouse Inns and the Bulfinch Hotel operate under Franchise Agreements. Under the Franchise Agreements, the Debtors are required to pay franchise fees based on a percentage of hotel room revenue, and must allow Franchisors to inspect their licensed hotels periodically to confirm adherence to stated brand operating standards. These inspections can result in additional capital expenditure requirements or additional operational, marketing, or repairs and maintenance expenses. Grand Prix Holdings LLC, Innkeepers’ direct parent and a Debtor in these Chapter 11 Cases, has guaranteed certain of the Property Lessees’ obligations under certain of the Franchise Agreements.

22. The Debtors generate a majority of their revenue from guests who stay at the hotel properties. As such, the Debtors’ stream of revenue is dependent on maintaining and improving

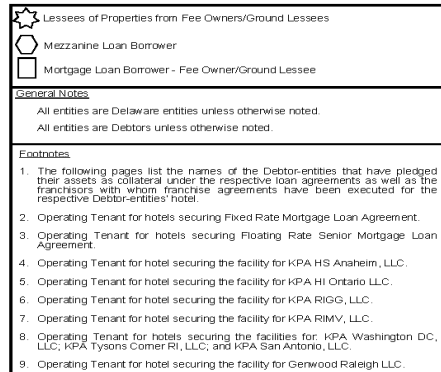

key operating metrics, including occupancy, average daily rate (“**ADR**”), and revenue per available room (“**RevPAR**”),⁹ of their hotels. In 2009, the Debtors’ consolidated revenues were approximately \$292 million (down from \$348 million in 2008, a 16 percent drop) and their adjusted earnings before interest, taxes, depreciation, and amortization (“**EBITDA**”) were approximately \$85 million (down from \$123 million in 2008, a 31 percent drop). The Debtors’ consolidated assets for 2009 totaled approximately \$1.5 billion and consolidated liabilities totaled approximately \$1.5 billion.

(b) The Debtors’ Corporate History and Organizational Structure

23. In June 2007, AIC, through certain subsidiaries, acquired Innkeepers (the “**Acquisition**”), which was a publicly traded company whose shares were listed on the New York Stock Exchange. The Acquisition was funded with equity invested by AIC (through certain subsidiaries), the assumption of certain secured debt outstanding prior to the Acquisition, and certain secured debt incurred at the time of the Acquisition. All of Innkeepers’ common shares outstanding at the time of the Acquisition were acquired for cash and then extinguished. Innkeepers’ \$145 million 8% Series C Cumulative Preferred Shares (defined below) outstanding prior to the Acquisition remained outstanding after the Acquisition. In consideration for AIC’s \$250 million equity investment, AIC’s subsidiary Grand Prix Holdings LLC, a Debtor in these Chapter 11 Cases, was issued all (except for relatively small amounts currently held by management) of Innkeepers’ newly issued (a) common shares and (b) 12% Series A Cumulative Preferred Shares (defined below).

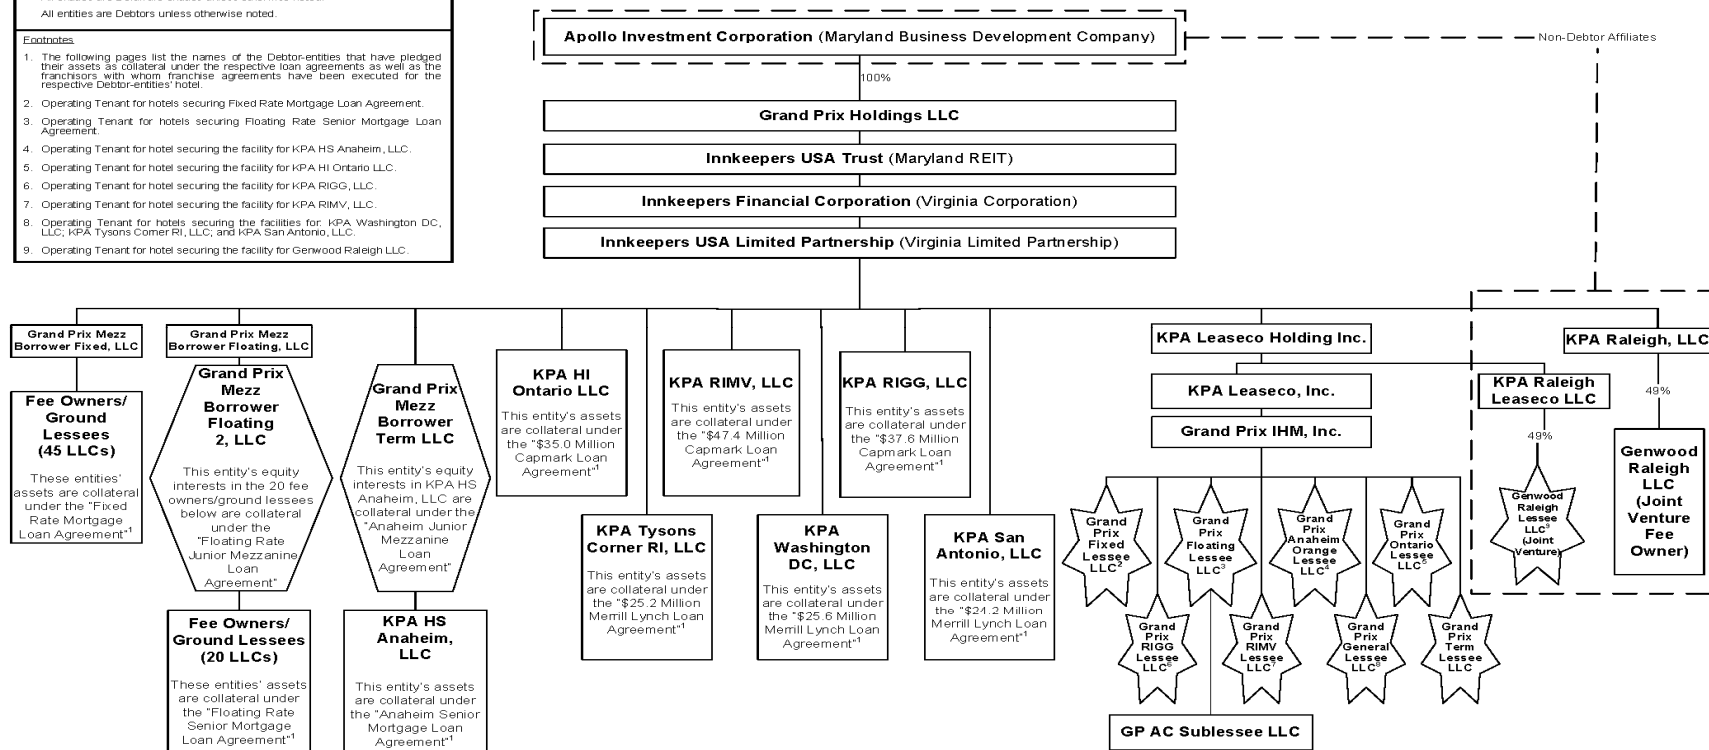

⁹ RevPAR is the product of the average daily rate and occupancy percentage. RevPAR does not include non-room revenues, such as food and beverage, parking, telephone, and other guest service revenues.

24. The chart below generally depicts the Debtors' prepetition organizational structure:

The information contained herein and on the following pages shall neither constitute an admission of liability by, nor is it binding on, the Debtors.

(c) **Prepetition Capital Structure**¹

25. As of March 31, 2010, the Debtors had incurred aggregate funded secured indebtedness of approximately \$1.42 billion, including approximately \$1.29 billion of property-level secured debt, approximately \$1.05 billion of which was securitized and sold in the commercial mortgage-backed security (“CMBS”) market. The Debtors incurred the vast majority of their funded debt in connection with the Acquisition. The debt is secured by mortgages on the hotels or pledges of the equity of the Property Owners. The Debtors’ funded secured debt is separated into nine general groups, the mortgages of each of which is secured by distinct hotel properties and the mezzanine loans of each of which is secured by related equity interests in the Property Owners. Each of these groups is discussed below. Additionally, the Debtors have four issuances of equity, which is also discussed below.

1. The \$825 Million Fixed Rate CMBS Pool

26. Forty-five of the Property Owners, collectively as borrowers, and Lehman, as original lender, are parties to that certain Loan Agreement (as amended, the “**Fixed Rate Mortgage Loan Agreement**”), dated as of June 29, 2007. The Fixed Rate Loan Agreement provides for mortgage loans to the 45 Property Owners in the original aggregate principal amount of \$825 million (the “**Fixed Rate Mortgage Loan Obligations**”), which amount is

collateralized by the 45 hotel properties owned by the Property Owners that are borrowers under the Fixed Rate Mortgage Loan Agreement. The Fixed Rate Mortgage Loan Obligations have a maturity date of July 9, 2017. The Fixed Rate Mortgage Loan Agreement mortgage loans have been securitized and sold into the CMBS market. Half of the Fixed Rate Mortgage Loan Obligations are part of a mortgage loan pool known as LB-UBS Commercial Mortgage Trust 2007-C6, for which LaSalle Bank, N.A. (“**LaSalle**”) is trustee and Midland serves as special servicer. The other half of the Fixed Rate Mortgage Loan Obligations are part of a mortgage loan pool known as LB-UBS Commercial Mortgage Trust 2007-C7, for which LaSalle is trustee and LNR Property Corp. serves as special servicer.

2. *The \$250 Million Floating Rate Mortgage Loan and \$118 Million Floating Rate Mezzanine Loan*

27. Twenty of the Property Owners, collectively as borrower, and Lehman, as lender, are parties to that certain Loan Agreement (as amended, the “**Floating Rate Mortgage Loan Agreement**”), dated as of June 29, 2007. The Floating Rate Mortgage Loan Agreement provides for mortgage loans to the 20 Property Owners in the original principal amount of \$250 million (the “**Floating Rate Mortgage Loan Obligations**”), which amount is collateralized by the 20 hotels owned by the Property Owners that are borrowers under the Floating Rate Mortgage Loan Agreement. The Floating Rate Mortgage Loan Obligations matured on July 9, 2010, which maturity date is subject to three conditional one-year extensions. The Floating Rate Mortgage Loan Agreement originally was intended to be securitized and sold into the CMBS market, however, that did not end up occurring.

28. Grand Prix Mezz Borrower Floating 2, LLC, the 100 percent owner of the 20 borrowers under the Floating Rate Mortgage Loan Agreement, as borrower, and Lehman, as original lender, are parties to that certain Mezzanine Loan Agreement (as amended, the

“Floating Rate Mezzanine Loan Agreement”), dated as of June 29, 2007. The Floating Rate Mezzanine Loan Agreement provides for a junior mezzanine loan in the original principal amount of \$118 million (the **“Floating Rate Mezzanine Loan Obligations”**), which amount is collateralized by Grand Prix Mezz Borrower Floating 2, LLC’s equity interests in the 20 Property Owners that are borrowers under the Floating Rate Mortgage Loan Agreement. The Floating Rate Mezzanine Loan Agreement Obligations mature on July 9, 2010, which maturity date is subject to three conditional one-year extensions.

3. *The \$13.7 Million Anaheim Mortgage Loan and \$21.3 Million Anaheim Mezzanine Loan*

29. RLJ Anaheim Suites Hotel L.P. 10. 12% Series A Cumulative Preferred Stock

38. As discussed above, AIC's subsidiary Grand Prix Holdings, LLC, whose officers and directors, appointed by AIC, conduct all significant decision-making and board meetings in New York, was issued substantially all of Innkeepers' shares of 12% Series A cumulative preferred stock (the "**12% Series A Cumulative Preferred Shares**") in exchange for AIC's equity contribution in connection with the Acquisition. Since the Acquisition, no distributions have been made on account of the 12% Series A Cumulative Preferred Shares.

11. 8% Series C Cumulative Preferred Stock

39. In January 2004, Innkeepers completed an offering of 5.8 million shares of 8% Series C cumulative perpetual preferred stock (the "**8% Series C Cumulative Preferred Shares**"). The net proceeds from the offering were approximately \$145 million, a portion of which was used by Innkeepers to redeem a previously issued series of preferred stock. The 8% Series C Cumulative Preferred Shares were publicly offered and survived the Acquisition, and the Debtors believe these shares are widely held. Since December 2008, no distributions have been made on account of the 8% Series C Cumulative Preferred Shares.

12. Class D Preferred Units

40. Prior to the Acquisition, Innkeepers USA Limited Partnership, a Debtor in these Chapter 11 Cases, issued preferred units of limited partnership interests to certain parties who contributed hotel properties to the Debtors. The holders of approximately 81,000 preferred units elected to continue to hold their investment after the Acquisition, in the form of Class D preferred units of limited partnership interest (the "**Class D Preferred Units**"). The cumulative redemption value of the Class D Preferred Units is \$1.4 million, and, pursuant to the relevant

documents, each Class D Preferred Unit is entitled to distributions equal to \$0.8875 per share annually. Additionally, holders of the Class D Preferred Units guaranteed approximately \$8.1 million of the Debtors' non-recourse debt. Since December 2008, no distributions have been made on account of the Class D Preferred Units.

13. *Common Stock*

41. As noted above, at the time of the Acquisition, the then-outstanding shares of Innkeepers' common stock were extinguished and new shares of common stock were issued. As of the Petition Date, Grand Prix Holdings LLC held substantially all of Innkeepers' current outstanding common stock.

II. EVENTS LEADING TO THE CHAPTER 11 FILING

42. A number of factors have contributed to the Debtors' decision to commence these Chapter 11 Cases. Although the Debtors' business model is sound, their operating losses from decreased room revenue, significant liquidity constraints, and considerable funded debt burden, resulting from unprecedented adverse changes in the economy and hospitality industry generally, have impaired the Debtors' ability to meet their current debt obligations and certain current obligations under their Franchise Agreements.

(a) Recent Economic Crisis and Its Impact on the Hotel Industry and the Debtors

43. Over the last two years, the global travel and tourism industry has faced one of the most difficult operating environments in a number of decades due to the unparalleled turmoil that beset the global and United States economies. A weak economy and plummeting demand for hotel accommodations, which can be traced to reduced consumer spending, higher fuel prices, increased unemployment, and a severe decline in business travel, have caused one of the deepest and longest recessions in the history of the hospitality and lodging industries. During this time,

supply also increased within the hospitality industry, exacerbating the negative impact of decreased demand within the industry.² Unlike previous historic events that hurt the hotel industry, such as September 11 and the SARS outbreak, the fallout from the 2008-2009 recession has lasted significantly longer and has had a far more adverse impact on the hospitality sector.

44. In the hotel industry, performance is generally measured by RevPAR (revenue per available room). RevPAR identifies trends with respect to room revenues from comparable hotel properties and can be used to evaluate hotel performance on a regional and segment basis. Comparing recent RevPAR against prior years, the magnitude of the rapid and unprecedented deterioration is readily apparent. In 2009, RevPAR in the hotel industry experienced the largest annual decline since the Great Depression, falling by 16.7 percent.

45. Other operating statistics similarly demonstrate the depth of the industry's decline. Contributing to the RevPAR decline in 2009, the industry's average daily rate, or ADR, fell by 8.8 percent, compared to a 20-year industry annual average *increase* of 2.8 percent. In 2009, the average daily occupancy rate decreased by 8.6 percent, compared to a 20-year industry annual average decline of 0.7 percent. The hotel industry has also suffered a severe decline in food and beverage sales, meeting, conference, and banquet hall rentals, and other guest services that generate additional revenue. Against this background, several of the Debtors' competitors filed for bankruptcy within the last two years, including, among others, Extended Stay Hotels, RM Hotels, Inc., Celebrity Resorts, Inc., Paradise Palms, LLC, River Road Hotel Partners, LLC, and Consolidated Resorts, Inc.

2 Based on reports prepared by Smith Travel Research, in 2009, supply increased by 3.2 percent and demand decreased by 5.8 percent, compared to a 20-year average increase in supply and demand of 2 percent and 1.4 percent, respectively.

46. The Debtors have not been insulated from these multi-year, record-breaking declines plaguing the hotel industry. In 2009, the Debtors' RevPAR, ADR, and occupancy rate metrics decreased by 16.3 percent, 10.8 percent, and 6.1 percent, respectively. Due to the Debtors' focus on the business consumer, their hotel portfolio has been especially impacted by an overall tightening on corporate travel, training, and relocation expenditures. Certainly, the worst recession in 60 years has left corporations intent on saving rather than spending, and, in 2009, domestic and international business travel spending in the United States declined sharply.

(b) The Debtors' Substantial Funded Debt Burden and Limited Access to Capital

47. In addition to reducing overall demand and significantly impairing the Debtors' overall revenue, the rapid softening of the economy and tightening of the financial markets have limited the Debtors' financial flexibility. As a result, the Debtors have no real ability to recapitalize or reduce their debt burdens. Strategies that the Debtors might have previously employed to extend maturities and maintain liquidity are no longer available. These adverse changes have severely limited the Debtors' ability to satisfy their obligations as they come due.

48. Limited access to capital is particularly significant in light of the Debtors' large debt service obligations. Specifically, the Debtors have failed to satisfy their debt service obligations as they came due under the following loan agreements: (a) the payment for the Capmark Ontario Loan Agreement on October 1, 2009; (b) the payment for the Fixed Rate Mortgage Loan Agreement on April 9, 2010; (c) the payments for the Anaheim Mezzanine Loan Agreement, Capmark Mission Valley Loan Agreement, Capmark Garden Grove Loan Agreement, Merrill Lynch Washington D.C. Loan Agreement, Merrill Lynch Tysons Corner Loan Agreement, and Merrill Lynch San Antonio Loan Agreement, each on May 1, 2010; and

(d) the payment for the Anaheim Mortgage Loan Agreement, Floating Rate Mortgage Loan Agreement, and Floating Rate Mezzanine Loan Agreement, each on June 10, 2010.

49. Given their limited access to capital, the Debtors were forced to depend only on funds generated from operations. On March 23, 2010, Wachovia, the master servicer of the LB-UBS Commercial Mortgage Trust 2007-C6 mortgage loan pool of the Fixed Rate Mortgage Loan Agreement informed the Debtors that an alleged “Triggering Event” under the June 29, 2007 Cash Management Agreement had occurred and indicated that as a result, Wachovia would need to “spring” certain unidentified lockbox accounts.³ A lockbox over the Debtors’ accounts would have had disastrous results for Innkeepers. Approximately 80 percent of the Debtors’ revenues come from credit card receipts. If the Debtors were unable to access funds generated from credit card receivables it would have been unable to pay hotel employees, vendors, or continue to operate the hotels.⁴ A lockbox over the Debtors’ credit card receivables alone would have required the Debtors to cease operations for a significant number of hotels, which would have severely impacted the Debtors’ enterprise value as well as the value of each affected property. In light of these concerns, the Debtors directed credit card proceeds to their Cash Management Account until such time as an arrangement could be reached with the loan servicer (or special servicer) that would allow the Debtors to continue to operate the hotels.⁵

3 The Cash Management Agreement between various Borrowers, Grand Prix Fixed Lessee LLC as Operating Lessee, Wachovia Bank National Association as Agent, Lehman ALI, Inc. as Lender, and Island Hospitality Management, Inc. as Manager was entered into on June 29, 2007. The Cash Management Agreement contains various provisions governing the establishment of various Cash Management Accounts and, among other things, the deposit of Gross Income from Operations into certain Lockbox Accounts under certain circumstances defined in the Cash Management Agreement. Triggering Events are defined in the Cash Management Agreement.

4 Under the relevant loan agreements, the Debtors were permitted, absent an Event of Default, to comingle cash for the benefit of overall the Debtors’ enterprise.

5 On April 19, 2010, Wachovia did provide formal notice that it was initiating a lockbox over the Debtors’ accounts, including the Debtors’ master account over which Wachovia had no security interest.

(continued on next page)

50. These actions were taken to meet the Debtors' day-to-day business obligations, to preserve the value of their hotel properties for the benefit of their enterprise and constituents, and to keep the Debtors' hotel businesses in operation. The Debtors subsequently negotiated with Wachovia and then the Special Servicer, Midland, to keep the affected hotels open and operating. During these negotiations, the Debtors offered to fully reconcile all amounts directed to the Debtors' Cash Management Account and, in fact, did so. By early May 2010, the Debtors and Midland reached an agreement under which all credit card receivables were paid by the Debtors to Midland, fully reconciling the amounts previously directed to the Cash Management Account, and Midland would pay on a going forward basis the operating expenses of the hotels to permit the Debtors to continue to operate the hotels. Midland and the Debtors, as of the Petition Date, continue to operate under this arrangement.

51. The Debtors' level of indebtedness is of significant import in this case because, with essentially all cash flow from operations being directed to debt service, the Debtors' cash is not available for other purposes, such as maintaining the hotel properties in a condition that complies with the Franchise Agreements and performing other upgrades to capitalize on opportunities to increase revenue and to meet competitive conditions and preserve asset value.

(c) The Debtors' Inability to Fund PIP Obligations

52. In addition to placing a burden on the Debtors' ability to meet debt service obligations and fund day-to-day business operations, the lack of available cash makes it impossible for the Debtors to sufficiently fund capital expenditures on hotel properties necessary to comply with their obligations under the Franchise Agreements.⁶ Certain of the Franchise

⁶ As of the Petition Date, the Debtors have approximately \$15.8 million earmarked to perform certain PIP obligations and intends to commence such obligations throughout the bankruptcy process. But, this amount is (continued on next page)

Agreements include provisions that require the Debtors to comply with property improvement programs (“**PIPs**”), under which they are obligated to perform certain renovations and other capital improvements to their hotel properties, such as replacing furniture, fixtures, and equipment. While necessary, the required PIP improvements are costly, subject to delays, and disrupt operations and displace revenue at the hotels while rooms under renovation are out of service.

53. Franchisors periodically inspect the hotels to ensure the Debtors’ compliance with their operating standards and the PIPs, the breach of which could result in the termination of a Franchise Agreement. The loss of a Franchise Agreement for a hotel would have an immediate and material adverse effect on the underlying value of the hotel due to the loss of associated name recognition, marketing support, brand loyalty, and centralized reservation systems provided by the Franchisors. Pursuant to prior agreement, in September of 2009, a Residence Inn Franchise Agreement with respect to a hotel property in Columbus, Ohio terminated. Subsequent to termination, revenue precipitously dropped by 50 percent and the property was sold for a fraction of its appraised value from only two years prior.

54. As of the Petition Date, the Debtors received numerous notices of potential default from Franchisors, including 22 notices of default from Marriott. The Debtors own 44 hotels under Marriott brands, more than half of which are “Generation 1” Residence Inn by Marriott extended-stay hotels. Generation 1 Residence Inn hotels resemble garden style apartments with multiple 2 to 3 story buildings, each comprised of 8 rooms with exterior access to each room. In contrast, subsequent generations of Residence Inn hotels typically feature more

significantly less than the amount required to satisfy all the Debtors’ PIP obligations under the Franchise Agreements.

rooms in a single multi-story building with interior corridors. Upkeep costs associated with older Generation 1 Residence Inn hotels are typically higher than other types of hotel properties because of their age (generally 20 to 30 years), layout (8 or more buildings located on large parcels of land), and inefficient utilization of heating and other utilities.

55. As a result, many Generation 1 franchise agreements are not being renewed as they mature or are exiting the Residence Inn system before the maturity of their franchise agreements. As the Residence Inn by Marriott brand grows (with over 600 in the brand system currently), the importance of Generation 1 hotels to the Residence Inn brand will continue to decrease. Maintaining the Franchise Agreements on the Debtors' Generation 1 hotels is critically important for their cash flow and enterprise value. The loss of revenue (and cash flow) associated with an immediate withdrawal of the Debtors' Generation 1 hotels from the Residence Inn system would have a severely detrimental effect on the Debtors' entire enterprise as Generation 1 Residence Inn hotels comprise approximately 31 percent of Innkeepers annual revenue. Recognizing this, the Debtors reached agreement with Marriott in 2007 for the Debtors to (a) complete extensive PIPs on most of its Generation 1 hotels in exchange for Franchise Agreement extensions until at least 2021 and (b) permit the early expiration of the franchise agreements on six smaller Generation 1 Residence Inns located in non-core mid-Western markets.

56. The dramatic reduction in Innkeepers' RevPAR, coupled with its significant debt burden and an inability to access new capital, have rendered the Debtors unable to comply with their PIP obligations under the Marriott (and other) Franchise Agreements. On March 16, 2010, Marriott sent to the Debtors the default notices referenced above. The Marriott default notices state that if the Debtors failed to perform the required PIP obligations by June 14, 2010, the 22

Marriott Franchise Agreements would immediately terminate as of that date. The PIP deadline has subsequently been extended from time to time by Marriott and is currently July 18, 2010.

57. The Debtors' inability to invest in their hotel properties, along with the collapse of the real estate market, have caused the value of the Debtors' hotels to severely decline, resulting in the overall erosion of the Debtors' enterprise value. As a result, it is clear that a comprehensive restructuring of the entire capital structure is necessary to preserve and maximize value.

(d) Restructuring Efforts

1. Cost Savings

58. To address the liquidity constraints caused by the tightening credit markets, decreased consumer demand, and high debt service carrying costs, since the first quarter of 2008, the Debtors' management has taken several proactive steps to reduce costs, restructure their business operations, and address operational cash shortfalls. These initiatives have included:

- a company-wide labor reduction to the minimal staffing levels possible without harming guest satisfaction (including for both the Debtors' and the Hotel Managers' employees);
- a 5 percent salary reduction for all personnel;
- the renegotiation of benefit programs in an effort to lower costs (with employees' share of obligations increased);
- the suspension of the Debtors' discretionary 401(k) plan matching;
- the termination of distributions to Innkeepers' 8% Series C stockholders beginning in December 2008;
- the reduction of certain fixed costs, including the renegotiation of maintenance, grounds cleaning, and vendor contracts; and

- the immediate cessation of all non-emergency capital expenditures on the hotel properties beginning in late 2008 and the related settlement for approximately \$8.5 million of approximately \$13.1 million outstanding capital expenditure obligations for work performed and goods ordered.

59. The result of the Debtors' efforts has been positive. From 2008 to 2010, the Debtors were able to reduce their annual costs by approximately \$24 million. However, despite this reduction, due to the current economic climate and ongoing credit crisis, the Debtors have concluded that their liquidity would continue to erode and potentially could be exacerbated by further declines in the hospitality market. In addition, the Debtors have determined that any new debt or equity investments would be unlikely unless they could restructure their existing debt given the current amount of outstanding debt owed to their lenders. The Debtors also have concluded that they would need additional liquidity to meet their near term obligations under the Franchise Agreements.

2. *Restructuring Negotiations*

60. Against this backdrop, the Debtors began to weigh their options with respect to a broad financial restructuring that would provide the Debtors with the flexibility necessary to continue their business on a going forward basis. To that end, in November 2008, the Debtors hired Marc Beilinson, an independent director of Innkeepers since 2007, as Chief Restructuring Officer to explore alternative restructuring opportunities.⁷ In addition, in early 2010, the Debtors retained Kirkland & Ellis LLP ("**Kirkland**") and Moelis & Co. LLC ("**Moelis**") to initiate discussions with the Debtors' constituents regarding a possible comprehensive restructuring and financial alternatives for improving the Debtors' balance sheet.

⁷ Marc Beilinson is a former restructuring attorney with over 25 years of experience. In November 2009, Mr. Beilinson was elected to serve as an independent director on the board of directors of Apollo Commercial Real Estate Finance Inc., a publicly traded REIT. Mr. Beilinson continues to serve on this board as an independent director, as defined under the NYSE *per se* rules on director independence.

61. With the assistance of these advisors, the Debtors reviewed and analyzed their business operations and determined the cash necessary to maintain their operations and work towards a successful restructuring. In undertaking this analysis, the Debtors and their advisors considered the impact of the current economic outlook on the Debtors' near-term projected financial performance, including the demand for hotel accommodations and projected cost to complete the PIPs and other capital improvements necessary to maintain the value of the properties. Because of high levels of current debt, the immediate crisis caused by the impending Marriot defaults, and the Debtors' inability to satisfy their debt service obligations as they came due, it became clear that a comprehensive balance sheet restructuring through a chapter 11 proceeding was the best available restructuring alternative for the Debtors and their estates.

62. Thus, the Debtors engaged several parties, including Marriot, Lehman, and certain prepetition lenders who have agreed to extend the DIP Financings, in extensive negotiations leading up to the filing of these Chapter 11 Cases. Ultimately, these negotiations, which were conducted in good faith and at arm's length, culminated in a series of interrelated agreements that will, among other things: (a) deleverage the Debtors' balance sheet, minimizing interest payments and releasing previously encumbered cash for other purposes; (b) fund PIP and other capital expenditures necessary to retain premium brand affiliations, maintain customer loyalty, and improve the Debtors' industry market share; and (c) avoid any alleged potential change of control defaults that would jeopardize the Debtors' Franchise Agreements.

III. RELIEF SOUGHT IN THE DEBTORS' FIRST DAY PLEADINGS

63. It is critically important for the Debtors to maintain the loyalty and goodwill of, among other constituencies, their Franchisors, employees, customers, and Property Managers. Achieving this goal is likely to be particularly challenging while operating in chapter 11. To that end, the Debtors have filed the First Day Pleadings seeking relief intended to allow the Debtors

to effectively transition into chapter 11 and minimize disruption to the Debtors' business operations, thereby preserving and maximizing the value of the Debtors' estates. Unless this "first day" relief is granted, I believe the Debtors' business operations will suffer significant adverse immediate and irreparable consequences.

64. Several of the First Day Pleadings request authority to pay certain prepetition claims. I am told by my advisors that Rule 6003 of the Federal Rules of Bankruptcy Procedures provides, in relevant part, that the Court shall not consider motions to pay prepetition claims during the first 21 days following the filing of a chapter 11 petition, "except to the extent relief is necessary to avoid immediate and irreparable harm." In light of this requirement, and as set forth below, the Debtors have narrowly tailored their requests for immediate authority to pay certain prepetition claims to those circumstances where the failure to pay such claims would cause immediate and irreparable harm to the Debtors and their estates. As part of this, certain relief will be deferred for consideration at a later hearing.

65. I have reviewed each of the First Day Pleadings. The facts stated therein and attached hereto as **Exhibit B** are true and correct to the best of my information and belief, and I believe that the relief sought in each of the First Day Pleadings is necessary to enable the Debtors to operate in chapter 11 with minimal disruption to their business operations and constitutes a critical element in successfully restructuring the Debtors' business.

IV. INFORMATION REQUIRED BY LOCAL BANKRUPTCY RULE 1007-2

NOTWITHSTANDING THE FOREGOING CONSENT TO JURISDICTION, UPON THE COMMENCEMENT OF THE CHAPTER 11 CASES, EACH OF THE PARTIES AGREES THAT THE BANKRUPTCY COURT PRESIDING OVER THE CHAPTER 11 CASES AND NOT THE BANKRUPTCY COURT PRESIDING OVER THE LEHMAN BANKRUPTCY CASES SHALL HAVE EXCLUSIVE JURISDICTION WITH RESPECT TO ANY MATTER UNDER OR ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTION CONTEMPLATED HEREIN; *PROVIDED, HOWEVER*, THE BANKRUPTCY COURT PRESIDING OVER THE LEHMAN BANKRUPTCY CASES SHALL HAVE EXCLUSIVE JURISDICTION TO DETERMINE WHETHER TO APPROVE LEHMAN'S ENTRY INTO THIS AGREEMENT. THE PARTIES WAIVE ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, SUIT OR PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE BETWEEN THE PARTIES, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE.

Section 13. Specific Performance; Exclusive Remedy. Each Party hereto recognizes and acknowledges that a breach by it of any covenants or agreements contained in this Agreement will cause the other Parties to sustain damages for which such Parties would not have an adequate remedy at law for money damages, and therefore each Party hereto agrees that in the event of any such breach the other Parties shall be entitled to the remedy of specific performance of such covenants and agreements and injunctive relief, without the necessity of securing or posting a bond or other security in connection with such remedy. Notwithstanding anything to the contrary set forth above, the Parties also agree that the remedy of specific performance shall be the exclusive remedy of the Parties under this Agreement in the event of a breach of this Agreement by another Party hereto.

Section 14. Survival. Notwithstanding the termination of this Agreement in accordance with its terms, the agreements and obligations of the Parties in Sections 7 (effect of termination), 11 (governing law), 12 (specific performance), 13 (survival), 15 (successors and assigns), 16 (no third party beneficiaries), 21 (reservation of rights), 22 (publicity), 24 (fiduciary duties), 25 (indemnification), and 26 (continued banking practices) hereof shall survive such termination and shall continue in full force and effect for the benefit of the Parties hereto in accordance with the terms hereof.

Section 15. Headings. The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof.

Section 16. Successors and Assigns; Severability; Several Obligations. This Agreement is intended to bind and inure to the benefit of the Parties and their respective permitted successors, assigns, heirs, executors, estates, administrators and representatives. The invalidity or unenforceability at any time of any provision hereof in any jurisdiction shall not

affect or diminish in any way the continuing validity and enforceability of the remaining provisions hereof or the continuing validity and enforceability of such provision in any other jurisdiction. The agreements, representations and obligations of the Parties under this Agreement are, in all respects, several and not joint.

Section 17. No Third Party Beneficiaries. Unless otherwise expressly stated herein, this Agreement shall be solely for the benefit of the Parties and no other person or entity shall be a third party beneficiary hereof.

Section 18. Entire Agreement. This Agreement constitutes the entire agreement of the Parties with respect to the subject matter hereof and supersedes all prior agreements (oral and written) and all other prior negotiations, but shall not supersede either of the Plans or the other Plan Related Documents.

Section 19. Counterparts. This Agreement and any amendments, waivers, consents or supplements hereto or in connection herewith may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

Section 21. Rule of Interpretation; Calculation of Time Period. The provisions of this Agreement shall be interpreted in a reasonable manner to effect the intent of the Parties hereto. None of the Parties hereto shall have any term or provision construed against such Party solely by reason of such Party having drafted the same. When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded. If the last day of such period is not a Business Day, the period in question shall end on the next succeeding Business Day.

Section 22. Reservation of Rights. Nothing herein shall be deemed an admission of any kind. If the transactions contemplated herein are not consummated or this Agreement is terminated for any reason, the Parties fully reserve any and all of their rights. Pursuant to Rule 408 of the Federal Rule of Evidence, any applicable state rules of evidence and any other applicable law, foreign or domestic, this Agreement and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms.

Section 23. Publicity; Confidentiality. The Parties understand and acknowledge that, until publicly disclosed as herein contemplated, the terms of this Agreement and the exhibits hereto are confidential information, and the Parties agree to keep such information confidential and not use it for any purpose except as contemplated hereby or as reasonably necessary in the Chapter 11 Cases.

Section 24. Representation by Counsel. Each Party acknowledges that it has had the opportunity to be represented by counsel in connection with this Agreement and the transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived.

Section 25. Fiduciary Duties.

(a) Notwithstanding anything to the contrary herein, at any time prior to the Confirmation Date, the Company or any directors or officers of the Company, in such person's capacity as a director or officer of the Company, shall be entitled to take any action, or to refrain from taking any action, including a decision to terminate this Agreement, that such person determines in good faith, after consultation with counsel, is consistent with its or their fiduciary obligations under applicable law (the "**Fiduciary Out**").

(b) At the time this Agreement is entered into, the Company acknowledges and agrees that the Plan Milestones and any remedies in respect thereof set forth in this Agreement constitute the sound business judgment of the Company that comports with the fiduciary duties of the Company's officers and directors.

(c) The Company agrees that the Fiduciary Out shall not apply, and may not be used, to annul, modify, amend, or otherwise alter any of the Plan Milestones or any of the remedies in respect thereof; provided, however, that if the Company secures a binding and firm written commitment with respect to an alternative transaction that will provide Lehman with a higher and better recovery than the recovery proposed under the Plan (a "**Firm Alternative Transaction**"), the Company shall provide Lehman with at least ten (10) Business Days to determine whether Lehman will consent to such Firm Alternative Transaction. If Lehman does not consent to such Firm Alternative Transaction, the Company may only exercise the Fiduciary Out after it has obtained an order from the Bankruptcy Court authorizing the Company to exercise the Fiduciary Out in accordance with the terms hereof. The Company agrees that in determining whether a Firm Alternative Transaction is "higher and better," all factors must be considered including contingencies, conditionality, legal and financial execution risk, economics and Lehman's opinion as to whether such Firm Alternative Transaction is "higher and better."

Section 26. Indemnification. The Company hereby agrees to indemnify and hold Lehman and its officers, directors, partners, agents, employees, advisors, and successors and assigns, harmless from and against any and all claims, actions, suits, liabilities and judgments, and costs and expenses directly related thereto (including reasonable costs of defense on an as-incurred basis), arising by reason of or resulting from Lehman's execution of this Agreement and performance of its obligations hereunder, but expressly excluding any liability, cost or expense arising from or related to the fraudulent or willful misconduct of Lehman.

Section 27. Continued Banking Practices. Notwithstanding anything herein to the contrary, Lehman and its affiliates, may accept deposits from, lend money to and generally engage in any kind of banking, investment banking, trust or other business with or provide debt financing, equity capital or other services (including financial advisory services) to the Company or any affiliate of the Company or any other person, including, but not limited to, any person proposing or entering into a transaction related to or involving the Company or any affiliate thereof.

Section 28. Acknowledgement. This Agreement and the Transactions are the product of negotiations among the Parties, together with their respective representatives. This Agreement is not, and shall not be deemed to be, a solicitation of votes for the acceptance of the Plan or any plan of reorganization for the purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise. Lehman's vote(s) will not be solicited until it has received the Disclosure Statement and any other required materials related to the Solicitation. In addition, this Agreement does not constitute an offer to issue or sell securities to any person, or the solicitation of an offer to acquire or buy securities, in any jurisdiction where such offer or solicitation would be unlawful.

Section 29. No Waiver. The failure of any Party hereto to exercise any right, power or remedy provided under this Agreement or otherwise available in respect hereof at law or in equity or to insist upon compliance by any other Party hereto with its obligations hereunder and any custom or practice or the Parties at variance with the terms hereof, shall not constitute a waiver by such Party of its right to exercise any such right, power or remedy or to demand such compliance.

Section 30. Modification. This Agreement may only be modified, altered, amended, or supplemented by an agreement in writing signed by the Company and Lehman.

Section 31. Transfers. Lehman agrees that until the earlier to occur of (x) termination of this Agreement in accordance with Section 6 and (y) the occurrence of the Plan Effective Date, it shall not sell, transfer, pledge, assign or otherwise hypothecate any of the Floating Rate Debt or any option thereon or any right or interest (voting or otherwise) therein (any such transfer, pledge, assignment, hypothecation or option being referred to as a "**Transfer**"), unless such Transfer is subject to, and the transferee thereof agrees in writing for the benefit of the Parties to be bound by all of the terms of this Agreement by executing and delivering to the Parties a joinder in the form attached hereto as Exhibit E upon no less than five (5) days written notice to the Company. Any Transfer that is made in violation of the immediately preceding sentence shall be null and void *ab initio*, and the Company shall have the right to enforce the voiding of such transfer. In the event that any Transfer is not fully consummated for any reason,

Lehman shall remain bound by the terms of this Agreement. After a Transfer, the Company has the right to terminate this Agreement upon one (1) day's written notice by the Company. Notwithstanding the foregoing, if Lehman notifies the Company of a potential Transfer, the Company shall advise Lehman within five business days if it will exercise its termination right with respect to such Transfer.

**AGREEMENT FOR ADEQUATE ASSURANCE OF
COMPLETION OF CERTAIN PIPS AND ASSUMPTION OF AGREEMENTS**

This AGREEMENT FOR ADEQUATE ASSURANCE OF FUTURE COMPLETION OF CERTAIN PIPS AND ASSUMPTION OF AGREEMENTS (this "Agreement") is made and entered into as of June 25, 2010, by and among (i) Innkeepers USA Trust, a Maryland real estate investment trust, and all of its direct and indirect subsidiaries and affiliates that may or will constitute one of the debtors in Innkeeper's voluntary reorganization cases, identified on Exhibit 1 hereto (collectively, the "Company"), and (ii) Marriott International, Inc., a Delaware corporation (with its affiliates, "Marriott"). The Company and Marriott are sometimes collectively referred to herein as the "Parties" and individually as a "Party."

RECITALS

WHEREAS, the Company owns forty-four (44) hotels operating under brands owned by Marriott (collectively, the "Marriott Hotels");

WHEREAS, the Marriott Hotels operate subject to franchise and related agreements between Marriott and the Company (collectively, the "Franchise Agreements");

WHEREAS, Marriott has served default and termination notices (collectively, "Default Letters") upon the Company with respect to twenty-three (23) Marriott Hotels (collectively, the "Marriott Defaulted Hotels") purporting to terminate their respective Franchise Agreements for, among other things, the failure to complete the property improvement plans ("PIPs");

WHEREAS, Marriott has represented that it intends to serve a Default Letter with respect to an additional Marriott Hotel;

WHEREAS, the Company and Marriott have entered into that certain Forbearance and Agreement to Maintain the Status Quo, dated June 11, 2010, pursuant to which Marriott agreed to, among other things, forbear from exercising its rights at law or in equity, set forth in the Default Letters, solely with respect to the Continuing Defaults (as defined therein) under the Franchise Agreements described in the Default Letters, from June 14, 2010 until the earlier of June 28, 2010 or the filing of a Chapter 11 Case;

WHEREAS, the Company may (a) file voluntary reorganization cases (collectively, a "Chapter 11 Case") under chapter 11 of title 11 of the United States Code 11 U.S.C. §§ 101-1532 (the "Bankruptcy Code") in the United States Bankruptcy Court (the "Bankruptcy Court"); and (b) file and use good faith reasonable best efforts to obtain approval and confirmation of a plan of reorganization (the "Plan"), which shall be in form and substance not inconsistent with this Agreement;

WHEREAS, the Company has represented that it will complete the PIPs for certain Marriott Defaulted Hotels in accordance with this Agreement and secure the financing necessary to do so;

WHEREAS, the Parties, with the assistance of their legal and financing advisors, have engaged in negotiations with the objective of reaching an agreement with regard to the Marriott Hotels set forth on Schedule A and Schedule B and the treatment of the Franchise Agreements and Marriott's claims thereunder (collectively, the "Claims"), pursuant to the terms and conditions set forth in this Agreement;

WHEREAS, the Company has received certain Acceptable Financing Commitments (as defined herein) predicated on the filing of a Chapter 11 Case, which are attached hereto as Exhibit 2;

WHEREAS, the Company and Marriott have reviewed, or have had the opportunity to review, this Agreement with the assistance of their respective legal and financial advisors of their own choosing; and

WHEREAS, this Agreement sets forth the terms and conditions of the Parties' respective obligations hereunder.

NOW, THEREFORE, in consideration of the promises and mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto hereby agree as follows:

Section 1. Acceptable Financing Commitment. For purposes of this Agreement, an "Acceptable Financing Commitment" means one or more commitments: (a) for at least \$45M to complete, on the schedule attached hereto as Schedule A (which includes three separate phases of PIP completion, "Phase 1," "Phase 2," and "Phase 3"), the PIPs for the Marriott Defaulted Hotels; (b) on terms that are no less favorable to the Company than market terms negotiated at arm's-length; (c) not conditioned on obtaining voting or any control rights with respect to the Plan, other than on reasonable and customary debtor-in-possession repayment terms and priority; (d) which terms shall indicate that the sole purpose of the commitment is to complete the PIPs for the Marriott Defaulted Hotels; (e) which may prime existing liens, pursuant to section 364(d) of the Bankruptcy Code; and (f) which will be fully funded upon closing of an Acceptable Financing Commitment after Bankruptcy Court approval (collectively, an "Acceptable Financing Commitment"). Marriott acknowledges and agrees that the financing commitments memorialized in the term sheets attached hereto as Exhibit 2, if consummated, would each constitute an Acceptable Financing Commitment.

(a) If the Company files a Chapter 11 Case, the Company shall (i) substantially contemporaneously with such filing, file a motion with the Bankruptcy Court seeking authority, pursuant to section 364 of the Bankruptcy Code, to obtain an Acceptable Financing Commitment (the "DIP Motion") and (ii) seek to have the Bankruptcy Court approve the Acceptable Financing Commitment within sixty (60) days thereafter. The Company shall in good faith use its reasonable best efforts to obtain Bankruptcy Court approval of an Acceptable Financing Commitment within the time periods specified herein and confirmation of a Plan consistent with the terms of this Agreement.

(b) If the Bankruptcy Court approves an Acceptable Financing Commitment within sixty (60) days after filing a Chapter 11 Case, the Company shall commence, perform,

and fully complete the PIPs in accordance with Schedule A. The Parties agree that time is of the essence with respect to the commencement, performance, and completion of the PIPs.

(c) The Company represents and warrants that it has the requisite power and authority to execute and deliver this Agreement, to perform its obligations under this Agreement and any and all other agreements, documents or instruments to be executed and/or delivered in connection herewith and to consummate the transactions contemplated herein and therein.

Section 2. Post-filing Forbearance Period. During the period commencing on the filing of a Chapter 11 Case, and ending upon the termination of this Agreement in accordance with Section 6 hereof (the “Post-filing Forbearance Period”), with respect to the Marriott Defaulted Hotels listed on Schedule A, Marriott shall, subject to Section 3 and Section 6 hereof, (a) forbear from exercising any and all of its remedies under the Franchise Agreements that arise out of or in connection with the Default Letters, (b) forbear from seeking relief from the automatic stay to exercise any and all of its remedies under the Franchise Agreements that arise out of or in connection with the Default Letters, and (c) permit the Franchise Agreements for the Marriott Defaulted Hotels listed on Schedule A to be assumed in accordance with Section 4 hereof.

Section 3. Relief from Automatic Stay Upon Default. Notwithstanding any other Section of this Agreement, at any time after Bankruptcy Court approval of an Acceptable Financing Commitment, in the event that the Company does not satisfy in all material respects the obligations to be performed with respect to a particular Marriott Defaulted Hotel identified on Schedule A, on or before the applicable milestone dates provided therein, Marriott may seek relief from stay or such other relief as may be just and proper with respect to such Marriott Defaulted Hotel and related Franchise Agreement, and the Company agrees that (a) it shall not contest either directly or indirectly, or cause another to contest, a motion, application or request by Marriott for relief from the automatic stay to, *inter alia*, enforce its rights and remedies under the Franchise Agreement for such Marriott Defaulted Hotel, and (b) it shall deem the Post-filing Forbearance Period with respect to such Marriott Defaulted Hotel terminated. In the event the Company fails to complete, in accordance with Schedule A, all of the PIPs under the Franchise Agreements for the Marriott Defaulted Hotel listed under Phase 1, plus the Sili II hotel in Phase 2, Marriott may, in its discretion, serve a notice of default and sixty (60) notice to cure which shall require the Company to complete all PIPs for the Marriott Defaulted Hotels under Phase 1, plus the Sili II hotel under Phase 2 within the sixty (60) day cure period. If the cure by the Company referenced in the previous sentence is not completed within sixty (60) days, then Marriott shall be entitled to seek relief from stay for all Marriott Defaulted Hotels, except those which have already been assumed, and the Company shall be deemed to consent to such relief, and Marriott shall retain any and all of its rights to damages under the relevant Franchise Agreements.

Section 4. Assumption of Franchise Agreements. As set forth herein, Marriott shall have the right to consent to the assumption and assignment of any and all Franchise Agreements, including the Franchise Agreements for the Marriott Defaulted Hotels. Immediately upon completion and written approval by Marriott of completion of a PIP for a Marriott Defaulted Hotel in accordance with Schedule A, the Company shall seek to assume the applicable Franchise Agreements. For the avoidance of doubt, assumptions will be on a rolling basis as

PIPs are completed and approved, and Marriott's consent to assumption shall be deemed given if, with respect to a particular Marriott Defaulted Hotel, Marriott determines in its reasonable business judgment that the Company has completed the respective PIP in accordance with Schedule A and the terms of the applicable Franchise Agreement, provided that Marriott shall retain its rights under 11 U.S.C. § 365. With respect to the PIPs on Schedule A for which the Company is in compliance as of the time the Company files a disclosure statement in the Chapter 11 Case, the Company shall assume all such Franchise Agreements listed on Schedule A (except as otherwise assumed in accordance with this Section 4) and Marriott will consent to the Company's assumption of the Franchise Agreements listed on Schedule A. In addition, as of the time the Company files a disclosure statement in the Chapter 11 Case, the Company shall assume all other Franchise Agreements for the Marriott Hotels not listed on Schedule A (the "Marriott Non-Defaulted Hotels"), which shall be set forth on Schedule B, and Marriott will consent to the Company's assumption of the Franchise Agreements for the Marriott Non-Defaulted Hotels, provided that Marriott shall retain its rights under 11 U.S.C. § 365 for such Franchise Agreements. For the sake of clarity, Company's obligation to complete the PIPs for the Marriott Hotels in accordance with the respective Franchise Agreements shall survive confirmation of the Plan.

Section 5. Resolution of Claims. If the Company files a Chapter 11 Case, the Company shall cause the Plan to provide that Marriott's Claims shall either be treated as (a) unimpaired or (b) impaired only to the extent and in a manner as consensually agreed upon by Marriott in its sole discretion; provided that Marriott may have claims in the Chapter 11 Case that remain unpaid even if the PIPs for all Marriott Defaulted Hotels are completed and approved and all of the relevant Franchise Agreements are assumed. Marriott will not forbear from filing and pursuing such claims in the Chapter 11 Case. Marriott acknowledges and agrees, subject to review and consideration of any proposed Plan, that it will not vote to reject or otherwise object to, impede, directly or indirectly, or take any action that would unreasonably delay confirmation or consummation of the Plan, unless such Plan contains terms that are inconsistent with the terms of this Agreement and the Franchise Agreements. Marriott represents that it has not conducted an inspection or audit to determine if additional defaults exist as of the date of this Agreement, but to the best of its knowledge, it is not aware of any outstanding defaults other than the Continuing Defaults; provided, however, that Marriott does not waive its rights with respect to any default in existence that Marriott later becomes aware of or could have known upon a reasonable inspection or audit.

Section 6. Termination of this Agreement.

(a) Termination Events. The term "Termination Event," wherever used in this Agreement, means any of the following events (whatever the reason for such Termination Event and whether it is voluntary or involuntary):

(i) The Company fails to file the DIP Motion with the Bankruptcy Court contemporaneously with the filing of a Chapter 11 Case.

(ii) An Acceptable Financing Commitment is not approved by the Bankruptcy Court within sixty (60) days of filing a Chapter 11 Case.

(iii) Termination of an Acceptable Financing Commitment, unless the Company can establish to Marriott's sole satisfaction that the Company has sufficient funds available for completion of the PIPs in accordance with Schedule A, and such funds are held in escrow pending completion of all PIPs.

(iv) The Company fails to complete one or more PIPs in accordance with Schedule A.

(v) All Parties agree in writing to terminate this Agreement.

The foregoing Termination Events are intended solely for the benefit of the Parties to this Agreement; provided that no Party may seek to terminate this Agreement based upon a material breach or a failure of a condition (if any) in this Agreement arising out of its own actions or omissions. A Termination Event shall be effective on the fifth (5th) business day following written notice and failure to cure a Termination Event occurring under Section 6(a)(i), (iii), or (iv). Termination shall be effective immediately following written notice of a Termination Event occurring under occurring under Section 6(a)(ii), or if the Parties agree to Termination under Section 6(a)(v).

(b) Effect of Termination. Upon a Termination Event occurring under Section 6(a)(i), (ii), (iii), or (v), this Agreement shall be of no further force and effect, subject to Section 6(c), and each Party hereto shall be released from its commitments, undertakings, and agreements under or related to this Agreement from the effective date of the Termination Event forward. Upon a Termination Event occurring under Section 6(iv), this Agreement shall be terminated solely with respect to the Marriott Defaulted Hotel for which the PIP or PIPs have not been completed.

(c) Survival. The rights, duties and obligations of Marriott and the Company that by the express language of the Franchise Agreements and this Agreement survive termination shall remain in full force and effect and survive the termination of this Agreement. Without limiting the foregoing, in the event that either Marriott or the Company terminates this Agreement or the Post-filing Forbearance Period terminates in accordance with Section 3 or Section 6 hereof, Marriott's and the Company's rights and obligations under Sections 3, 6 and 7 (excluding 7(c)), shall survive termination of this Agreement.

Section 7. Miscellaneous.

(a) Governing Law; Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the internal laws of the State of New York, regardless of the laws that might otherwise govern under applicable principles of conflict of laws of the State of New York. By its execution and delivery of this Agreement, each of the Parties hereto hereby irrevocably and unconditionally agrees for itself that any legal action, suit, or proceeding against it with respect to any matter under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit, or proceeding, shall be brought in a federal court of competent jurisdiction in the United States District Court for the Southern District of New York. By execution and delivery of this Agreement, each of the Parties hereto hereby irrevocably accepts and submits to the nonexclusive jurisdiction of such

court, generally and unconditionally, with respect to any such action, suit, or proceeding. Notwithstanding the foregoing consent to jurisdiction, upon the commencement of the Chapter 11 Cases, each of the Parties hereto hereby agrees that the Bankruptcy Court shall have exclusive jurisdiction over all matters arising out of or in connection with this Agreement.

(b) No Waiver of Participation and Preservation of Rights. This Agreement is part of a proposed settlement of disputes among the Parties. Without limiting the foregoing sentence in any way, if the transactions contemplated by this Agreement or otherwise set forth in any plan of reorganization are not consummated as provided herein, if a Termination Event occurs, or if this Agreement is otherwise terminated for any reason, the Parties each fully reserve any and all of their respective rights, remedies, claims, and interests.

(c) Reimbursement of Fees. The Company shall remit payment of \$20,000 each month to Marriott, such payment representing the cost of Marriott having to dedicate an employee to auditing and overseeing completion of the PIPs and expediting review of all stages of PIP compliance. The Company shall reimburse Marriott for all reasonable, documented out-of-pocket attorneys' fees and expenses incurred by Marriott in connection with this Agreement and the defaults under the Franchise Agreement within thirty (30) days of invoice.

(d) Notices. All demands, notices, requests, consents, and communications hereunder shall be in writing and shall be deemed to have been duly given if delivered personally or by courier service, messenger, electronic mail, facsimile, telecopy, or if duly deposited in the mails, by certified or registered mail, postage prepaid-return receipt requested, and shall be deemed to have been duly given or made: (i) upon delivery, if delivered personally or by courier service, or messenger, in each case with record of receipt; (ii) upon transmission with confirmed delivery, if sent by facsimile or telecopy; or (iii) when received after being sent by certified or registered mail, postage pre-paid, return receipt requested, to the following addresses, or such other addresses as may be furnished hereafter by notice in writing, to the following Parties:

Re: Senior Secured Super-Priority Debtor-in-Possession Credit Facility secured by
twenty properties (collectively, the "**Property**")

Gentlemen:

Solar Finance Inc. ("**Lender**") hereby issues this commitment (the "**Commitment**") to make the senior secured super-priority debtor-in possession credit facility described in that certain Summary of Indicative Terms and Conditions Proposed \$17,498,095.52 Senior Secured Super-Priority Debtor-in-Possession Credit Facility (the "**DIP Loan Term Sheet**") attached hereto as Exhibit A (the "**DIP Loan**") to Borrower. Lender hereby agrees to lend to Borrower the DIP Loan, upon the occurrence of the entry of the final order in the bankruptcy case of Borrower and its affiliates approving the DIP Loan, on the terms and subject to the conditions described in this Commitment and in the DIP Loan Term Sheet. This Commitment is expressly subject to (i) the conditions described herein and in the DIP Loan

Term Sheet, (ii) Lender receiving bankruptcy court approval in the Chapter 11 case of Lehman Commercial Paper Inc. to make the DIP Loan and (iii) Lender receiving the approval of the Official Committee of Unsecured Creditors in the Chapter 11 case of Lehman Commercial Paper Inc. to make the DIP Loan (which approval Lender will seek to obtain as soon as practicable).

In the event that the final order is not entered in the bankruptcy case of Borrower and its affiliates approving the DIP Loan on or before August 31, 2010, Lender's obligations under this Commitment and the DIP Loan Term Sheet shall automatically terminate.

Borrower acknowledges that this Commitment and the DIP Loan Term Sheet do not set forth all of the terms of the DIP Loan, but are intended as an outline of the major points of understanding between the parties that will be set forth in the final debtor-in-possession facility documentation, which must be reasonably acceptable to Lender and Borrower in all respects.

Lender's commitment hereunder with respect to the DIP Loan is subject to the negotiation, execution and delivery of definitive documentation with respect to the DIP Loan, which shall be consistent with the DIP Loan Term Sheet and shall be customary and appropriate for transactions of this type.

This Commitment, together with the attachments hereto, contains the entire agreement between Borrower and Lender, and any other agreements shall be deemed to have merged herewith. This Commitment is for the benefit only of the parties hereto and their respective affiliates and no third party shall have any interest herein or in the proceeds of the DIP Loan. This Commitment is not assignable by any party hereto to any other person, entity or corporation, without the written consent of the other parties hereto, provided, however, that Borrower and Lender agree that Lender shall have the right to assign this Commitment to an affiliate of Lender without Borrower's consent. The terms and provisions of this Commitment cannot be waived or modified except in writing and signed by Borrower and Lender. Except as otherwise expressly provided in this Commitment, whenever Lender's judgment or decision is required as to any matter, such judgment or decision of Lender shall be in Lender's reasonable discretion. Except for the provisions concerning fees and expenses, the terms of this Commitment shall not survive the closing of the DIP Loan. This Commitment may be executed in counterparts, each of which when executed and delivered shall be an original and together shall constitute one and the same instrument. This Commitment shall be governed and construed in accordance with the laws of the State of New York, without regard to principles of conflicts of laws. Each party hereto hereby submits to the exclusive jurisdiction of the courts of the State of New York for any legal action or proceeding resulting from the transaction contemplated herein. This Commitment has been negotiated, issued and accepted in New York City, New York. Each party hereto hereby waives its right to a trial by jury.

The Borrower may file this Commitment, including the DIP Loan Term Sheet with the US Bankruptcy Court pursuant to a motion seeking authority for it to enter into the definitive loan and security documentation with respect to the DIP Loan.

Summary of Indicative Terms and Conditions Proposed \$17,498,095.52 Senior Secured Super-Priority Debtor-in-Possession Credit Facility

(See attached)

Summary of Indicative Terms and Conditions
Proposed \$17,498,095.52 Senior Secured Super-Priority
Debtor-in-Possession Credit Facility (this “Term Sheet”)

This Term Sheet is not a commitment to provide the financing described below. This Term Sheet is not meant to be, and should not be construed as, a commitment by DIP Lender (defined below) or any of its affiliates to extend credit or enter into efforts in order to extend credit. Moreover, it does not attempt to describe all terms and conditions that would pertain to the DIP Facility (defined below), and its terms do not suggest the specific phrasing of documentation clauses.

The proposed terms and conditions summarized herein represent the conditions pursuant to which the DIP Lender proposes to enter into a \$17,498,095.52 Senior Secured Super-Priority Debtor-in-Possession Credit Facility (the “**DIP Facility**”) with the Borrower (defined below).

Reference is made to those certain mortgage loans in the original principal amount of \$250,000,000 (the “**Existing Loan**”) made by Lehman ALI Inc. to the Borrower (as defined below) and the Released Borrowers (as defined below) pursuant to a certain Loan Agreement dated as of June 29, 2007, among the Borrower, the Released Borrowers and Lehman ALI Inc. (as amended, the “**Existing Loan Agreement**”). The terms, covenants, conditions and provisions which are applicable as of the date of this Term Sheet to the Existing Loan are set forth in the Existing Loan Agreement and the other loan documents entered into in connection therewith. The collateral for the Existing Loan is referred to herein as the “**Pre-Petition Collateral**.” As of the date of this Term Sheet, Borrower (as defined below) is a party to the Existing Loan Agreement.

Borrower: Collectively, the borrowers set forth on the List of Borrowers attached hereto, which borrowers (individually and collectively, as the context may require, the “**Borrower**”) shall be jointly and severally liable for the obligations under the DIP Facility (as defined below).

Released Borrowers: Collectively, the borrowers set forth on the List of Released Borrowers attached hereto, which borrowers (collectively, the “**Released Borrowers**”) were previously released from their obligations under the Existing Loan Agreement in accordance with the terms and conditions of the Existing Loan Agreement.

DIP Facility: After entry of the Final Order, a term facility of up to \$17,498,095.52 allocated to 20 properties (the “**Lehman Properties**”) securing the Existing Loan (the “**DIP Facility**”) shall be extended to the Borrower pursuant to the terms and provisions of a DIP loan agreement (the “**DIP**”).

Loan Agreement). The loan funded by the DIP Lender under the DIP Facility is referred to herein as the “***DIP Loan***.”

Closing Date: The date of the effectiveness of the DIP Facility and the funding by the DIP Lender of the first advance under the DIP Facility to the Borrower.

DIP Lender: Solar Finance Inc.

Carve-Out: There shall be no carve-out of any nature whatsoever for professional fees or expenses of the Borrower or any estate professionals. Since the DIP Facility is intended to solely provide funds for the Marriott PIP Work, the Other Franchise PIP Work and the Cycle Renovations, the professional fees and expenses incurred by the Borrower and other estate professionals shall be dealt with in connection with the cash collateral order(s) entered by the Bankruptcy Court.

Fees: A Closing Fee of 0.5% of the amount committed in connection with the DIP Facility shall be paid by the Borrower to the DIP Lender on the closing date of the DIP Facility and shall be fully earned and non-refundable on such date.

The Borrower shall not incur or pay any success fee, transaction fee or financing fee of any kind or character in connection with or in respect of obtaining the issuance and/or funding of the DIP Facility (except for the Closing Fee and Commitment Fee).

A Commitment Fee equal to 1.0% of the amount committed in connection with the DIP Facility shall be paid by the Borrower to the DIP Lender on the closing date of the DIP Facility and shall be fully earned and non-refundable on such date.

The cash collateral order(s) approved by the Bankruptcy Court shall provide that the Closing Fee and the Commitment Fee shall be paid immediately upon the approval of the DIP Facility by the Bankruptcy Court and the closing of the DIP Facility.

Maturity Date: 360 days from the Closing Date.

Termination Date: The earliest to occur of: (a) acceleration by the DIP Lender of the obligations under the DIP Loan due to the occurrence

and continuation of an Event of Default with respect to the DIP Loan (i.e., which Event of Default has not otherwise been cured or waived in writing by the DIP Lender); (b) the acceleration of the obligations under any other debtor-in-possession financing provided to the Debtors due to the occurrence and continuation of an event of default under such financings; (c) the effective date of any plan in the bankruptcy proceeding that provides for payment in full in cash of all obligations owing under the DIP Facility or is otherwise acceptable to the DIP Lender; (d) the date that is the closing date of any sale of all or substantially all of any Borrower's assets that constitute collateral for the DIP Facility; (e) the entry of an order by the Bankruptcy Court granting relief from the automatic stay permitting foreclosure of any assets of any Borrower constituting collateral with respect to the DIP Facility in excess of \$1,000,000 in the aggregate (each, a "***Release from Stay***"); or (f) the entry of an order of dismissal or conversion of the Chapter 11 Cases with respect to all of the Borrowers with respect to the DIP Facility.

**Non-Default Interest Rate
and Payment Terms:**

Interest on the DIP Loan shall be paid monthly in arrears, accruing at a per annum floating rate equal to the sum of the 30-day LIBOR (subject to a floor of 2.0%) (LIBOR being defined and determined by DIP Lender in a manner as is customary for facilities similar to the DIP Facility) plus the applicable Spread (as defined below) (the "***Non-Default Interest Rate***"). All interest shall be computed on the basis of a 360-day year for the actual number of days elapsed. "***Spread***" means 5.00%.

Default Interest Rate:

Effective immediately upon the occurrence and applying during the continuance of any Event of Default (after giving effect to any applicable grace and cure periods with respect thereto), unless and until such Event of Default is waived in writing by the DIP Lender, interest shall accrue on the DIP Loan at a rate that is 3% per annum in excess of the applicable Non-Default Interest Rate.

Loan Payments:

All unpaid obligations, including, without limitation, principal and interest on the DIP Facility and any fees and expenses incurred thereon, shall be due and payable in full in cash on the earlier to occur of (i) the Maturity Date and (ii) the Termination Date.

Mandatory Prepayments:

Upon the receipt by (or on behalf of) any Borrower of insurance proceeds or a condemnation award in excess of \$25,000 following a casualty or condemnation event with respect to any assets of such Borrower constituting collateral for the DIP Facility (subject to the use thereof for restoration as is permitted in the DIP Loan Agreement), 100% of any net cash proceeds from such insurance shall be paid to the DIP Lender on the date that such net cash proceeds are received by or on behalf of such Borrower or such subsidiary in the following order of priority: *first*, to accrued and unpaid interest under the DIP Facility, *second*, to all other amounts then due to DIP Lender under the DIP Facility, and *third*, to outstanding principal under the DIP Facility until the DIP Facility is paid in full.

Use of Proceeds:

Proceeds of the DIP Facility shall be used solely for (1) the Marriott PIP Work in accordance with the PIP Budget, (2) the Other Franchise PIP Work in accordance with the PIP Budget and (3) the Cycle Renovations in accordance with the Cycle Renovations Budget and shall include the following payments: (a) amounts to pay the financing fees owed to the DIP Lender in accordance with the DIP Facility, (b) amounts up to a maximum principal amount of \$5,448,771.01 to fund post-petition Marriott PIP Work in accordance with the PIP Budget, (c) amounts up to a maximum principal amount of \$7,949,324.51 to fund post-petition Other Franchise PIP Work in accordance with the PIP Budget, and (d) amounts up to a maximum principal amount of \$4,100,000.00 to fund post-petition Cycle Renovations in accordance with the Cycle Renovations Budget.

Cash Management:

The Borrower shall use a segregated cash management system that segregates proceeds of the DIP Facility from cash generated by the Borrower without commingling cash collateral from any other affiliates and such cash management system must be acceptable to the DIP Lender. Additionally, (i) all funds advanced under the DIP Facility shall be held in a segregated disbursement account controlled by the DIP Lender (the “**Controlled Disbursement Account**”) and (ii) disbursements from the Controlled Disbursement Account for the Marriott PIP Work, the Other Franchise PIP Work and the Cycle Renovations shall be made in accordance with the disbursement provisions of the Existing Loan Agreement with regard to the disbursements from the Required Capital Improvements Account (as defined in the Existing Loan

Agreement). On the Closing Date, the DIP Lender shall advance \$5,448,771.01 to fund the post-petition Marriott PIP Work in accordance with the PIP Budget, which funds shall be held in the Controlled Disbursement Account. The DIP Lender shall make advances to fund (i) the post-petition Other Franchise PIP Work in accordance with the PIP Budget and (ii) the post-petition Cycle Renovations in accordance with the Cycle Renovations Budget provided that the following conditions with respect to each advance for the Other Franchise PIP Work and Cycle Renovations, respectively, under the DIP Facility have been satisfied: (a) no Event of Default shall have occurred, (b) all previous advances made by the DIP Lender with respect to the Other Franchise PIP Work or the Cycle Renovations, as applicable, shall have been fully disbursed to Borrower and Borrower shall have fully expended such amounts in accordance with the PIP Budget or the Cycle Renovations Budget, respectively, (c) Borrower shall have submitted a written request to the DIP Lender for such advance at least thirty (30) days prior to the date on which Borrower requests that such advance be funded to the Controlled Disbursement Account, which request shall set forth in reasonable detail the Other Franchise PIP Work or Cycle Renovations, as applicable, to be paid in accordance with the PIP Budget or the Cycle Renovations Budget, respectively, (d) the amount of the advance requested by Borrower pursuant to the Other Franchise PIP Budget or the Cycle Renovations Budget, as applicable, shall not exceed the remaining unfunded commitment by the DIP Lender under the DIP Facility with respect to the Other Franchise Work or the Cycle Renovations, respectively and (e) Borrower shall have otherwise satisfied all conditions necessary for funds to be disbursed from the Controlled Disbursement Account pursuant to the DIP Facility.

Priority Claim:

Amounts owed by the Borrower to the DIP Lender pursuant to the DIP Facility, including all accrued interest, fees, costs and expenses, shall constitute, in accordance with Section 364(c)(1) of the Bankruptcy Code, a super-priority administrative claim having priority over any or all administrative expenses of the kind specified in, among other sections, Sections 105, 326, 330, 331, 503(b), 506(c), 507(a), 507(b) and 726 of the Bankruptcy Code.

Collateral Security:

You hereby represent and covenant (and it shall be a condition to Five Mile's commitment hereunder and Five Mile's agreement to perform the services described herein) that (a) all information, other than forward-looking statements, third-party generated industry data and information of a general economic nature and the Projections (the "**Information**"), that has been or will be made available to Five Mile by or on behalf of you or any of your representatives is or will be, when furnished and taken as a whole, complete and correct in all material respects and does not or will not, when furnished, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made, and (b) the forward-looking statements and Projections that have been or will be made available to Five Mile by or on behalf of you or any of your representatives have been or will be prepared in good faith based upon assumptions that are reasonable at the time made (it being understood and agreed that such forward-looking statements and Projections are subject to significant uncertainties and contingencies, many of which are beyond your control, and that no assurance can be given that such forward-looking statements and Projections will be realized, and that the forward-looking statements and Projections are not a guarantee of financial performance and actual results may differ from such forward-looking statements and Projections and such differences may be material); provided, however, that nothing contained in this Section 4 shall (or shall be deemed to) amend or modify any provisions hereof or of the Term Sheet with respect to or relating to the PIP Budget, the PIP Work and/or the completion by the Borrowers of the PIP Work in accordance with the PIP Budget (including, without limitation, those set forth in the Term Sheet under the headings "Use of Proceeds," "Cash Management," "Audits and Appraisals," "Conditions Precedent," "Affirmative and Negative Covenants," "Events of Default," "Indemnification" and "Other Definitions"). You agree that if at any time prior to the closing of the DIP Facility, any of the representations in the preceding sentence would be incorrect if the Information, Projections or forward-looking statements were being furnished, and such representations were being made, at such time, then you will promptly supplement the Information, Projections or forward-looking statements so that such representations will be correct under those circumstances. In arranging and syndicating the DIP Facility, Five Mile and the other DIP Lenders will be entitled to use and rely primarily on the Information and the Projections without responsibility for independent verification thereof.

D. Cause Shown. Good cause has been shown for the entry of this Order. The Debtors do not have sufficient available sources of working capital and financing to carry on the operation of their businesses without use of Cash Collateral. Among other things, entry of this Order will minimize disruption of the Debtors’ businesses and operations and permit them to make payroll and other operating expenses, including, without limitation, to honor their obligations under their agreements with the management companies for their hotels, maintain business relationships with their vendors, and retain customer and vendor confidence by demonstrating an ability to maintain normal operations. The use of the Cash Collateral will, therefore, help preserve and maintain the going concern value of the Debtors and their estates, and will enhance the prospects for a successful reorganization of the Debtors under Chapter 11 of the Bankruptcy Code.

E. Notice. Notice of the Preliminary Hearing and the relief requested in the Motion has been given to: (i) the Office of the United States Trustee for the Southern District of New York (the “**U.S. Trustee**”); (ii) the entities listed on the Consolidated List of Creditors Holding the 50 Largest Unsecured Claims filed pursuant to Bankruptcy Rule 1007(d); (iii) counsel to each of the Fixed Rate Lender, Floating Rate Lender, Anaheim Lenders, Capmark Lenders and Merrill Lenders, to the extent known, and, as applicable, each of the lenders’ Representatives;

(iv) the Internal Revenue Service; (v) the Securities and Exchange Commission; (vi) the Debtors' Franchisors; (vii) the Office of the Attorney General in all of the states in which the Debtors operate; (viii) any applicable state public utilities commissions required to receive notice under the Bankruptcy Rules or Local Rules; and (viii) each of the Debtors' credit card processing companies. In view of the urgency of the relief requested, such notice of the Preliminary Hearing complies with sections 102(1) and 363 of the Bankruptcy Code, Bankruptcy Rules 2002 and 4001(b), and Local Bankruptcy Rule 4001-2.

F. Fair and Reasonable. Based on the record presented to the Court at the Preliminary Hearing and the consent of the Representative for each Tranche of Debt, the terms of the Debtors' use of the Cash Collateral appear to be fair and reasonable, and to reflect the Debtors' and their respective managers' and directors' exercise of prudent business judgment consistent with their fiduciary duties.

G. Rule 4001. The Debtors have requested immediate entry of this Order pursuant to Bankruptcy Rule 4001(b)(2). The permission granted herein to use the Cash Collateral is necessary to avoid immediate and irreparable harm to the Debtors. This Court concludes that entry of this Order is in the best interest of the Debtors' estates and creditors.

Based upon the foregoing findings and conclusions, and upon the record made before this Court at the Preliminary Hearing, and good and sufficient cause appearing therefor;

IT IS HEREBY ORDERED that:

1. Motion Disposition. The Motion is GRANTED in its entirety on an interim basis. All objections to the relief sought herein or the entry of this Order that have not been withdrawn or resolved are overruled on their merits.

2. Effect. Notwithstanding any provision of the Bankruptcy Code or the Bankruptcy Rules to the contrary, this Order shall take effect immediately upon entry *nunc pro tunc* to the Petition Date and shall remain in effect as to all of the Debtors until the occurrence and continuation of a Termination Event (as defined below) at which point the effectiveness of this Order shall terminate only as to the Cash Collateral of the relevant Debtors as to whom such Termination Event applies (such period being referred the “**Cash Collateral Period**”). The Debtors expressly reserve their rights to seek continued use of Cash Collateral after the expiration of the Cash Collateral Period on the terms set forth herein or on modified terms. The termination of the Cash Collateral Period for any Debtor or group of Debtors shall not serve, in and of itself, as a termination of the Cash Collateral Period for any other Debtor.

3. Modifications. If any or all of the provisions of this Order are hereafter modified, vacated, reversed, or stayed by an order of the Court or another court, such stay, modification, reversal, or vacation shall not affect the validity, perfection, priority, allowability, or enforceability of any lien, security interest, claims, priority, payments, or protection authorized for the benefit of any of the Adequate Protection Parties hereunder that is granted or attaches prior to the effective date of such stay, modification, reversal, or vacation, and any use of the Cash Collateral by the Debtors pursuant to this Order prior to the effective date of such modification, stay, reversal, or vacation shall be governed in all respects by the original provisions of this Order.

4. No Prejudice. This Order is without prejudice (i) to the rights of each of the Fixed Rate Representative, the Floating Rate Lender, the Anaheim Lender, the Capmark Million Valley Lender, the Capmark Garden Grove Lender, the Capmark Ontario Lender, the Merrill Washington D.C. Lender, the Merrill Tysons Corner Lender, and the Merrill San Antonio Lender (each, a “**Representative**”) at any time to seek a modification of this Order, or a different cash

collateral order, including a request for additional or other adequate protection or the termination of the applicable Debtor's right to use Cash Collateral, after notice and hearing, including a hearing noticed on an emergency basis; and (ii) to the rights of the Debtors at any time to seek modification and/or extension of the Order, including an increased use of Cash Collateral and a modification of adequate protection, or a different order, after notice and hearing, including a hearing noticed on an emergency basis.

5. Use of Cash Collateral. Each Debtor is hereby authorized to use Cash Collateral during such applicable Debtor's Cash Collateral Period, in accordance with, and subject to the conditions and limitations set forth in, this Order and in the Cash Management Motion and related order. In addition, the Floating Rate Debtors are hereby authorized and directed to, and shall, use Cash Collateral of the Floating Rate Lender to pay any commitment and closing fees under the Floating Rate PIP DIP (as defined below) on the closing date thereof and to the extent approved by an order of the Court, to the extent such approval is required.

6. Adequate Protection for Use of Cash Collateral. As adequate protection for, and to the extent of, any diminution in the value of any Adequate Protection Party's interest in the Prepetition Collateral securing obligations owing to it during the Cash Collateral Period resulting from (x) the use of its Cash Collateral pursuant to section 363(c) of the Bankruptcy Code, (y) the use, sale, lease, or other diminution in value of its Prepetition Collateral (other than the Cash Collateral) pursuant to section 363(c) of the Bankruptcy Code, or (z) the imposition of the automatic stay pursuant to section 362(a) of the Bankruptcy Code (collectively, the "**Adequate Protection Obligations**"), and effective as of the Petition Date, without the necessity of the execution by the Debtors of mortgages, security agreements, pledge agreements, financing statements, or otherwise:

a. Representatives' Expense Reimbursement.

- (i) The Debtors shall pay or reimburse, subject to the provisions set forth in paragraph 6(f) hereof, following submission of reasonably detailed invoices or statements (redacted as may be necessary to preserve privilege), the reasonable, documented out-of-pocket fees and expenses of attorneys and other professional advisors retained by the Representatives in connection with matters relating to this Order and to the obligations hereunder, and the plan support agreement among the Floating Rate Lender and the Floating Rate Debtors. The foregoing obligations shall be referred to herein as the “**Representatives’ Expense Reimbursement**”.
- (ii) Each professional referred to in paragraph 6(a)(i) hereof, shall submit copies of its professional fee invoices or statements, to respective counsel to the applicable Debtor, the U.S. Trustee, and any official committee appointed in the Chapter 11 Cases (each, a “**Committee**”). Such invoices may be redacted only to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential or proprietary information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine. The Debtors, the U.S. Trustee, and any Committee may object to the reasonableness of the fees and expenses included in any such professional fee invoices. If an objection to a professional’s invoice is filed and served on such professional within 10 days from the date of receipt by such objecting party of the relevant invoice, the Debtors only shall be required to pay the undisputed amount of the applicable invoice, if any, and any such objection shall be resolved by the agreement of the objecting party, the Debtors, and the affected professional or by the Court, with the payment, if any, of the disputed amount only occurring after such resolution. For the avoidance of doubt, professionals retained by the Representatives shall not be required to file any interim or final fee applications or summaries of fees with respect thereto in connection with the Representatives’ Expense Reimbursement provided for herein.

b. Adequate Protection Liens.

- (i) To the extent of any Adequate Protection Obligations arising under any Tranche of Debt, the applicable Adequate Protection Party shall receive, and hereby is granted, a perfected replacement lien and security interest in and valid, binding, enforceable and perfected liens (the “**Adequate Protection Liens**”) on all of the applicable Debtor’s rights in, to, and under all present and after-acquired property and assets of the like-kind or type that would constitute Prepetition Collateral of such Adequate Protection Party in accordance with the applicable Loan Documents of any nature whatsoever whether real or personal, tangible or intangible, wherever located, including, without limitation, all cash and Cash Collateral and any investment of such cash and Cash Collateral, goods, cash-in-advance deposits, contracts, causes of action, general intangibles, accounts receivable, and other rights to payment, whether arising before or

after the Petition Date, chattel paper, documents, instruments, interests in leaseholds, real properties, plants, machinery, equipment, patents, copyrights, trademarks, trade names or other intellectual property, licenses, insurance proceeds, and tort claims, and any and all of the proceeds, products, offspring, rents and profits thereof, rights under letters of credit, capital stock and other equity or ownership interests held by the Debtors, including equity interests in subsidiaries and all other investment property, and the proceeds of all of the foregoing (all such property, other than the Prepetition Collateral in existence immediately prior to the Petition Date, being collectively referred to as, the “**Postpetition Collateral**”), which liens and security interests shall be subject only to (A) the Carve Out, (B) liens granted in respect of Permitted DIPs (as defined below), and (C) all valid, enforceable and non-avoidable liens and security interests in the applicable Prepetition Collateral that were perfected prior to the Petition Date (or perfected thereafter to the extent permitted by section 546(c) of the Bankruptcy Code), which are not subject to avoidance, disallowance, or subordination pursuant to the Bankruptcy Code or applicable non-bankruptcy law and which are senior to the applicable Adequate Protection Party’s liens in such Prepetition Collateral as of the Petition Date (the “**Prior Liens**”). The Postpetition Collateral in favor of any Adequate Protection Party shall not include any claims and causes of action under section 544, 545, 547, 548, 549, or 550 of the Bankruptcy Code (collectively, the “**Avoidance Actions**”), but shall include the proceeds of Avoidance Actions recovered by the applicable Debtor to the extent the Court includes such provision in the Final Order, subject to the limitations set forth herein or in the Final Order. To the extent applicable, all Adequate Protection Liens shall be subject to terms and conditions of any intercreditor agreements. For the avoidance of doubt, such Adequate Protection Liens granted hereunder shall be deemed to be effective and perfected as of the Petition Date and without the necessity of the execution by the Debtors of mortgages, security agreements, pledge agreements, financing statements, or other agreements.

- (ii) The Adequate Protection Liens shall be enforceable against the applicable Debtors, their estates and any successors thereto, including, without limitation, any trustee or other estate representative appointed in the Chapter 11 Cases, or any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the “**Successor Cases**”).
- (iii) The Adequate Protection Liens shall be deemed legal, valid, binding, enforceable, and perfected liens, not subject to subordination, impairment, or avoidance, for all purposes in the Chapter 11 Cases and any Successor Cases or upon the dismissal of any of the Chapter 11 Cases or Successor Cases.

c. Adequate Protection 507(b) Claims. As further adequate protection for any Adequate Protection Obligations, the applicable Adequate Protection Party shall have an administrative expense claim against the Debtors with obligations arising under the applicable Tranche of Debt under section 507(b) of the Bankruptcy Code with priority over all other administrative expense claims and unsecured claims against such Debtors, now existing or hereafter arising, of any kind whatsoever (collectively, the “**507(b) Claims**”), subject in each case to the Carve Out, and to any superpriority claim in favor of Permitted DIPs.

d. Reporting.

(i) The Debtors have delivered to the Representatives a 13-week forecast of cash receipts and disbursements (a “**13-Week Forecast**”), a copy of which is attached hereto as Schedule 10. The Debtors shall deliver to the Representatives: (A) except as provided in clause (C), below, on the first day of each calendar month (unless such day is not a business day in which case the required delivery date shall be the next succeeding business day) a revised 13-Week Forecast for the 13-week period from the last Saturday of the prior calendar month (each such revised forecast, for the period of its applicability, to be referred to herein as the “**Forecast**”); (B) except as provided in clause (C) below, on the last day of each calendar month (unless such day is not a business day in which case the required delivery date shall be the next succeeding business day), a report showing in reasonable detail a comparison of actual receipts and disbursements for the period from the date of the last such report through and including the last Saturday of the prior calendar month against the receipts and disbursements projected in the Forecast for such period (the “**Variance Report**”); and (C) with respect to the first Forecast and Variance Report following the Petition Date, (1) the Forecast shall be due on the first day of the calendar month (unless such day is not a business day in which case the required delivery date shall be the next succeeding business day), that is at least 30 days from the Petition Date, and (2) the Variance Report shall be delivered on the last day of the calendar month (unless such day is not a business day in which case the required delivery date shall be the next succeeding business day), that is at least 60 days from the Petition Date, and shall set forth the required comparison from the Petition Date through the last Saturday of the calendar month that is at least 30 days prior to the date when such report is required to be delivered.

(ii) The Debtors also shall provide to each Representative month-end profit and loss statements for each individual hotel property (not consolidated by Tranche of Debt) within 30 days of the end of the month (or, if the 30th day is not a business day, the next succeeding business day), which shall include year-to-year results, comparisons with same period in the immediately preceding year, and key operating metrics consisting of occupancy, so-called ADR and so-called REVPAR. The

Debtors also shall provide on a monthly basis, at the same time as they provide the month-end statements referred to in the first sentence of this paragraph (ii), the so-called STR report for each property.

- e. Cumulative Forecast Variance. Until the entry of the Final Order, the Debtors agree that (x) during each 4-week cumulative period as tested from the last Sunday of such period, the Debtors shall not use Cash Collateral to the extent such use would exceed, for such period, 110% of cash disbursements (excluding those disbursements on account of Professional Fees and any Representatives' Expense Reimbursement) contemplated to be made by such Debtors during such 4-week period in the applicable Forecast, and (y) during each 13-week cumulative period as tested from the last Sunday of such period, the Debtors shall not use Cash Collateral to the extent such use would exceed, for such cumulative period, 106.5% of cash disbursements (excluding those disbursements on account of Professional Fees and any Representatives' Expense Reimbursement) contemplated to be made by such Debtors during such 13-week cumulative period in the applicable Forecast. To the extent that there is a variance, positive or negative (expressed as a percentage), of receipts in any one month period as compared to the receipts for the same period forecasted in the applicable Forecast with respect to any Hotel Operating Expense (as defined below), then the variance from budget permitted pursuant to the preceding sentence on account of such Hotel Operating Expense shall be adjusted by such percentage. **"Hotel Operating Expense"** means any of the following line items listed on the applicable Forecast: (i) payroll and related; (ii) franchise taxes; (iii) utility costs; (iv) third party management and related fees; (v) all other expenses; and (vi) occupancy/sales tax.
- f. Cash Use Covenant; True-Ups. (i) In the ordinary course of operations and consistent with practices in place prior to the Petition Date, the Debtors shall consolidate all cash in a master account owned by one or more Debtors.³ Such consolidated cash shall be applied as follows:
- 1) first, given the timing of cash receipts versus certain disbursements, to establish or increase, as the case may be, an expense reserve in amounts and at times reasonably determined by the Debtors for the purpose of ensuring sufficient cash on-hand to pay accrued expenses of the type contemplated by an applicable Forecast but which expenses are expected to become payable during a period other than the period when cash in excess of then-payable expenses has been generated, in an amount at any time outstanding not to exceed \$2,000,000;

³ For the avoidance of doubt, nothing contained in this Order shall constitute a substantive consolidation of the Debtors' estates.

- 2) second, to the extent of any excess, to pay property level costs and expenses of the hotels and the Operating Lessees;
 - 3) third, to the extent of any excess, to pay corporate overhead charges and expenses of Innkeepers USA Trust and the other Debtors;
 - 4) fourth, to the extent of any excess, to pay any Professional Fees (to the extent permitted by the Court to be paid at such time), as well as the Representatives' Expense Reimbursement;
 - 5) fifth, to the extent of any excess, to pay amounts then owing on account of any Permitted DIPs to the extent then payable, but only to the extent such fees and expenses are not payable from the proceeds of such Permitted DIPs; and
 - 6) sixth, to the extent of any excess, to repay any intercompany loans incurred pursuant to or as a result of the provisions set forth in Paragraph 6(f)(v).
- (ii) The Debtors shall provide to each Representative a so-called "flash report" commencing in August, 2010, (x) on the 15th of each calendar month (or, if such day is not a business day, then on the next succeeding business day), detailing cash disbursements for the Debtors for the period from the 16th through and including the last day of the immediately prior month (except for the report due on August 15, 2010, only for the period from the Petition Date through and including July 31, 2010), and (y) on the 30th of each calendar month (or, if such day is not a business day, then on the next succeeding business day), detailing cash disbursements for the Debtors for the period from the first day through and including the 15th day of such month, and, in each case, including information, to the extent then determined by the Debtors, their anticipated allocation of all or any portion of the cash disbursements made during such period, on a Tranche of Debt by Tranche of Debt basis, and the approximated amount of cash disbursements not yet allocated (it being understood that the Debtors' proposed allocation shall not constitute the Debtors' final allocation (which shall only be included in an Application Report (as defined below), but only their good faith application based upon information then available to the Debtors). At any time following the Debtors' delivery of any flash report, any Representative may, following a reasonable request, seek from the Debtors reasonable information in order to determine, based upon a sampling of such information, the basis for certain of the Debtors' proposed allocations (it being understood that such requests, if any, relative to the information contained in flash reports only, shall not be reasonable to the extent they seek from the Debtors all or substantially all of the Debtors' invoices and similar information used in determining the proposed allocation)

- (iii) Within 45 days (or, if the 45th day is not a business day, the next succeeding business day) after the end of each calendar month, the Debtors shall provide to each Representative a report for such month, on a Tranche of Debt by Tranche of Debt basis, as to the application of the cash in accordance with the waterfall set forth in paragraph 6(f)(i) hereof (the “**Application Report**”), with such Application Report to be based upon (x) the Cash Collateral generated by the applicable Debtors within a Tranche of Debt, plus or minus, as the case may be, the amount deemed loaned or borrowed, as applicable, by the applicable Debtors (to the extent set forth in paragraph 6(f)(iv) hereof), (y) in the case of all of the waterfall items other than “third” and, with respect to Professional Fees, “fourth”, in accordance with the amounts actually applicable to the applicable Debtors, and (z) in the case of waterfall items “third” and, with respect to Professional Fees, “fourth”, in accordance with the Allocation Percentages (as defined below). Amounts actually applied in accordance with the waterfall set forth in paragraph 6(f)(i) hereof shall be deemed to have been applied for the benefit of the Debtors within a Tranche of Debt in accordance with the Application Report. Each Representative shall have the right to audit and challenge any Application Report upon the serving of notice of such challenge (a “**Challenge Notice**”) (within 10 days following receipt of such report) on the Debtors, counsel for the Debtors, and counsel for any Committee and the other Representatives. Any such Challenge Notice shall be reasonably detailed as to the nature and basis for the challenge. Promptly following receipt of a Challenge Notice, the parties shall endeavor in good faith to resolve any disputes and, failing a resolution, shall have the right to apply to the Court for resolution after no less than 15 days after the service of a Challenge Notice. Upon a resolution, a revised Application Report (if any) shall be distributed to the Representatives (and, for the avoidance of doubt, such revised report shall not be subject to a challenge period).
- (iv) If the Application Report demonstrates that the Cash Collateral generated by the Debtors within a Tranche of Debt exceeded the amount of cash deemed to have been applied in accordance with the waterfall set forth in paragraph 6(f)(i) hereof, then such excess amount shall be paid to the applicable Representatives for the benefit of the applicable Adequate Protection Parties on account of the financial obligations within the applicable Tranche of Debt consisting of interest and principal owing to the applicable Adequate Protection Parties under the applicable Loan Documents.
- (v) If the Application Report demonstrates that the Cash Collateral generated by the Debtors (in such case, the “**Borrower Debtors**”) within a Tranche of Debt was less than the amount of cash deemed to have been applied in accordance with the waterfall set forth in paragraph 6(f)(i) hereof, then such shortfall amount shall be deemed to be a loan from one or more Debtors (the “**Lender Debtors**”), in the amount as may be set forth in the Application Report, to the Borrower Debtors, and such loan

shall be, and is hereby, secured on a super-priority basis in accordance with sections 364(c)(2) and (d) of the Bankruptcy Code by senior secured and priming liens on and security interests in all the Borrower Debtors' property, and the obligations of the Borrower Debtors to pay such shortfall amounts shall constitute, in accordance with section 364(c)(1) of the Bankruptcy Code, a super-priority administrative expense claim having priority over any or all administrative expenses of the kind specified in, among other sections, sections 105, 326, 330, 331, 503(b), 506(c), 507(a) and 726 of the Bankruptcy Code; provided, however, that (A) such loans shall be allocated, in accordance with the Allocation Percentage, among the Debtors without a shortfall, and (B) all interest, liens, and claims on account of such loans shall be junior in right of payment only to all interests, liens and claims of Permitted DIPs and the Carve Out.

(vi) Notwithstanding anything to the contrary set forth in an Application Report, or otherwise in this Order, all payments to a Representative or an Adequate Protection Party will be made by the Debtors, and, to the extent accepted by an Adequate Protection Party, accepted, subject to recharacterization, refund, disgorgement, or other treatment as may be necessary to give effect to the Application Report at such time, or otherwise, and as may be determined by the Court, and all parties reserve their rights with respect thereto.

(vii) The term “**Allocation Percentages**” shall mean the percentage determined by multiplying (x) earnings before interest, taxes, depreciation, and amortization (“**EBITDA**”) earned in connection with each Tranche of Debt (or, in the case of intercompany loans, with respect to each Tranche of Debt deemed a lender) that as a percentage of total EBITDA for such period by (y) the total amount of corporate overhead charges and expenses of Innkeepers USA Trust and the other Debtors, as well as Professional Fees (to the extent permitted by the Court to be paid at such time) paid during such time.

g. Right to Inspect and Audit. In accordance with the applicable Loan Documents, the Debtors shall permit each Representative (through its officers, senior employees, or agents, including but not limited to professionals retained in connection with these cases) to inspect the applicable Prepetition Collateral during business hours upon reasonable advance notice. In addition, the Debtors shall allow each Representative to periodically inspect and audit the books, records and account statements of the applicable Debtors in order to confirm the applicable Debtors' compliance with this Order and any budget approved in connection with a Permitted DIP.

h. Right to Credit Bid. The Adequate Protection Parties shall have the right to credit bid their claims to the fullest extent permitted by law in connection with any sale, auction or other disposition of the applicable Prepetition Collateral pursuant to 11 U.S.C. § 363(k).

Notwithstanding anything herein to the contrary, no Adequate Protection Party shall be entitled to adequate protection (and no Adequate Protection Obligations shall arise) with respect to any diminution in value of such Adequate Protection Party's interest in its Prepetition Collateral resulting from any successful Avoidance Action against, or Avoidance Action proceeds recovered from, such Adequate Protection Party, or from or as a result of the payment of any costs, fees or expenses included as part of adequate protection hereunder.

7. Carve Out. (a) As used in this Order, "**Carve Out**" means: (i) unpaid fees of the Clerk of the Court and the U.S. Trustee pursuant to 28 U.S.C. § 1930(a); (ii) in the event of a conversion of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code, fees and expenses incurred by any trustee and any professionals retained by such trustee, in an aggregate amount not exceeding \$75,000; (iii) to the extent allowed at any time, whether by interim order, procedural order or otherwise, all unpaid fees and expenses (the "**Professional Fees**"), incurred by persons or firms retained by the Debtors pursuant to section 327, 328 or 363 of the Bankruptcy Code and any Committee appointed pursuant to section 1103 of the Bankruptcy Code (the "**Professional Persons**"), at any time before or on the first business day following delivery of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and (iv) after the first business day following delivery of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order or otherwise, the payment of Professional Fees of Professional Persons in an aggregate amount not to exceed \$5,500,000. The Carve Out shall be senior to the Replacement Liens, the 507(b) Claims, and any other adequate protection, liens or claims securing the obligations arising under or in connection with the Loan Documents. For purposes of calculating the amount of Professional Fees permitted to be paid to a Professional Person as

part of the Carve Out under subsection (iv) of this paragraph 7, such amount shall be net of all prepetition retainers held by such Professional Person.

(b) As used herein, “**Carve Out Trigger Notice**” means a Termination Notice (as defined below) delivered by a Representative on any business day (or, if such day of delivery is not a business day, the next succeeding business day), which notice has been preceded by Termination Notices delivered in connection with each Tranche of Debt, and, as a result of the most recently delivered Termination Notice, all Tranches of Debt shall have become subject to continuing Termination Events.

(c) For the avoidance of doubt, the obligation to pay Professional Fees shall be allocated as among the Debtors in accordance with the Allocation Percentage.

8. Modification of Automatic Stay. The automatic stay under section 362(a) of the Bankruptcy Code is hereby modified as necessary to effectuate all of the terms and provision of this Order, including, without limitation, to: (a) permit the Debtors to grant the Adequate Protection Liens and the 507(b) Claims; (b) permit the Debtors and the Adequate Protection Parties to perform such acts as the Adequate Protection Parties may reasonably request the applicable Debtors to take to assure the perfection and priority of the liens granted herein; and (c) authorize the applicable Debtors to make, and the applicable Adequate Protection Parties to receive and retain in accordance with the terms of the applicable Loan Documents, payments on account of fees and expenses in accordance with the terms of this Order; provided, however, any stay relief with respect to the exercise of remedies shall be in accordance with paragraph 11 below or as otherwise ordered by the Court.

9. Perfection of Adequate Protection Liens. This Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the Adequate Protection Liens,

without the necessity of filing or recording any mortgage, deed of trust, financing statement, or other instrument or document that may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement) to validate or perfect (in accordance with applicable non-bankruptcy law) the Adequate Protection Liens, or to entitle the Adequate Protection Parties to the priorities granted herein. The applicable Debtors are authorized to execute and deliver promptly to the applicable Adequate Protection Parties or their Representative, as applicable, all such financing statements, mortgages, deeds of trust, notices, and other documents as the applicable Adequate Protection Party may reasonably request. Each of the Adequate Protection Parties or their Representative, as applicable, may file a photocopy of this Order as a financing statement, mortgage, deed of trust, notice of lien or similar instrument evidencing the liens and security interests provided for herein, with any filing or recording office or with any registry of deeds or similar office, in addition to or in lieu of such financing statement, mortgage, deed of trust, notice of lien, or similar instrument.

10. Termination Events. (a) The rights of the Debtors under a Tranche of Debt (but not the rights of any Debtors under any other Tranche of Debt) to use Cash Collateral relating to such Tranche of Debt shall terminate upon the business day immediately following written notice (a “**Termination Notice**”) delivered to (i) the applicable Debtors, (ii) counsel to the Debtors, (iii) the U.S. Trustee, (iv) counsel to each Committee, and (v) counsel to each Representative, indicating that one of the events listed below has occurred and is continuing with respect to such applicable Debtors (each, a “**Termination Event**”):

- i. This Order shall (I) not have become a final order within 45 days of the Petition Date or (II) prior to becoming a final order or otherwise replaced or superseded, at any time cease to be in full force and effect, or shall have been vacated, reversed or stayed, or modified or amended in a manner that

is materially adverse to the applicable Adequate Protection Party (taken as a whole) without such party's (or its Representative's) consent;

- ii. The Debtors under such Tranche of Debt shall fail to timely make payments required to be made by them pursuant to the terms of this Order within five (5) business days from when such payment is due;
- iii. The Debtors under such Tranche of Debt shall breach any of the covenants or agreements contained in this Order (other than a payment obligation) applicable to them and such breach shall continue unremedied for more than ten (10) business days following notice of such breach;
- iv. The Debtors shall make any misrepresentation of a fact that is materially adverse to the Debtors (taken as a whole) to any of the Representatives or their agents about the financial conditions of the Debtors, the nature, extent, or location of the applicable Prepetition Collateral, or the disposition or use of any of the Postpetition Collateral, including the Cash Collateral;
- v. The Debtors under such Tranche of Debt shall permit any superpriority claim (other than the Carve Out) or shall grant any other lien or security interest (including any other adequate protection lien), that in either case is senior or equal to the claims and liens (including the adequate protection claims and liens) of the applicable Adequate Protection Party, except superpriority claims and liens senior to the Adequate Protection Liens and 507(b) Claim relating to one or more debtor-in-possession financing facilities approved by the Court and provided to some or all of the Debtors (the "**Permitted DIPs**"); provided, however, that with respect to the Fixed Rate Debtors, a Permitted DIP shall only mean that certain debtor in possession financing arrangement provided by Five Mile Capital Partners LLC, and its successors and assigns, approved solely for the purposes set forth therein (the "**Fixed Rate PIP DIP**"), and shall mean no other debtor in possession financing arrangement; provided, further, that, with respect to the Floating Rate Debtors, a Permitted DIP shall only mean that certain debtor-in-possession financing arrangement provided by Lehman ALI Inc. - vi. Any lien or security interest granted or created under the applicable Loan Documents shall be asserted by any Debtor not to be a valid and perfected lien on or security interest in any of the applicable Postpetition Collateral, with the priority required by the applicable Loan Documents; provided, however, that the immediate foregoing shall not apply with respect to any liens granted under the Permitted DIPs;
- vii. Other than payments authorized by the Court and that are (I) approved by the Representative of such Tranche of Debt, (II) in respect of accrued

payroll and related expenses as of the Petition Date, (III) in respect of general unsecured creditors, in each case to the extent authorized by one or more “first day” orders or other orders of the Court (including this Order) to the extent previously provided to the applicable Representative, or (IV) on account of Professional Fees, the Debtors under such Tranche of Debt shall make any payment (whether by way of adequate protection or otherwise) of principal or interest or otherwise on account of any prepetition indebtedness or payables (including without limitation, reclamation claims);

- viii. Lender Debtors under such Tranche of Debt have caused to be loaned to Borrower Debtors an aggregate amount of more than \$2,000,000 at any one time outstanding.

- x. With respect to such Tranche of Debt, the Court shall enter an order granting relief from the automatic stay to the holder or holders of any security interest to permit foreclosure (or the granting of a deed in lieu of foreclosure or the like) on a hotel constituting Prepetition Collateral and such order shall not be subject to timely appeal;
- xi. There shall have occurred and be continuing one or more events of default under the Fixed Rate PIP DIP or the Floating Rate PIP DIP that, individually or in the aggregate, cause or permit the lenders thereunder to cause, the obligations under the Fixed Rate PIP DIP or the Floating Rate PIP DIP, as the case may be, to become immediately due and payable;
- xii. The Debtors under such Tranche of Debt shall use Cash Collateral arising under such tranche for a purpose not permitted hereunder unless such non-permitted use was inadvertent, and was not in an amount in excess of \$25,000; provided, that, notwithstanding the immediate foregoing, the use of Cash Collateral not permitted hereunder occurring more than five (5) times shall constitute a Termination Event unless such amounts have been repaid or reallocated, as the case may be;
- xiii. The Bankruptcy Court shall enter an order granting relief from the automatic stay to permit any exercise of remedies by the lenders or special servicer under a Tranche of Debt other than limited relief solely to permit the delivery of default notices under the terms of the applicable Loan Documents;

trustee or an examiner with expanded powers pursuant to section 1104 of the Bankruptcy Code in any of the Chapter 11 Cases; or

- xv.  - xvi. There shall have occurred, after the entry of this Order, (i) a change that has a material adverse effect on the use, value or condition of the Debtors, their assets or the legal or financial status or business operations, in each case taken as a whole, or (ii) a material disruption or material adverse change in the financial, real estate, banking or capital markets; or
 - xvii. For the benefit of the Floating Rate Lenders only, and not for the benefit of any other Adequate Protection Party, prior to the entry of the Final Order, the Floating Rate Debtors breach any of their material obligations arising in connection with the proposed restructuring of the Floating Rate Obligations; provided, however, that the Floating Rate Lenders shall have given three (3) business days' prior written notice setting forth in reasonable detail such material breach; provided, further, that any such notice shall not violate or be deemed to violate the automatic stay in the Debtors' Chapter 11 Cases.
- (b) Notwithstanding anything to the contrary herein, no Termination Event with respect to the Debtors under a Tranche of Debt shall be deemed to constitute a Termination Event with respect to the Debtors under any other Tranche of Debt.

11. Rights and Remedies Upon Termination Event. (a) Immediately upon the occurrence and during the continuation of a Termination Event with respect to a Tranche of Debt, unless waived by a writing signed by the applicable Adequate Protection Party (or its Representative), the applicable Adequate Protection Parties (or their Representative, as applicable) may declare a termination, reduction, or restriction of the ability of the applicable Debtors to use Cash Collateral on the consensual basis provided in this Order, except for the use of Cash Collateral provided in clause (b) of this paragraph 11 (any such declaration, shall be

referred to herein as a “**Termination Declaration**”). The Termination Declaration shall be given by facsimile (or other electronic means) to lead counsel to the Debtors, counsel to each Committee, and the U.S. Trustee (the earliest date any such Termination Declaration is made shall be referred to herein as the “**Termination Declaration Date**”). On the Termination Declaration Date, the applicable Debtors’ right to use Cash Collateral on the basis provided in this Order shall automatically cease, except as provided in clause (b) of this paragraph 11. During the five (5) business days after the Termination Declaration Date (the “**Remedies Notice Period**”), the applicable Debtors and/or a Committee shall be entitled to seek an emergency hearing with the Court seeking a determination of whether a Termination Event has occurred and/or any other appropriate relief related to continued use of Cash Collateral on a non-consensual basis, with the rights and objections of all relevant parties reserved with respect thereto. Unless the Court determines otherwise during the Remedies Notice Period, after the Remedies Notice Period, the applicable Debtors shall no longer have the right to use Cash Collateral.

(b) The applicable Debtors may continue to use Cash Collateral (i) for the payment of any unpaid postpetition administrative expenses so long as such expenses were actually incurred prior to the last day of the Remedies Notice Period, (ii) to meet payroll obligations and to pay expenses critical and immediately necessary to the preservation of the applicable Debtors and their estates incurred during the Remedies Notice Period, and (iii) to satisfy any payment obligation senior to the obligations owed to the Adequate Protection Parties (including Professional Fees but, with respect to such fees, to the extent of the Carve Out).

12. Limitations on Cash Collateral and the Carve Out. The Cash Collateral under an applicable Tranche of Debt and Professional Fees payable from such Cash Collateral may not be

used (without the prior written consent of the applicable Representative): (a) in connection with, or to finance in any way, any action, suit, arbitration, proceeding, application, motion, or other litigation of any type (or the preparation of any such action, suit, arbitration, proceeding, application, motion, or other litigation) (i) against the applicable Adequate Protection Parties seeking relief that would (A) assert, commence, or prosecute any Avoidance Actions against the applicable Adequate Protection Parties, (B) permit the applicable Debtors to prepare or prosecute an objection to, contest in any manner, or raise any defense to, the validity, extent, amount (other than entitlement to postpetition interest), perfection, priority, or enforceability of any of the rights and obligations of the applicable Adequate Protection Parties, or (C) permit the Debtors to pay for any services rendered by the professionals retained by the Debtors in connection with the assertion of or joinder in any claim, counterclaim, action, proceeding, application, motion, objection, defense, or other contested matter, the purpose of which is to seek, or the result of which would be to obtain, any order, judgment, determination, declaration, or similar relief that would otherwise be prohibited pursuant to this paragraph 12, or (ii) invalidating, setting aside, avoiding, or subordinating, in whole or in part, the applicable Loan Documents or any payments made thereunder; (b) to sell, lease, transfer, or otherwise dispose of Collateral without the prior written consent of the applicable Adequate Protection Parties unless in the ordinary course of business, contemplated by the Forecast, or otherwise ordered by the Court; or (c) to pay pre-Petition Date indebtedness unless ordered by the Court. Notwithstanding the foregoing, the Cash Collateral and the Carve Out may be used by any Committee to investigate the Loan Obligations and the Prepetition Collateral and/or a potential Challenge (as defined below); provided that no more than \$150,000 in the aggregate may be spent from Cash Collateral on such investigations.

13. Challenge to Prepetition Claims. Upon entry of this Order and subject to the Challenge, (i) the Loan Obligations of the Adequate Protection Parties shall constitute secured

claims against the applicable Debtors and, together with any payments on account thereof, shall not be subject to subordination, avoidance, or objection by the Debtors or any party as to validity, enforceability, priority, or avoidability of the security for such claims and payments made on account thereof, and (ii) the liens and security interests of the Adequate Protection Parties shall be deemed to be valid, perfected, enforceable, and not subject to avoidance, subordination, or objection by the Debtors or any party as to validity, enforceability, or priority. Notwithstanding the foregoing, such determination of the validity, perfection, enforceability, and unavailability of such liens and security interests, and any payments made on account thereof, is without prejudice to the rights of any Committee to investigate and challenge any such liens or security interests of the Adequate Protection Parties, or to assert any other claims or causes of action, at law or in equity against any of the Adequate Protection Parties (a “**Challenge**”); provided, that any such Challenge not made by commencement of an adversary proceeding pursuant to Federal Rule of Bankruptcy Procedure 7001 (an “**Adversary Proceeding**”) and served no later than 60 days after the entry of the Final Order Date or 60 days following the formation of the Committee, whichever is later (the “**Challenge Period**”), shall be forever barred. Despite the initiation of any such Adversary Proceeding asserting a Challenge, the Adequate Protection Parties liens, security interests, and any payments made on account thereof, shall be presumed to be valid and entitled to the benefit of this Order pending the entry of a final non-appealable judgment and order in favor of the party in interest with respect to such Challenge. If no such Adversary Proceeding is properly and timely filed and served by such date, the liens and security interests of, and payments made on account thereof to, the Adequate Protection Parties shall not be subject to any other or further Challenge and shall be determined to have been, as of the Petition Date, valid, binding, perfected, enforceable, unavoidable, and having the priority asserted, and the Debtors, their estates and creditors, and any trustee in a

Successor Case shall be bound by Debtors' acknowledgments, stipulations, and agreements set forth in this Order. The Challenge Period may be extended for an authorized party by agreement between the applicable Lenders or their Representative and such authorized party without further order of the Court.

14. Availability of Collateral; Direction to Financial Institutions and Credit Card Processing Companies. (a) None of the Adequate Protection Parties shall take any action during the Cash Collateral Period to seize or take control over any of the Cash Collateral or the Debtors' other property, nor shall they impose freezes of assets or seek to exercise any alleged right of setoff or recoupment, or exercise any other right or remedy against the Prepetition Collateral or the Postpetition Collateral, including Cash Collateral, during the Cash Collateral Period. The Adequate Protection parties are hereby directed to release (and, to the extent applicable, direct any third party to release) all Cash Collateral.

(b) Each of the credit card processing companies also are directed not to take, or cease continuing to take, any action during the Cash Collateral Period that is in the nature of a seizure, taking of control, freezing, or exercising of any right of netting, setoff, or recoupment, or exercising any other right or remedy against the Prepetition Collateral or the Postpetition Collateral, including Cash Collateral, during the Cash Collateral Period. For the avoidance of doubt, the Debtors' credit card processing companies shall cease the practice of netting from sums otherwise payable to the Debtors the amount of fees and other charges (excluding valid chargebacks) asserted by such companies unless and until such amounts are overdue and remain unpaid by the Debtors.

15. Prepetition Subordination Agreements. All parties' rights with respect to any subordination or intercreditor agreements (if applicable) with respect to any Debtor are not affected by the entry of this Order.

16. Section 506(c) Claims. Upon entry of the Final Order, no costs or expenses of administration which have been or may be incurred in the Chapter 11 Cases at any time shall be charged against any of the Adequate Protection Parties or any of their respective claims or the Prepetition Collateral pursuant to sections 105 or 506(c) of the Bankruptcy Code, or otherwise, without the prior written consent of the applicable Representative, and no such consent shall be implied from any other action, inaction, or acquiescence by the applicable Representative or its agents.

17. No Liability to Third Parties. In not objecting to the Debtors' use of Cash Collateral under the terms set forth herein or in taking any other actions related to this Interim Order, the applicable Representative (i) shall have no liability to any third party and shall not be deemed to be in control of the operations of any Debtors or to be acting as a "controlling person," "responsible person" or "owner or operator" with respect to the operation or management of any Debtors (as such term, or any similar terms, are used in the Internal Revenue Code, the United States Comprehensive Environmental Response, Compensation and Liability Act, as amended, or any similar Federal or state statute), and (ii) shall not owe any fiduciary duty to the Debtors, their creditors or their estates and shall not constitute or be deemed to constitute a joint venture or partnership with any Debtor.

18. No Marshaling/Application of Proceeds. Upon entry of the Final Order and to the extent provided for therein, neither the Adequate Protection Parties nor the Prepetition Collateral shall be subject to the equitable doctrine of "marshaling" nor any other similar doctrine with respect to any of the Prepetition Collateral, as the case may be, and proceeds shall be received and applied in accordance with this Interim Order notwithstanding any other agreement or provision to the contrary.

19. Section 552(b). Upon entry of the Final Order and to the extent provided for therein, the Adequate Protection Parties shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the “equities of the case” exception under section 552(b) of the Bankruptcy Code shall not apply to any of the Adequate Protection Parties with respect to proceeds, product, offspring or profits of any of the Prepetition Collateral; provided, however, that the Debtors shall not be permitted to assert the “equities of the case” exception under section 552(b) of the Bankruptcy Code against any of the Adequate Protection Parties from and after entry of this Order until entry of the Final Order.

20. Rights Preserved. Notwithstanding anything herein to the contrary, the entry of this Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly: (a) the applicable Representative’s and Debtors’ right to seek any other or supplemental relief relating to the matters set forth in this Order, including the right to seek additional adequate protection (without prejudice to any other person’s right to object to or otherwise oppose such additional adequate protection); (b) any rights of the applicable Representative or Debtors with respect to any plan of reorganization or liquidation filed in these Chapter 11 Cases; or (c) any of the rights of the applicable Representative or the Debtors (except in the case of the succeeding clause (i)) under the Bankruptcy Code or under non-bankruptcy law, including, without limitation, the right to (i) request modification of the automatic stay of section 362 of the Bankruptcy Code, (ii) request dismissal of any of the Chapter 11 Cases or a Successor Case, conversion of any of the Cases to cases under chapter 7, or appointment of a chapter 11 trustee or examiner with expanded powers, or (iii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a chapter 11 plan or plans. This Interim Order shall not be deemed to be an amendment or modification to the applicable Loan Documents, and shall not be deemed to have in any way modified the scope, nature, extent, or amount of the Prepetition Collateral, prepetition

liens, prepetition claims, prepetition interests, or prepetition rights held by, granted, or purported to be granted ,to Adequate Protection Parties. Furthermore, nothing contained in this Order shall be treated as an admission by any Adequate Protection Party or Representative, or the Debtors (except as otherwise expressly set forth in this Order) regarding the truth, accuracy or completeness of any fact or the applicability or strength of any legal or equitable claim, theory or defense and each Adequate Protection Party or their respective Representatives shall have standing to assert, and shall not be precluded or estopped from asserting, any challenge to any factual representation set forth herein or from asserting any legal or equitable claim, theory or defense against the Debtors or their estates including that rents are not property of the estate and do not constitute cash collateral. All of the parties subject hereto reserve all of their rights and defenses with respect to any of the foregoing.

21. Section 507(b) Reservation. Nothing herein shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided to the Representatives hereunder is insufficient to compensate for any diminution in value of their respective Prepetition Collateral during the Chapter 11 Cases or any Successor Cases. Nothing contained herein shall be deemed a finding by the Court, or an acknowledgement by any of the Representatives, that the adequate protection granted herein does in fact adequately protect the Adequate Protection Parties against any diminution in value of their respective interest in the Prepetition Collateral.

22. No Lien Alteration. The receipt by the Debtors of any Cash Collateral or other proceeds of Collateral shall not, and shall not be deemed to, affect, alter, or otherwise modify the validity, priority or perfection of any liens in and/or claims against such Cash Collateral or other proceeds and such liens and claims shall continue to exist in and against such Cash Collateral or other proceeds in the possession of the Debtors, in each case with the same validity, priority and

perfection as existed immediately prior to such receipt by the Debtors; it being agreed that nothing in this paragraph shall limit the Debtors' use of Cash Collateral otherwise permitted hereunder.

23. Proofs of Claim. The Representatives will not be required to file proofs of claim in any of the Chapter 11 Cases or Successor Cases for the claims relating to their respective Loan Obligations. Any order entered by the Court in relation to the establishment of a bar date for any claim (including, without limitation, administrative claims) in any Chapter 11 Cases or Successor Cases shall not apply to the Representatives.

24. Good Faith. The Representatives have acted in good faith in connection with this Interim Order and their reliance on this Order is in good faith.

25. Binding Effect. The provisions of this Order shall be binding upon and inure to the benefit of the Adequate Protection Parties, the Debtors, and their respective successors and assigns, including any trustee or other fiduciary hereafter appointed in the Chapter 11 Cases or any Successor Cases as a legal representative of the Debtors or the Debtors' estates.

26. Survival. Subject to the express reservations set forth in this Order, the Debtors' stipulations set forth in this Order shall survive the Termination Date and/or entry of any order: (a) confirming any plan of reorganization in any of the Chapter 11 Cases unless and to the extent that the applicable confirmation order or confirmed plan of reorganization expressly provides otherwise and such confirmation order has become a final order and the effective date has occurred under such confirmed plan of reorganization; (b) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code; (c) dismissing any of the Chapter 11 Cases or any Successor Cases; or (d) pursuant to which this Court abstains from hearing any of the Chapter 11 Cases or Successor Cases. Upon entry of the Final Order, to the extent set forth therein, the terms and provisions of the Final Order, including the claims, liens, security interest,

and other protections granted to the Adequate Protection Parties pursuant to such order, shall continue in the Chapter 11 Cases, in any Successor Cases, or following dismissal of the Chapter 11 Cases or any Successor Cases, and shall maintain their priority, validity, and perfection as provided by such order until the Adequate Protection Obligations (if any) have been satisfied in accordance with the Bankruptcy Code.

27. Immediate Effect. This Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable immediately upon execution hereof. The fourteen (14) day stay provisions of Bankruptcy Rule 6004(h) are waived and shall not apply to this Order.

28. Notice. The Debtors shall, within three (3) business days of entry of this Order, mail copies of a notice of the entry of this Order, together with a copy of this Order and a copy of the Motion, to the parties having been given notice of the Preliminary Hearing, to any party which has filed prior to such date a request for notices with this Court and to counsel for any statutory committee appointed pursuant to section 1102 of the Bankruptcy Code. - d) Utility deposits based on an estimated two weeks spending using the average of last three months weekly payments.
- e) Vendor deposits based on 1 month of deposits needed based on estimated 40% of weekly operating expenses (25% of weekly is F&B plus 15% other).

EXHIBIT B

Description of First Day Pleadings

**DESCRIPTION OF RELIEF REQUESTED IN
THE DEBTORS' FIRST DAY PLEADINGS¹**

FINANCING MOTIONS

I. Debtors' Motion for the Entry of an Order Authorizing the Debtors to Obtain Postpetition Financing from Five Mile Capital Partners on a Priming Basis Pursuant to Sections 364(c)(1), 364(c)(2), 364(c)(3), 364(e) of the Bankruptcy Code.

Debtors' Motion for the Entry of an Order Authorizing the Debtors to Obtain Postpetition Financing from an Affiliate of Lehman ALI Inc. on a Priming Basis Pursuant to Sections 364(c)(1), 364(c)(2), 364(c)(3), 364(d)(1), and 364(e) of the Bankruptcy Code.

1. As explained in the Declaration, the Debtors own 72 hotel properties subject to Franchise Agreements that provide the nonexclusive right to operate the hotels under a franchisor's "flag." Pursuant to the contemporaneously filed Cash Collateral Motion, the Debtors are seeking the authority to use Cash Collateral to pay the expenses of operating their business and to fund the restructuring while the Debtors operate in chapter 11.

2. Separately, by these two companion motions for DIP Financing, the Debtors are seeking an aggregate of approximately \$68 million in DIP Financing for the specific purpose of funding the PIPs allegedly required under the Franchise Agreements. The DIP Financing from Five Mile Capital Partners or an affiliate thereof primarily will fund the PIPs required under those Franchise Agreements covering the Tranche A Collateral, the Tranche B Collateral, and the Tranche C Collateral, and the DIP Financing from an affiliate of Lehman ALI Inc. primarily will fund the PIPs for the Floating Rate Collateral.

3. A variety of factors have led to the Debtors being unable to comply with their PIP obligations under certain Franchise Agreements, and the failure to complete the PIPs could result

¹ Capitalized terms used in this Exhibit but not otherwise defined shall have the meanings ascribed to such terms in the applicable First Day Pleadings. To the extent that there are any discrepancies between the information provided in this Exhibit and the content of the Pleadings, the content of the Pleadings shall prevail.

in the termination of those Franchise Agreements. The loss of these Franchise Agreements would have a damaging and, perhaps, crippling effect on the Debtors' operations and on the underlying value of the Debtors' enterprise due to the loss of associated name recognition, marketing support, brand loyalty, and centralized reservation systems. The DIP Financing will allow the Debtors to complete the PIPs, remain in compliance with the Franchise Agreements, increase the value of those hotels that enjoy capital improvements by virtue of the PIPs, and generally maintain and enhance the value of the Debtors' enterprise.

4. I believe that the DIP Financing is crucial to the success of the Debtors' restructuring, will allow the Debtors to maintain (and improve) both current revenue and enterprise value, and is structured to minimize, to the extent practicable, the extent to which the Prepetition Lenders are primed. I believe that the DIP Financing is amply justified in these circumstances.

II. Debtors' Motion for the Entry of Interim and Final Orders (A) Authorizing the Debtors to (I) Use the Adequate Protection Parties' Cash Collateral and (II) Provide Adequate Protection to the Adequate Protection Parties Pursuant to 11 U.S.C. §§ 361, 362, and 363, (B) to the Extent Approved in the Final Order, Granting Senior Secured, Priming Liens on Certain Postpetition Intercompany Claims, (C) to the Extent Approved in the Final Order, Granting Administrative Priority Status to Certain Postpetition Intercompany Claims, and (D) Scheduling a Final Hearing Pursuant to Bankruptcy rule 4001(b).

5. The Debtors have continued to own and operate their consolidated enterprise of hotel properties across the United States since even before the Debtors' nine mortgage lenders extended them credit in exchange for, among other things, liens on cash. Until certain lenders recently exercised remedies, nothing during the previous three years while the loans have been outstanding has changed in this regard. As part of this, the Debtors have maintained a consolidated cash management system with cash flowing to a centralized account from which their operational expenses have been paid. And now the Debtors simply seek to continue to use

their cash to fund their operations and restructuring for the benefit of all of their constituents. The relief in this Motion has nothing to do with substantive consolidation or any tactic related to the comprehensive restructuring that the Debtors will pursue, and the Interim Cash Collateral Order specifically states that nothing contained therein constitutes a substantive consolidation of the Debtors' estates.

6. Simply put, by this motion the Debtors are seeking to operate their business efficiently for the benefit of all constituents with the cash generated from their hotel assets, which is collateral for their secured (mortgage) lenders. The Debtors recognize that the Bankruptcy Code requires that they either receive consent to use cash collateral or, alternatively, provide "adequate protection." As set forth herein, the Debtors have already received the consent of one of their largest lenders, and the Debtors are in discussions with the other lenders. For all of the lenders with liens on cash, the Motion includes requests for approval that includes the traditional forms of adequate protection with standard protections.

7. The relief requested in the motion relates to the Debtors' seamless transition into bankruptcy to ensure they are able to continue operating. It is about honoring obligations to parties that provide goods and services, including the Debtors' franchisors, employees, hotel management companies, suppliers of hotel-related goods and services, utilities, and taxing authorities. Nobody can credibly argue that the Debtors receiving authority to honor these obligations is anything other than in the Debtors' best interest.

8. By the motion, the Debtors seek entry of the Cash Collateral Order granting the following relief:

- (a) authorizing the applicable Debtors (as described in the Interim Cash Collateral Order) to use the Cash Collateral of the applicable Adequate Protection Parties in accordance with sections 361 and 363 of the Bankruptcy Code;

- (b) approving the form of adequate protection provided to the Adequate Protection Parties to the extent of diminution in the value of the Adequate Protection Parties' interests in the Prepetition Collateral, whether from the use of the Cash Collateral, the use, sale, lease, or other diminution in value of the Prepetition Collateral other than the Cash Collateral, or the imposition of the automatic stay pursuant to section 362(a) of the Bankruptcy Code, pursuant to sections 361, 362, 363, 503(b), and 507 of the Bankruptcy Code;
- (c) to the extent approved in the Final Cash Collateral Order, granting senior secured, priming liens on certain postpetition Intercompany Claims;
- (d) to the extent approved in the Final Cash Collateral Order, granting administrative priority status to certain postpetition Intercompany Claims;
- (e) scheduling the Final Hearing on the Motion to consider entry of the Final Cash Collateral Order and establishing notice procedures in respect of the Final Hearing by this Court to consider entry of the Final Cash Collateral Order authorizing on a final basis the Debtors' continued use of the Cash Collateral; and
- (f) granting related relief.

9. The Debtors' ability to continue to fund their business operations and the restructuring adequately is critical to the outcome of the Chapter 11 Cases. Without the use of Cash Collateral, the Debtors' business would be at risk. Use of the Cash Collateral is, therefore, important to the preservation and maintenance of the value of the Debtors and the continued operations of the Debtors and the restructuring. Thus, it is without question that the Debtors' determination that they require the use of Cash Collateral to allow them to operate their hotel enterprise consistent with their historical past practices.

10. In the ordinary course of business, the Debtors use cash on hand and cash flow from operations to fund working capital, capital expenditures, debt service payments, and for other general corporate purposes—all of which are necessary to preserve and maintain the Debtors' going-concern value and, ultimately, effectuate a successful reorganization. An

inability to use these funds during the Chapter 11 Cases would cripple the Debtors' business operations.

11. Pursuant to the Hotel Management Agreements, the Hotel Managers generally are required to perform or provide for all operational and management functions necessary to operate the hotels. Among other things, the Hotel Managers, on behalf of the Debtors, pay all property level expenses of the hotels (including payroll), contract with service providers, and purchase all goods and materials utilized in the operation of the business. Generally, the Hotel Managers fund the hotel operating expenses out of the Property Lessees' centralized cash account, over which the Hotel Managers have signing authority. When the Hotel Managers have to fund expenses, the Property Lessees reimburse the Hotel Managers periodically through hotel expense reimbursement reconciliations. In addition, the Hotel Managers receive management fees prescribed by the Hotel Management Agreements.

12. The Hotel Managers must continue to be reimbursed for those payments and to receive their management fees so that the Debtors can continue to operate their business and preserve value for creditors during the Chapter 11 Cases. Accordingly, the Debtors are seeking the use of Cash Collateral to ensure the payment of all obligations owed under the Hotel Management Agreements and to continue the range of services provided to the Debtors' customer base, all as set forth more fully in the Interim Cash Collateral Order.

Summary of Lenders with Liens on Cash Collateral

13. As of March 31, 2010, the Debtors had incurred aggregate funded secured indebtedness of approximately \$1.42 billion, including approximately \$1.29 billion of property-level secured debt, approximately \$1.05 billion of which has been securitized and sold in the commercial mortgage-backed security market. The debt is secured by mortgages on the hotels or pledges of the equity of the Property Owners. The Debtors' funded secured debt is

comprised of nine mortgage loans (two with related mezzanine loans), each of which is secured by distinct hotel properties and/or related equity interests in the Property Owners. The secured debt relevant to the relief requested herein is discussed in the Declaration.

The Debtors' Cash Collateral

14. The Debtors generate and receive funds primarily from payments by guests for stays at the Debtors' hotel properties and for ancillary goods and services provided by the hotels (including occupancy-related tax receipts). The Debtors use the cash they generate to fund the properties' day to day operations and to service other business obligations, including those obligations discussed herein and in more detail in the First Day Declaration. The proposed immediate use of the Cash Collateral is intended to provide working capital while the Debtors operate in chapter 11 pending the Final Hearing.

Proposed Adequate Protection

15. I believe that the Adequate Protection Parties are adequately protected because the Debtors intend to use the Cash Collateral to preserve the value of the Adequate Protection Parties' other collateral. Nonetheless, the Debtors have agreed, in addition to operating in a manner consistent with the Forecast (with the initial Forecast attached to the Interim Cash Collateral Order), to provide additional adequate protection to the extent of any Adequate Protection Obligations that may arise, as follows (in each case, subject to certain exceptions as set forth in the Interim Cash Collateral Order, including the Carve Out):

- (a) the Representatives' Expense Reimbursement (*see* Interim Cash Collateral Order, ¶ 6(a));
- (b) the Adequate Protection Liens, subject to the Carve Out, to liens granted in respect of Permitted DIPs, and to Prior Liens (*see* Interim Cash Collateral Order, ¶ 6(b));

- (c) certain 507(b) Claims, subject to the Carve Out and to any superpriority claim in favor of Permitted DIPs (*see* Interim Cash Collateral Order, ¶ 6(c));
- (d) certain payments limited by the applicable Forecast (*see* Interim Cash Collateral Order, ¶ 6(e)); and
- (e) the “Cash Use Covenant” (*see* Interim Cash Collateral Order, ¶ 6(f)).

16. In addition, the Debtors intend to continue to provide the Representatives with certain financial and other reporting as set forth in the Interim Cash Collateral Order. (See Interim Cash Collateral Order, ¶ 6(d)).

17. I believe that the Debtors’ ability to continue to fund their business operations and the restructuring adequately is critical to the outcome of the Chapter 11 Cases. Absent the use of Cash Collateral, the Debtors’ business would be brought to an immediate halt, with disastrous consequences for the Debtors’ reputation, their business, their ability to attract future customers, and their estates and creditors. Therefore, I believe that the use of the Cash Collateral is of the utmost importance to the preservation and maintenance of the value of the Debtors and essential to the continued operations of the Debtors and the restructuring.

OPERATIONS MOTIONS PURSUANT TO RULE 6003

III. Debtors’ Motion for the Entry of Interim and Final Orders Authorizing, but Not Directing, the Debtors to Continue to Honor Obligations Set Forth in the Hotel Management and Shared Services Agreements.

18. Pursuant to the Hotel Management Agreements, the Hotel Managers address employee staffing requirements, implement sales and marketing strategies, supervise property operations, and negotiate and sign purchase orders and national service agreements. The Hotel Managers also provide management information systems, purchase all operating supplies and operating equipment, ensure that expenses are paid promptly to avoid interruptions of goods and services, and coordinate the maintenance and repair of the Hotels where necessary. In exchange

for these services, the Hotel Managers receive Monthly Management Fees. On a monthly basis over the prior year, the Debtors have paid approximately \$600,000 to Island and approximately \$18,000 to Dimension on account of Monthly Management Fees.

19. In addition, the Operating Lessees are required to reimburse and compensate the Hotel Managers on account of expenses incurred and services performed by the Hotel Managers (including those that arise on account of out of the ordinary course expenses incurred by the Hotel Managers at the direction of the Debtors related to the administration of the Chapter 11 Cases), as well as to indemnify the Hotel Managers for liabilities arising out of the Hotel Managers' performance under the Hotel Management Agreements. While the Debtors currently are not defending the Hotel Managers in any significant litigation, if a party sues the Hotel Managers, the Debtors intend to defend in accordance with their obligations under the Hotel Management Agreements.

20. Pursuant to the Shared Services Agreement, the Debtors and Island share the costs of certain expenses necessary to manage the Debtors' portfolio of Hotels. Specifically, the Debtors are obligated to pay or reimburse Island for the costs of office space shared by the Debtors and Island, as well as for the services of certain human resource, payroll, purchasing, accounts payable, and tax department employees provided by Island that are critical to the Debtors' ability to manage their Hotels on a portfolio-wide basis. On a monthly basis over the prior year, the Debtors have paid approximately \$60,000 to Island on account of the Shared Services Obligations.

21. The Hotel Managers' willingness to continue to provide the services that are critical to the ability of the Debtors to operate their portfolio of Hotels hinges upon the Debtors' ability to satisfy their Hotel Manager Obligations and Shared Services Obligations. As of the

Petition Date, the Debtors do not believe they owe any amounts on account of the Hotel Management Obligations or Shared Services Obligations. However, out of an abundance of caution, and to provide the comfort important to Island and Dimension of future performance, the Debtors are requesting the authority, but not the direction, to continue to perform under the Hotel Management Agreements and the Shared Services Agreement and, on a final basis, to honor, in its discretion, any outstanding prepetition amounts owed on account of the Hotel Manager Obligations or the Shared Services Obligations in accordance with the order granting the relief requested in the Cash Collateral Motion and consistent with their prepetition practices as described in the Cash Management Motion.

22. The Debtors are mindful of their fiduciary obligations to preserve and maximize the value of their estates. Accordingly, the Debtors have determined that it is critical that they receive the authority, but not the direction, to continue performing under the Hotel Management Agreements and Shared Services Agreement and honor the Hotel Manager Obligations and Shared Services Obligations to effectuate a seamless and successful transition into operating under chapter 11. To the extent the Debtors do not receive authority to do so, the Debtors have determined that the potential loss of the services of the Hotel Managers would cause immediate and irreparable harm to the Debtors' business.

23. I believe that it is vital to the Debtors' reorganization that their portfolio of Hotels continues to receive uninterrupted and quality services from the Hotel Managers. If the Hotel Managers are not compensated and reimbursed for their services, the Hotel Managers may be hesitant to continue performing their services and may seek to reserve their rights and limit their financial exposure wherever possible. If the Hotel Managers are unable or unwilling to continue performing or providing the critical services relating to the operation and management of the

Hotels, it is my belief that the Debtors' ongoing operations will become immediately and irreparably harmed.

24. Hotel guests and the Debtors' franchisors expect clean, safe, and efficient Hotels, expectations that cannot be met without the continued service of the Hotel Managers at this time. The Hotel Managers possess vast amounts of institutional knowledge due to their long history of working with the Debtors at the Hotels. I believe that this familiarity cannot be matched by other hotel management firms. Further, it is unlikely that the Debtors could locate a single firm to come in and replace the services of Island or Dimension immediately. Instead, the Debtors likely would have to negotiate separate hotel management agreements with multiple parties, which, in my experience, would take time and resources. Moreover, due to the urgent need to find a replacement to keep the Hotels operating, the Debtors would have difficulty obtaining financial terms comparable to those contained in the Hotel Management Agreements and Shared Services Agreements. As a result, I believe that the Hotel Managers could not be replaced immediately without a deterioration in service quality and hotel operating performance. This deterioration could last for a significant period of time and likely would have long-term consequences on the reputations of the Hotels and the Debtors.

25. Accordingly, absent authority to honor the Hotel Manager Obligations and Shared Services Obligations, there is a significant danger that operations may be interrupted to the detriment of all parties in interest, with the Debtors left scrambling for alternatives that are not likely available without delay or otherwise availing themselves of remedies afforded by the Bankruptcy Code. Neither option is feasible in my opinion. More importantly, neither option is conducive to the seamless ongoing operation of the Debtors' business. Even if the Debtors attempted to enforce the terms of the Hotel Management Agreements and force the Hotel

Managers to perform under the Hotel Management Agreements, such an outcome is not likely to be accomplished in a timely and cost-efficient manner without unduly disrupting the Debtors' business.

26. The Debtors' business is dependent on the development and maintenance of the loyalty of their Hotels' guests. In light of any publicity surrounding the Chapter 11 Cases, it is crucial for the Debtors to maintain a positive image. Therefore, I believe that the benefit of preserving the excellent reputations of the Hotels and maintaining the support of key constituencies (*e.g.*, guests, franchisors, and the Hotel Managers) during the pendency of the Chapter 11 Cases will far exceed any prepetition amounts relating to the honoring of the Hotel Manager Obligations and Shared Services Obligations.

IV. Debtors' Motion for the Entry of Interim and Final Orders Authorizing, but Not Directing, the Payment of Prepetition Taxes and Fees.

27. In the ordinary course of operating their business, the Debtors, or where appropriate, their Hotel Managers, collect and/or incur income, sales, occupancy, use, franchise, and other taxes, assessments, fees, and similar charges. The Debtors remit the Taxes and Fees to various federal, state, and local taxing, licensing, and other governmental authorities. The Debtors pay the Taxes and Fees monthly, quarterly, annually, or biennially to the respective Authorities in accordance with applicable laws and regulations.

Sales, Occupancy, and Use Taxes

28. The Debtors collect and remit sales taxes on a monthly, quarterly, and annual basis (based on jurisdiction) to the Authorities in connection with the sale of their goods and services. Such goods and services include, without limitation, food and beverages, internet access, and video and telephone services. Sales Taxes essentially are general consumption taxes

charged at the point of purchase for goods and services, which are usually set by the applicable taxing Authority as a percentage of the retail price of the good or service purchased.

29. Additionally, in the ordinary course of business, the Debtors are required to collect taxes from customers who pay for rooms or space in the Debtors' hotels. The Debtors file the majority of their returns for Occupancy Taxes on a monthly basis and generally remit the Occupancy Taxes one month in arrears. However, in some jurisdictions, advance estimate payments are made during the month in which the tax is collected.

30. While it is my belief that the Debtors are current with respect to their payment of Sales Taxes and Occupancy Taxes, as of the Petition Date, I believe that the Debtors owe approximately \$3.3 million in prepetition Sales Taxes and Occupancy Taxes, which are recorded together, that have accrued but have not yet become due and payable, with approximately \$2.95 million of which becoming due and owing within 21 days following the Petition Date.

31. The Debtors are also responsible for remitting Use Taxes on a monthly, quarterly, and annual basis on account of the purchase of various inventory, supplies, or other goods used in the Debtors' business. Use Taxes typically arise if a supplier does not have business operations in the state in which it is supplying goods and, therefore, does not charge sales tax, but the goods are otherwise taxable to the purchaser. As a result, the Debtors remit approximately \$50,000 in Use Taxes per year to certain of the Authorities—an amount equal to the Sales Taxes that would otherwise be owing had the goods been purchased in-state. I believe that the Debtors are current with respect to their payment of Use Taxes, and the Debtors estimate that, as of the Petition Date, there are no prepetition Use Taxes that have accrued but have not yet become due and payable.

Franchise Taxes

32. The Debtors are required to pay taxes to certain Authorities for the privilege of doing business within a particular jurisdiction. The Franchise Taxes are invoiced and paid in arrears and may be based on a flat fee, net operating income, or capital employed. The Debtors pay the Franchise Taxes in most jurisdictions on an annual basis, with the requirement to remit quarterly estimated tax payments in some cases.

33. The Debtors historically have remitted approximately \$675,000 in Franchise Taxes per year to the Authorities. The Debtors estimate that, as of the Petition Date, they may owe approximately \$325,000 to the Authorities on account of prepetition Franchise Taxes. However, I believe that there are no Franchise Taxes which will become due and owing within 21 days following the Petition Date.

License and Permit Fees

34. The Debtors also are required to obtain various business licenses and permits and pay corresponding fees in the majority of jurisdictions in which they operate. For example, several states require the Debtors to pay annual reporting fees to remain in good standing for purposes of conducting business within the state. Other states require the Debtors to pay miscellaneous business taxes simply to operate their business. In 2009, the total amount owed in connection with the Debtors' obligations for Business License Fees was approximately \$375,000. The Debtors estimate that approximately \$200,000 in Business License Fees are due for the remainder of 2010, approximately \$40,000 of which will become due and owing within 21 days following the Petition Date.

35. I believe that, absent the relief requested in this motion, the Debtors' business could be significantly disrupted. As discussed in the motion, the Debtors could incur penalties, interest, and liens arising from their failure to pay the Taxes and Fees, thereby increasing

unnecessarily both the amount and priority of claims against their estates—all to the detriment of the Debtors and their creditors. The Debtors’ key personnel could also be exposed to personal liability and needlessly distracted from the present reorganization. In addition, because a vast majority of the amounts at issue likely will be entitled to administrative priority, payment of the Taxes and Fees at this time only affects the timing of the payment and, therefore, should not unduly prejudice the rights of other creditors. Thus, granting the relief requested in this Motion will enhance the likelihood of the Debtors’ successful rehabilitation, maximize the value of the estates’ assets, and, thus, benefit the estates’ creditors.

V. Debtors’ Motion for the Entry of Interim and Final Orders Authorizing, but Not Directing, the Debtors To (A) Pay Certain Prepetition Wages, Salaries, and Reimbursable Employee Expenses, (B) Pay and Honor Certain Employee Medical and Other Benefits, and (C) Continue Employee Benefits Programs.

36. The Debtors currently employ 26 employees and also are directly responsible under the Hotel Management Agreements for the compensation and benefits for approximately 2,580 Hotel Employees, who are employees of the Hotel Managers. Twenty-three of the Debtors’ Employees and 372 of the Hotel Employees are paid on a salaried basis and three of the Debtors’ Employees and 2,183 of the Hotel Employees are paid on an hourly basis.

Employee Wages

37. Employees are paid on a bi-weekly basis and payments are one week in arrears from the final date included in the pay period. On average, the Debtors’ bi-weekly gross payroll obligations total approximately \$140,000 to the Debtors’ Employees and \$2.75 million to the Hotel Employees.

(i) Unpaid Compensation

38. The Debtors estimate that, as of the Petition Date, there may be unpaid amounts of approximately \$2.6 million on account of accrued wages, salaries, overtime, and other

earnings earned prior to the Petition Date. However, some Employees may be entitled to additional Unpaid Compensation because (a) discrepancies may exist between the amounts paid and the amounts that should have been paid and/or (b) some payroll checks issued to Employees prior to the Petition Date may not have been presented for payment or may not have cleared the banking system and, accordingly, have not been honored and paid as of the Petition Date. The Debtors believe that no Employee is owed more than the \$11,725 priority cap imposed by section 507(a)(4) of the Bankruptcy Code on account of Unpaid Compensation.

(ii) Deductions and Withholding

39. During each applicable pay period, the Debtors routinely deduct certain amounts from paychecks, including, without limitation, (a) garnishments, child support, and similar deductions and (b) other pre-tax and after-tax deductions payable pursuant to certain of the Employee Benefit Programs discussed in the motion (such as 401(k) contributions, deferred compensation plan contributions, and premiums for medical insurance) or for union dues. During the most recent pay period, the Deductions totaled approximately \$11,000 for the Debtors' Employees and \$120,000 for Hotel Employees. The Debtors forward the amount of the Deductions to the appropriate third-party recipients. Due to the commencement of the Chapter 11 Cases, however, approximately \$25,000 in Deductions that were withheld from Employees' earnings were not forwarded to the appropriate third-party recipients before the Petition Date. Accordingly, the Debtors seek authority to forward Deductions, including those withheld prepetition, to the applicable recipients on a postpetition basis, in the ordinary course of business, as routinely done before the Petition Date.

40. Further, the Debtors are required by law to withhold from an Employee's wages amounts for federal, state, and local income taxes, social security, workers' compensation, and Medicare taxes for remittance to the appropriate federal, state, or local taxing authority. The

Debtors must then match from their own funds for social security and Medicare taxes and pay, based on a percentage of gross payroll, additional amounts for federal and state unemployment insurance. On average, the Payroll Taxes are approximately \$660,000 per pay period. The Debtors seek authority to continue honoring and processing Payroll Taxes on a postpetition basis, in the ordinary course of business, as routinely done before the Petition Date. The Withheld Amounts constitute “trust fund” taxes, and, thus, the payment of such taxes will not prejudice general unsecured creditors, given that the relevant taxing authorities have a priority claim under section 507(a)(8) of the Bankruptcy Code in respect of such obligations. Furthermore, there is significant risk to the Debtors’ officers of personal civil or criminal liability if the Payroll Taxes are not funded, which would impact the Debtors’ operations severely by creating undue concern and distraction for such officers.

Honoring Payment of Reimbursable Expenses

41. In the ordinary course of business, the Debtors reimburse Employees or pay credit card invoices on behalf of Employees for certain approved, reasonable expenses incurred in the scope of their employment and reimburse non-employee directors for reasonable out-of-pocket expenses incurred in connection with board meeting attendance. Reimbursable Expenses are paid in connection with, among other things, business-related travel expenses, including meals, hotels, flights, and car rentals, business development activities with current or potential clients, and reimbursement for office supplies and other items purchased for use in the Debtors’ business operations. If such Reimbursable Expenses remain outstanding, Employees and non-employee directors may be understandably reluctant to undertake necessary business activities that require coming out-of-pocket for related expenses.

(i) Credit Card Program

42. Eight of the Debtors' Employees have been issued American Express Company corporate cards to pay for certain Reimbursable Expenses. American Express invoices the Debtors directly for the expenses charged by Employees to the American Express corporate credit cards. Once the Debtors have determined that the charges are for legitimate Reimbursable Expenses, they pay American Express directly. In the aggregate, the Employees incur, on average, less than \$100,000 per month on account of Reimbursable Expenses that are charged to the American Express corporate credit cards. As of the Petition Date, the Debtors believe they owe approximately \$10,000 on account of prepetition Reimbursable Expenses charged to the American Express corporate credit cards.

(ii) Reimbursable Expenses Paid Through Payroll

43. Employees may also pay for Reimbursable Expenses by cash or personal credit cards and submit receipts to the Debtors for reimbursement. The Debtors reimburse such Reimbursable Expenses to Employees directly through the payroll system after the processing and approval of receipts. Although the Debtors request that Employees submit reimbursement requests promptly, not all Employees are able to do so, and it is, therefore, difficult for the Debtors to estimate precisely the amount of Reimbursable Expenses outstanding as of the Petition Date. The Debtors thus request authority to reimburse Employees for amounts incurred prior to the Petition Date for Reimbursable Expenses paid through the payroll system.

(iii) Non-Employee Director Travel Expenses

44. Each non-employee member of the Debtors' board of directors receives reimbursement of reasonable out-of-pocket expenses incurred in connection with board meeting attendance. As of the Petition Date, the Debtors estimate that they do not owe any amounts on account of non-employee director travel expenses. However, if it is found that there are amounts

due and owing on account of Non-Employee Director Travel Expenses, the Debtors request authority to reimburse each non-employee director for such amounts upon entry of a final order on this Motion.

Incentive Plans

45. In the ordinary course of business, the Debtors maintain various incentive plans to encourage their Employees to maximize the value of the Debtors' enterprise, including various sales and service incentive plans and a management incentive plan. These Incentive Plans are an important component of Employee compensation and provide substantial value to the Debtors' estate because they encourage Employees to achieve important financial performance and service goals. The Debtors are seeking authority to honor the obligations under the Incentive Plans only to Employees who are not "insiders" as that term is defined in section 101(31) of the Bankruptcy Code. The Debtors will seek separate approval from the Court prior to making any incentive payments to insiders. As of the Petition Date, the Debtors will owe approximately \$150,000 in payments under the Incentive Plans due and owing to non-insider Employees.

Employee Benefits Programs

46. The Debtors maintain, in the ordinary course of business: (a) Health Benefits Plans; (b) Other Insurance Benefits; (c) a 401(k) Plan and a Deferred Compensation Plan; (d) a Workers' Compensation Program; (e) Vacation Time and Sick Leave benefits; and (f) Pension Plans.

(iv) Health Benefits Plans

47. All Employees are eligible to receive medical, vision, prescription drug, and dental insurance coverage. The Debtors estimate that, as of the Petition Date, they owe the aggregate amount of approximately \$725,000 on account of the Health Benefits Plans.

(v) Other Insurance Benefits

48. The Debtors provide a number of different types of insurance benefits to their Employees, including life and accidental death and dismemberment insurance, short-term disability insurance, and long-term disability insurance. All of the Other Insurance Benefits are administered through CIGNA and are fully insured, meaning that the Debtors pay the insurance carrier a set premium on a monthly basis and the insurance carrier pays the Employees' claims based on the applicable policy terms. The Debtors estimate that, as of the Petition Date, they do not owe any amounts on account of the Other Insurance Benefits.

(vi) 401(k) Plan and Deferred Compensation Plan

49. The Debtors maintain a retirement savings plan for the benefit of all eligible Employees that meet the requirements of section 401(k) of the Internal Revenue Code. As discussed above, the Debtors deduct certain amounts from participants' paychecks on account of their 401(k) contributions under the 401(k) Plan. The 401(k) Plan is administered for some Employees by Preferred Pension Solutions, LLC, an affiliate of Nationwide and for other Employees by Principal. The Debtors estimate that, as of the Petition Date, they owe Nationwide and Principal approximately \$14,000 in the aggregate on account of fees incurred for administering the 401(k) Plan.

50. The Debtors also maintain a deferred compensation plan for employees that are not eligible to contribute to the 401(k) Plan. As discussed above, the Debtors deduct certain amounts from participants' paychecks on account of their contributions under the Deferred Compensation Plan. The Deferred Compensation Plan is administered by ING. The Debtors estimate that, as of the Petition Date, there are no amounts owing to ING for administering the Deferred Compensation Plan.

(vii) Workers' Compensation

51. The Debtors provide workers' compensation insurance for their Employees at the statutorily-required level for each state in which they have Employees. The Debtors' Workers' Compensation Program is divided into two components—one for Hotel Employees and one for the Debtors' Employees. The Workers' Compensation Program for Hotel Employees is self-funded and administered through Gallagher Bassett Services, Inc. Gallagher collects and processes claims for workers' compensation benefits in exchange for an administrative fee. The Workers' Compensation Program for the Debtors' Employees is underwritten and administered by Chartis. Chartis collects, processes, and pays claims submitted for workers' compensation benefits in exchange for a monthly premium paid for by the Debtors. The Debtors estimate they may potentially owe approximately \$1.27 million on account of the Workers' Compensation Program, including amounts owed to Gallagher and Chartis for premiums and administrative fees.

(viii) Vacation Time and Sick Leave

52. The Debtors provide vacation time to all Employees as a paid time-off benefit. The amount of Vacation Time available to a particular Employee and the rate at which such Vacation Time accrues is generally determined by the Employee's position and the length of full-time employment with the Debtors. When an Employee elects to take Vacation Time, that Employee is paid his or her regular hourly or salaried rate. An Employee is only entitled to a cash payment for unused Vacation Time in the event that such Employee is terminated from the Debtors' employment. Except for in California, Employees have to use their Vacation Time annually and unused Vacation Time does not carry forward. As of the Petition Date, the Debtors estimate they owe Employees approximately \$1.1 million in accrued Vacation Time.

53. In addition, all Employees are eligible for sick leave due to illness or injury. The amount of Sick Leave available to a particular Employee is generally determined by the Employee's position and length of employment with the Debtors. Employees have to use their Sick Leave annually and unused Sick Leave does not carry forward, and Employees may not receive cash for their unused Sick Leave upon termination.

(ix) Union Pension Plan

54. The Debtors also contribute to pension plans maintained by Unite Here NY Joint Board Local 96 in Morristown, New Jersey and Local 371 UFCW in Shelton, Connecticut. The Debtors contribute a monthly or annual fee to the Pension Plans based on the type of Employee and years of experience. The Debtors estimate they owe \$55,000 on account of obligations under the Pension Plans as of the Petition Date.

55. I believe that the relief requested in the motion will benefit the Debtors' estates and creditors by allowing the Debtors' business operations to continue without interruption. In the absence of such payments, I believe that the Debtors' Employees may seek alternative employment opportunities, which would deplete the Debtors' workforce and hinder the Debtors' ability to satisfy customer obligations. Moreover, the loss of valuable Employees and the recruiting efforts that would be required to replace such Employees would be a massive and costly distraction at a time when the Debtors should be focusing on their restructuring. Any Employee attrition would cause the Debtors to incur additional expenses to find appropriate and experienced replacements (assuming such replacements can be found), which could severely disrupt the Debtors' operations at an important juncture. Accordingly, the Debtors must be able to pursue all reasonable measures to retain their Employees by, among other things, continuing to honor all wages, benefits, and related obligations, including those that accrued before the Petition Date.

VI. Debtors' Motion for the Entry of Interim and Final Orders (A) Authorizing the Debtors To Grant Administrative Expense Priority to All Undisputed Obligations for Goods Ordered Prepetition and Delivered Postpetition and Satisfy Such Obligations in the Ordinary Course of Business, (B) Authorizing, but Not Directing, the Debtors To Pay Prepetition Claims of Shippers, Warehousemen, and Materialmen, and (C) Authorizing the Debtors to Pay Prepetition PACA Claims.

Outstanding Orders

56. Prior to the Petition Date, and in the ordinary course of business, the Debtors ordered approximately \$4.1 million of goods for which delivery will not occur until after the Petition Date. As a result of the commencement of these Chapter 11 Cases, suppliers may be concerned that goods ordered prior to the Petition Date pursuant to the Outstanding Orders, which are scheduled to be delivered to the Debtors after the Petition Date, will render the suppliers general unsecured creditors of the Debtors' estates with respect to such goods. As a result, suppliers may refuse to ship or transport such goods (or may recall such shipments) with respect to such Outstanding Orders unless the Debtors issue substitute purchase orders postpetition or the Court permits the Debtors to meet their obligations under the Outstanding Orders. The Debtors, therefore, seek interim and final orders of the Court (a) granting administrative expense priority under section 503(b) of the Bankruptcy Code to all undisputed obligations of the Debtors arising from the acceptance of goods subject to Outstanding Orders, and (b) authorizing the Debtors to satisfy such obligations in the ordinary course of business.

Claims of Shippers, Warehousemen, and Materialmen

57. The Debtors contract with a number of counterparties for the acquisition of goods necessary for the day-to-day operation of the Debtors' business. Such items include appliances, furniture, and wall coverings for hotels in the Debtors' network, as well as related construction materials necessary for the upkeep of the properties. Timely delivery of these items is vital to the Debtors' efforts to make rooms available for customers and to maintain quality standards

under their franchise agreements. In some cases, Shipping Vendors arrange for the transportation or storage of the goods that they sell, at times incorporating shipping charges into the Outstanding Orders. In other instances, the Debtors arrange for a third-party contractor, JMC Global, to facilitate transportation. The Debtors estimate that, as of the Petition Date, they owe approximately \$10,000 on account of shipping and logistics charges for goods ordered prepetition, all of which will become due and owing within 21 days following the Petition Date.

58. To store guest room and other inventory purchased by the Debtors, the Debtors, or, in certain instances, JMC, secure storage space with certain Warehousemen. The Debtors utilize ten warehouses in six states to store goods purchased and owned by the Debtors until the Debtors are able to incorporate those products into their hotels. The availability of these warehoused goods is critical to the Debtors' ongoing efforts to maintain and to improve their properties. In particular, any efforts by the Debtors to successfully cure defaults under their franchise agreements with respect to property improvement program requirements will likely require unfettered access to the warehoused inventory. The Debtors estimate the value of warehoused goods to be approximately \$2 million and the outstanding prepetition amounts owed to Warehousemen to be approximately \$10,000, all of which will become due and owing within 21 days following the Petition Date.

59. The Debtors do business with a number of third parties who could potentially assert liens against the Debtors and their property for amounts the Debtors owe to those third parties, including mechanic's liens and materialman's liens. For example, the Debtors use third-party contractors to improve and repair the Debtors' properties. A number of these ongoing projects could result in the filing of liens against the properties if payments are not made in a timely fashion. Indeed, pursuant to section 362(b)(3) of the Bankruptcy Code, the act of

perfecting such a lien, to the extent consistent with section 546(b) of the Bankruptcy Code, is expressly excluded from the automatic stay. Under section 546(b), a debtor's lien avoidance powers "are subject to any generally applicable law that . . . permits perfection of an interest in property to be effective against an entity that acquires rights in such property before the date of perfection" 11 U.S.C. § 546(b)(1)(A). Moreover, property-level managers may engage contractors on an emergency basis without notifying the Debtors' higher-level management teams in the course of the day-to-day management of the Debtors' business. The Debtors estimate that, as of the Petition Date, the outstanding prepetition invoices of the Materialmen are in the amount of approximately \$400,000, substantially all of which will become due and owing within 21 days following the Petition Date.

60. To avoid undue delay and to facilitate the continued operation, maintenance, and improvement of the Debtors' business, the Debtors seek immediate authority to pay and discharge, on a case-by-case basis and in their sole discretion, the claims of all Claimants that have given or could give rise to a lien against the Debtors or the Debtors' customers regardless of whether such Claimants have already have perfected their interests.

PACA Claims

61. In connection with various food service activities undertaken by the Debtors in the operation of their hotels, which generate approximately \$15.9 million in revenue, certain vendors may be eligible to assert potential claims under the Perishable Agricultural Commodities Act of 1930, as amended, 7 U.S.C. §§ 499a *et seq* on account of certain goods the PACA Claimants sold to the Debtors that may be deemed "perishable agricultural commodities" under PACA. Under PACA, an unpaid vendor of perishable agricultural commodities may impose a trust on certain of the Debtors' assets. The Debtors believe that certain of their vendors are likely to impose a PACA Trust and to assert their rights, if any, thereunder.

62. It is essential to the Debtors' operations that the flow of fresh produce and other goods and merchandise continue unimpeded. Any delays in satisfying PACA Claims could affect adversely the Debtors' ability to obtain such food items in the future, thereby undercutting the Debtors' competitive posture and their ability to reorganize successfully. Moreover, to the extent that a PACA Claimant is entitled to the protection of PACA, corresponding PACA Claims (provided such claims satisfy all applicable statutory requirements) will be entitled to prompt payment from the PACA Trust ahead of secured and unsecured creditors of the Debtors' estates. The Debtors propose to settle any PACA Claims in a manner consistent with the statutory requirements of PACA. Accordingly, payment of PACA Claims, in the Debtors' sole discretion, at this time will not prejudice or affect the amount available for distributions to other creditors of the Debtors, and the Debtors submit that the prompt and full payment of all PACA Claims should be authorized by the Court. The Debtors estimate that, as of the Petition Date, they owe approximately \$300,000 on account of PACA Claims.

63. It is my opinion that paying Claimants will benefit the Debtors' estates and their creditors by allowing the Debtors' business operations to continue without interruption. I understand that under some state and federal laws, a Claimant may have a lien on the goods in its possession that secures the charges or expenses incurred in connection with the transportation of the goods. The Claimants may be unwilling to release the goods in their possession to which they may be entitled to liens, because releasing possession of the goods may convert their claims against the Debtors from secured to unsecured. Therefore, unless the Court authorizes the Debtors to pay the Claimants, I believe that it is unlikely the Debtors will continue to obtain the goods currently in transit. If the Claimants possess lien rights or have the ability to exercise "self-help" remedies to secure payment of their claims, failure to satisfy the Claimants' claims

could have a material adverse effect that may ultimately devastate the operations of the Debtors' business to the detriment of the Debtors' creditors.

64. In addition, absent the relief requested in the motion, the Debtors could be subjected to countless actions from PACA Claimants seeking enforcement of their PACA Claims (including payment of attorney's fees as authorized under PACA), which would, I believe, result in the unnecessary expenditure and misallocation of the Debtors' limited financial and human resources. Moreover, the Debtors' ability to continue operating as debtors in possession depends, in large part, on their ability to procure deliveries of perishable and other goods to supply their hotel properties and to preserve their reputation as reliable customers who pay their vendors in a timely manner. In my opinion, any delays—perceived or real—in satisfying PACA Claims could affect adversely the Debtors' ability to obtain inventory, thereby bringing their food and beverage service operations to a grinding halt and undercutting their prospects for successfully reorganizing. If any of this were to occur, the results would likely be far more damaging to the Debtors than any payments to be made on account of PACA Claims.

VII. Debtors' Motion for Entry of an Order Authorizing, but Not Directing, the Debtors to Honor Certain Prepetition Obligations to Customers and Otherwise Continue Certain Customer Programs and Practices in the Ordinary Course Of Business.

65. A large part of the Debtors' revenue is derived from individual room bookings at the Debtors' hotel properties for short-term stays. In addition, the Debtors' hotel properties are also reserved for various special events, including weddings and other celebratory occasions, business conferences and conventions, and other large local and national functions. For Customers to secure a room or event space in the Debtors' hotel properties, certain Customers must provide the Debtors with a deposit, which generally secures a room, or block of rooms, and any catering and other services in connection with a Customer's event reservation. In my

experience, the Debtors' ability to honor their obligations in connection with the Customer Deposits, including, without limitation, their ability to provide accommodations and certain services related to the Customer Deposits, are an integral part of the Debtors' business and a staple in the hotel industry.

66. Moreover, I believe that maintaining strong relationships with Customers is important because the Debtors face increasing pressure and competition from other hotels offering similar hotel room accommodations, event space, and packages. The competitive challenges the Debtors face inevitably are exacerbated by the filing of these Chapter 11 Cases, and the Debtors must ease any anxieties the Customers may have that these Chapter 11 Cases will interfere with the Debtors' ability to fully meet Customer needs and expectations.

67. The Debtors estimate that they have received approximately \$1,100,000 on account of Customer Obligations as of the Petition Date to be honored in the future. These amounts do not represent out-of-pocket cash costs to the Debtors, as they are honored through hotel stays and other hotel activities. However, out of an abundance of caution, the Debtors seek to continue to honor the Customer Obligations. Absent the relief requested in the motion, I believe that the Debtors would be unable to effectively maintain their Customer relationships, which could cause significant harm to the Debtors, their estates, creditors, and all parties in interest at a time when Customer support is critical to the Debtors' operations and restructuring effort.

VIII. Debtors' Motion for the Entry of an Order Authorizing the Continued Use of (I) Existing Cash Management System, as Modified Herein, (II) Existing Bank Accounts, (III) Existing Business Forms, and (IV) Certain Existing Investment Guidelines.

The Debtors' Prepetition Cash Management System

68. To efficiently and seamlessly manage their business, the Debtors, with assistance from the Hotel Managers, utilize an integrated, centralized cash management system similar to those utilized by other large companies to collect and transfer the funds generated by their hotel properties and disburse those funds to satisfy the obligations under their debt documents and those required to operate their business. In the ordinary course of business, the Debtors work with the Hotel Managers to record accurately such collections, transfers, and disbursements as they are made. The Cash Management System facilitates the Debtors' cash monitoring, forecasting, and reporting and enables the Debtors to maintain control over the administration of their bank accounts. A diagram of the Cash Management System is attached to this motion as **Exhibit C**.

69. The components of the Cash Management System are organized around three principal functions: cash collection; concentration; and disbursements.

(a) Cash Collection

70. The Debtors generate and receive funds primarily from payments by guests for stays at the Debtors' hotel properties and for ancillary goods and services provided by the hotels. The Debtors' receipts are generated from two sources: (a) payments made by cash, check sales, or direct bill at the Debtors' hotels; and (b) collection of credit card receivables at the Debtors' hotels. Depending on the source of payment, the revenue is processed by the Debtors either in a local depository account or a collection account at SunTrust Bank.

(b) Concentration

71. Except as otherwise described in the motion, cash generated and collected by the Debtors (with the exception of the cash swept to the Trimont Account) is ultimately transferred into the Master Concentration Account held in the name of KPA LeaseCo Holding Inc. at SunTrust.

(c) Disbursements

72. The Debtors' disbursements relate primarily to (a) corporate payroll, (b) operating expenses, including any management fees owed under the Management Agreements, (c) property taxes, (d) property insurance, (e) corporate general and administrative expenses, and (f) debt service. The Debtors make all of their disbursements from three accounts funded by the Master Concentration Account, two of which are located at Bank of America and one at Sun Trust.

(d) Lockbox Agreement

73. On March 23, 2010, Wachovia Bank, N.A., the master servicer of the LB-UBS Commercial Mortgage Trust 2007-C6 mortgage loan pool of the Fixed Rate Mortgage Loan Agreement, informed the Debtors that a "triggering event" under the June 29, 2007 Cash Management Agreement had occurred and indicated that, as a result, Wachovia would need to "spring" certain unidentified lockbox accounts. A lockbox over the Debtors' accounts would have had disastrous results for the Debtors. Approximately 80 percent of the Debtors' revenue comes from credit card receipts. If the Debtors were unable to access funds generated from credit card receivables, it would have been unable to pay hotel employees, vendors, or continue to operate the hotels. A lockbox over the Debtors' credit card receivables alone would have required the Debtors to cease operations for a significant number of hotels, which would have

severely impacted the Debtors' enterprise value as well as the value of each affected property. In light of these concerns, the Debtors directed credit card proceeds to their Master Concentration Account until such time as an arrangement could be reached with the loan servicer (or special servicer), which would allow the Debtors to continue to operate the hotels.

74. These actions were taken to meet the Debtors' day-to-day business obligations, to preserve the value of their hotel properties for the benefit of shareholders and bondholders, and to keep the Debtors' hotel businesses in operation. The Debtors subsequently negotiated with Wachovia and then the Special Servicer, Midland Loan Services, Inc., to keep the affected hotels open and operating. During these negotiations, the Debtors offered to fully reconcile all amounts directed to the Debtors' Master Concentration Account and, in fact, did so. By early May 2010, the Debtors and Midland reached an agreement under which all credit card receivables were paid by the Debtors to Midland, fully reconciling the amounts previously directed to the Master Concentration Account, and Midland would pay on a going forward basis the operating expenses of the hotels to permit the Debtors to continue to operate the hotels. Midland and the Debtors, as of the Petition Date, continue to operate under this arrangement.

The Debtors' Existing Business Forms and Checks

75. In the ordinary course of business, the Debtors use a variety of pre-printed checks and business forms. To minimize expenses to their estates and avoid unnecessary disruption to their operations, the Debtors request authority to continue to use all correspondence and business forms, including, without limitation, letterhead, purchase orders, and invoices as such forms were in existence immediately before the Petition Date, rather than require the Debtors to incur the expense, delay, and business disruption of immediately stopping the use of their existing Business Forms and require them to order and use entirely new business forms that strictly comply with the U.S. Trustee Chapter 11 Guidelines for the Southern District of New York. The

Debtors will replace their Business Forms with new forms identifying their status as debtors in possession as their existing stock is depleted. With respect to checks that the Debtors print themselves, the Debtors will begin printing these checks with a “Debtor in Possession” designation as soon as practicable after the Petition Date.

The Debtors’ Investment Practices

76. Prior to the Petition Date, the Debtors’ investment approach consisted of two separate, daily investment practices. First, as described above, the Debtors, at the end of each day, invested all cash held in the Master Concentration Account overnight in SunTrust Promissory Notes. Second, as described above, any cash remaining in the Innkeepers USA LP Account at the end of each day was invested in Repurchase Agreements.

77. I believe that the Debtors’ investment practices allow the Debtors to invest their cash with the primary goal of protecting principal and a secondary goal of maximizing yield and liquidity. The Debtors intend to maintain those same investment goals during the Chapter 11 Cases. However, as of the Petition Date, the Debtors have discontinued the practice of investing in Repurchase Agreements and will no longer transfer any amounts into Repurchase Agreements. The Debtors seek authority in this motion only to continue investing in the SunTrust Promissory Notes subject to the objection period set forth in the corresponding order.

The Debtors’ Proposed Postpetition Modification to Their Cash Management System

78. The Debtors operate and manage their enterprise of 72 properties on a consolidated basis, allowing them to benefit from economies of scale—eliminating many of the duplicative processes and costs that would otherwise apply to properties owned and managed on an individual basis. Because the Debtors’ operations are run as such and because of the nature of the Hotel Management Agreements, it is most practical and efficient for the Debtors to continue operating as they have prior to the Petition Date and to collect and allocate all funds from a

single, concentrated account (the Master Concentration Account) and then allocate common expenses to the various properties and pay expenses from the Master Concentration Account. Thus, as described in the Cash Collateral Motion, the Debtors intend to consolidate on a postpetition basis all cash in the Master Concentration Account and apply such cash in a manner consistent with the waterfall set forth in the Interim Cash Collateral Order. At the same time, the Debtors will be able to track revenue and expenses from the prior month on a property-by-property, as well as on a tranche of debt-by-tranche of debt basis, and effect any reconciliation of prior month expenses allocated to specific entities, as necessary.

79. Further, on a monthly basis, the Debtors intend to provide each Representative (as defined in the Interim Cash Collateral Order) with an Application Report (as defined in the Interim Cash Collateral Order) that details, among other things, the Cash Collateral (as defined in the Interim Cash Collateral Order) generated by the applicable Debtors within a Tranche of Debt (as defined in the Interim Cash Collateral Order) and the amount of cash deemed to have been applied under the Waterfall to pay the costs and expenses of those same Debtors.

80. It is my opinion that the operation of the Debtors' business requires that the Cash Management System continue during the pendency of the Chapter 11 Cases. I believe that requiring the Debtors to adopt a new, segmented cash management system at this critical stage of these Chapter 11 Cases would be expensive, create unnecessary administrative burdens, and be extraordinarily disruptive to the operation of the Debtors' hotel business. There are approximately 100 different Bank Accounts related to the Debtor's operations, and the current Cash Management System has seamlessly and efficiently operated to collect the revenue generated at the property levels and disburse such funds to the appropriate creditors in a timely fashion. Any disruption outside of the limited modifications proposed in the motion could have

a severe and adverse impact on the Debtors' ability to reorganize, as well as on the value of the Debtors' portfolio of hotels. Consequently, maintenance of the existing Cash Management System, as modified in the motion, is essential and in the best interests of all creditors and other parties-in-interest.

OPERATIONS MOTIONS REFERRED TO A LATER HEARING

IX. Debtors' Motion for the Entry of an Order Determining Adequate Assurance of Payment for Future Utility Services.

81. In the ordinary course of business, the Debtors' hotels as well as the Debtors' corporate offices incur expenses for gas, water, sewer, electric, and other similar utility services provided by approximately 182 utility providers (as such term is used in section 366 of the Bankruptcy Code). Attached to the motion as **Exhibit B** is a list of the Utility Providers who rendered services to the Debtors' 72 Hotels and the Debtors' corporate offices as of the Petition Date.

82. As described in the Cash Management Motion and pursuant to Hotel Management Agreements with the Hotel Managers, the Hotel Managers cause to be disbursed on a regular basis, on behalf of the Debtors, funds owed to Utility Providers for operating expenses including utility services provided to the Hotels. The Debtors also make regular payments to Utility Providers out of an account maintained by Innkeepers USA Limited Partnership, one of the Debtors, for utility services provided to the Debtors' corporate offices. Utility costs aggregate approximately \$1.6 million each month for the Hotels and the Debtors' corporate offices. As of the Petition Date, the Debtors estimate that approximately \$800,000 in utility costs for the Hotels and the Debtors' corporate offices may be outstanding. The Debtors do not believe they owe any past due amounts to the Utility Providers.

The Proposed Adequate Assurance

83. The Debtors expect that their cash flow from operations and cash on hand will be sufficient to pay postpetition utility service obligations. Therefore, in accordance with prepetition practices, the Debtors intend to satisfy postpetition obligations owed to the Utility Providers in a timely manner. Contemporaneously herewith, the Debtors have filed the Cash Collateral Motion to continue using cash on hand to fund operations and the Debtors' restructuring.

84. Notwithstanding the protections afforded to the Utility Providers by the Debtors' demonstrated ability to pay for future utility services in the ordinary course of business, the Debtors request the Court's approval of certain procedures, annexed to the motion as **Schedule 1** to **Exhibit A**, that will (a) require the Debtors to establish a cash deposit equal to the estimated aggregate cost for two weeks of utility service, calculated as a historical average over the twelve months before the Petition Date, for the benefit of any Utility Provider that requests one and (b) offer an opportunity for Utility Providers to request additional assurance of payment in addition to such cash deposit.

85. The Debtors request that the Court prohibit the Utility Providers and any Utility Provider subsequently added to the Utility Service List from altering, refusing, or discontinuing utility services to the Debtors, or discriminating against the Debtors, on the basis of the Debtors' bankruptcy filing, that a debt owed to a Utility Provider by the Debtors for service rendered before the Petition Date was not paid when due, or any perceived inadequacy of the Proposed Adequate Assurance.

86. Uninterrupted utility services are essential to the Debtors' ongoing operations and, therefore, to the success of their reorganization. Indeed, I believe that any interruption of utility services, even for a brief period of time, would negatively affect the Debtors' operations,

franchisor relationships, revenues, and profits, seriously jeopardizing the Debtors' reorganization efforts and, ultimately, value and creditor recoveries. It is, therefore, critical that utility services continue uninterrupted during these Chapter 11 Cases.

X. Debtors' Motion for the Entry of an Order Authorizing, but Not Directing, the Debtors to (A) Maintain Prepetition Insurance Policies and Premium Financing Agreements and (B) Pay All Prepetition Obligations in Respect Thereof.

87. In the ordinary course of business, the Debtors maintain a number of insurance policies, which provide coverage for, among other things, general liability, fiduciary liability, excess liability, directors and officers' liability, excess directors and officers' liability, property liability, automobile liability, workers' compensation, employment practices liability, and total umbrella liability. The Policies are financed through premium financing agreements (as discussed in further detail below). In addition, certain of the Policies require the Debtors to pay self-insured retentions and deductibles in connection with certain claims under the Policies. A Policy Schedule is attached to the motion as **Exhibit B**. The Policies are essential to the preservation of the value of the Debtors' businesses, properties, and assets. Moreover, in many cases, insurance coverage such as that provided by the Policies is required by the diverse regulations, laws, and contracts that govern the Debtors' commercial activities. Further, the U.S. Trustee's guidelines require debtors to maintain insurance coverage throughout their chapter 11 proceedings.

88. The Debtors believe that they are current on all payment obligations under the Policies as of the Petition Date. Going forward, however, the Debtors will need to continue to make installment payments under their existing PFAs and to pay any deductibles or self-insured retention amounts necessary to preserve the coverage provided under the Policies.

The Financed Policies

89. In the ordinary course of the Debtors' businesses, the Debtors finance the premium payments for certain of the Policies. Spreading out the cost of the Policies and any related Broker's Fees over the applicable coverage period with the PFAs helps the Debtors manage their cash flow with reasonable financing costs. Specifically, the Debtors maintain three premium financing agreements. One PFA, provided through AFCO, finances total premiums of \$427,636.25 related to the Debtors' directors and officers' liability and related excess coverage. A second PFA through AFCO finances total premiums of approximately \$1.5 million related to the Debtors' commercial property liability. The third PFA, provided through Bank Direct Capital Finance, relates to the Debtors' commercial crime, general liability, auto liability, workers' compensation liability, and employers practice liability.

90. The terms of the D&O PFA provide that the Debtors pay AFCO an initial down payment of \$36,156.89, followed by eleven monthly installments, each in the amount of \$36,218.46 (bearing an annual interest rate of 3.177 percent), in exchange for AFCO's agreement to pay the insurance premiums to the respective Financed Policies' insurers. As of the Petition Date, \$108,844.38 in installment payments remain outstanding under the D&O PFA. The Debtors are current on all of their D&O PFA Installments, and the Debtors believe that currently there are no prepetition amounts outstanding under the D&O PFA.

91. The terms of the Property PFA provide that the Debtors pay AFCO an initial down payment of \$133,912.85, followed by eleven monthly installments, each in the amount of \$126,184.89 (bearing an annual interest rate of 3.15 percent), in exchange for AFCO's agreement to pay the insurance premiums to the respective Financed Policies' insurers. As of the Petition Date, \$504,739.96 in installment payments remain outstanding under the Property PFA.

The Debtors are current on all of their Property PFA Installments, and the Debtors believe that currently there are no prepetition amounts outstanding under the Property PFA.

92. The terms of the General Liability PFA provide that the Debtors pay Bank Direct an initial down payment of \$345,593.04, followed by nine monthly installments, each in the amount of \$168,347.82 (bearing an annual interest rate of 3.59 percent), in exchange for Bank Direct's agreement to pay the insurance premiums to the respective Financed Policies' insurers. As of the Petition Date, \$336,695.64 in installment payments remain outstanding under the General Liability PFA. The Debtors are current on all of their General Liability PFA Installments and the Debtors believe that currently there are no prepetition amounts outstanding under the General Liability PFA.

93. Pursuant to the PFAs, the Debtors assign unearned or returned premiums, dividends, and loss payments to AFCO and Bank Direct, as applicable, as security for the total amounts payable under the PFAs. If the Debtors fail to pay the PFA Installments, AFCO and Bank Direct have the right to request cancellation of the insurance policies upon 10-days' written notice to the Debtors subject to the right of the Debtors to cure such payment or other default within such period. Additionally, upon a default, AFCO and Bank Direct, as applicable, have the right to accelerate the entire amount of unpaid PFA Installments and to assess late charges against the Debtors. Upon any termination of a PFA, AFCO and Bank Direct, as applicable, have the right to set off any amounts owed by the Debtors against the amount of unearned insurance premiums returned to AFCO and Bank Direct by the insurance carriers. If AFCO and Bank Direct chose to cancel the Debtors' Policies under the PFAs, the Debtors would be forced to obtain replacement insurance on an expedited basis likely at a significant cost and disruption

to their estates and operations. Moreover, any non-payment of the PFA Installments could have an adverse impact on the Debtors' ability to finance premiums for future insurance policies.

94. In light of the importance of maintaining insurance coverage with respect to their business activities and preserving liquidity by financing certain of their insurance premiums, the Debtors believe it is in the best interests of their estates to receive the Court's approval to honor their obligations under the PFAs.

The Debtors' Surety Bonds

95. In addition to the Policies, the Debtors' insurance coverage includes surety bonds in the aggregate amount of approximately \$723,000 which guarantee certain identifiable risks related to the Debtors' operations. The Surety Bonds guarantee the Debtors' performance of obligations owing to third parties (*e.g.*, certain of the Debtors' utility providers and state and local governments). In many instances, these Surety Bonds are required by applicable law. During the current policy period, the Debtors estimate that the annual aggregate cost to maintain the Surety Bonds will be approximately \$20,000.

The Debtors' Insurance Brokers

96. In connection with the Policies, the Debtors obtain services from third-party Insurance Brokers to assist the Debtors in obtaining comprehensive insurance coverage for the Debtors' operations in the most cost-effective manner. In particular, the Insurance Brokers assist the Debtors with the procurement and negotiation of the Policies from insurance carriers, enabling the Debtors to obtain insurance policies on advantageous terms and at competitive rates.

97. As of the Petition Date, the Debtors' Insurance Brokers are AON Risk Management and Arthur J. Gallagher Brokerage and Risk Management Services. On account of the services they provide, the Insurance Brokers receive compensation from the Debtors, which

are calculated as a percentage of the PFA Installments. As of the Petition Date, the Debtors do not believe there any prepetition amounts outstanding with respect to the Broker's Fees.

98. I believe that it is in the best interests of the Debtors' estates to continue maintaining the Policies and to pay any outstanding prepetition insurance premiums necessary to do so, as well as to revise, extend, supplement, or change insurance coverage, as necessary, pursuant to section 363(b)(1) of the Bankruptcy Code.

XI. Debtors' Motion for the Entry of an Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Professionals and Official Committee Members

99. The Debtors are seeking authorization to retain and employ various professionals, including: Kirkland & Ellis LLP, as primary restructuring counsel, and Moelis & Company, as financial advisor and investment banker. The Debtors anticipate they also may retain other professionals during the course of the Chapter 11 Cases as the need arises. Moreover, any official committee formed by the U.S. Trustee to assist in the Chapter 11 Cases likely will retain counsel and may retain other professionals to represent them in connection with the Chapter 11 Cases.

100. The Debtors propose that the payment of compensation and reimbursement of expenses of the Professionals be governed by the following Compensation Procedures:

- (a) On or before the 25th day of each month following the month for which compensation is sought, or as soon as practicable thereafter (but not earlier than the 15th day of the month), each Professional seeking compensation may file a Monthly Application for interim allowance of compensation for services rendered and reimbursement of expenses incurred during the preceding month. Each Monthly Application must contain a list of the individuals and their respective titles (*e.g.*, attorney, accountant, or paralegal) who provided services during the statement period, their respective billing rates, the aggregate hours spent by each individual, a reasonably detailed breakdown of the disbursements incurred, and contemporaneously maintained time entries for each individual in increments of tenths (1/10) of an hour. Professionals must serve

such Monthly Applications, by hand or overnight delivery, on the following Notice Parties: (i) the Debtors, Innkeepers USA Trust, 340 Royal Poinciana Way, Suite 306, Palm Beach, Florida 33480, Attn.: Mark Murphy; (ii) counsel for the Debtors, Kirkland & Ellis LLP, 601 Lexington Avenue, New York, New York 10022, Attn.: Jennifer L. Marines, and Kirkland & Ellis LLP, 300 North LaSalle Street, Chicago, Illinois 60654, Attn.: Marc J. Carmel; (iii) counsel for any committee formed by the U.S. Trustee; and (iv) the Office of the United States Trustee for the Southern District of New York, 33 Whitehall Street, 21st Floor, New York, New York 10004, Attn.: Paul Schwartzberg. Any Professional that fails to file a Monthly Application for a particular month or months may subsequently submit a consolidated Monthly Application that includes a request for compensation earned or expenses incurred during previous months. All Monthly Applications shall comply with the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, and applicable Second Circuit law.

- (b) Each Notice Party will have until **4:00 p.m. prevailing Eastern Time on the 20th day (or the next business day if such day is not a business day) following service of the Monthly Application** to object to the requested fees and expenses in accordance with the procedures described in subparagraph (c) below. Regardless of whether a Monthly Application Objection (as defined in the motion) is received by the Objection Deadline, the Debtors are authorized and directed to pay, after the Objection Deadline, the Professional an amount equal to the lesser of: (i) 80 percent of the fees and 100 percent of the expenses requested in the applicable Monthly Application and (ii) 80 percent of the fees and 100 percent of the expenses requested in the applicable Monthly Application that are not subject to a timely filed and served Monthly Application Objection in accordance with subparagraph (c) below.
- (c) For any Notice Party to object to a Professional's Monthly Application, it must (i) file a written Monthly Application Objection with the Court on or before the Objection Deadline and (ii) serve the Monthly Application Objection on the affected Professional and each of the other Notice Parties so that it is received by each of these parties on or before the Objection Deadline. Thereafter, the objecting party and the affected Professional may attempt to resolve the Monthly Application Objection on a consensual basis. If the parties are unable to reach a resolution of the Monthly Application Objection, the affected Professional may forego payment of the difference between the Maximum Monthly Payment and the Actual Monthly Payment made to the affected Professional until the next interim or final fee

application hearing, at which time the Court will consider the Monthly Application Objection if requested by the parties.

- (d) At four-month intervals or such other intervals that the Court deems appropriate, each of the Professionals may file with the Court and serve on the Notice Parties an Interim Application for interim Court approval and allowance of the compensation and reimbursement of expenses sought by such Professional in its Monthly Applications, including any holdbacks, filed during the Interim Fee Period, pursuant to section 331 of the Bankruptcy Code on or before 45 days after the end of each Interim Fee Period. The Interim Application, which will be substantially in the form of **Exhibit B** hereto, must include a brief description identifying: (i) the Monthly Applications that are the subject of the request; (ii) the amount of fees and expenses requested; (iii) the amount of fees and expenses paid to date or subject to a Monthly Application Objection; (iv) the deadline for parties other than the Notice Parties to file objections to the Interim Application; and (v) any other information requested by the Court or required by the Local Bankruptcy Rules. Any Interim Application Objection shall be filed and served upon the affected Professional and the Notice Parties so as to be **received on or before the 14th day (or the next business day if such day is not a business day) following service of the applicable Interim Application**. Any Professional who fails to file an Interim Application for compensation and expenses previously paid under a Monthly Application (1) shall be ineligible to receive further monthly payments of fees or expenses as provided in the motion until further order of the Court and (2) may be required to disgorge any fees paid since retention or the previous Monthly Application, whichever is later.
- (e) The Debtors will request that the Court schedule a hearing on the Interim Application at least once every four months or at such other intervals that the Court deems appropriate. If no Monthly Application Objections are pending and no Interim Application Objections are timely filed, the Court may grant an Interim Application without a hearing.
- (f) The pendency of a Monthly Application Objection or Interim Application Objection will not disqualify a Professional from the payment of compensation or reimbursement of expenses under the Compensation Procedures of requests for payment of compensation or reimbursement of expenses not subject to such objection. Any Professional that fails to file a Monthly Application or an Interim Application when due or permitted will be ineligible to receive further interim payments of fees or expenses under the Compensation Procedures until such time as a

Monthly Application or Interim Application is submitted by the Professional. There will be no other penalties for failing to file a Monthly Application or an Interim Application in a timely manner.

- (g) Neither (i) the payment of or the failure to pay, in whole or in part, monthly interim compensation and reimbursement of expenses under the Compensation Procedures requested in a Monthly Application nor (ii) the filing of or failure to file a Monthly Application Objection or Interim Application Objection will bind any party in interest or the Court with respect to the final allowance of applications for compensation and reimbursement of expenses of Professionals. All fees and expenses paid to Professionals under the Compensation Procedures are subject to disgorgement until final allowance by the Court.

101. The Debtors also request that each member of any official committee formed by the U.S. Trustee be permitted to submit statements of expenses (excluding third-party counsel expenses of individual committee members) and supporting vouchers to the respective official committee's counsel, which counsel will collect and submit the committee members' requests for reimbursement in accordance with the Compensation Procedures. Approval of the Compensation Procedures, however, will not authorize payment of such expenses to the extent that such authorization does not exist under the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, applicable Second Circuit law, or the practices of the Court.

102. The Debtors further request that the Court limit service of the Interim Application and the final fee application to the Notice Parties. Subject to the Court's approval, other parties that have filed a notice of appearance with the clerk of the Court and requested notice of pleadings in the Chapter 11 Cases will receive only Hearing Notices. Serving the Applications and the Hearing Notices in this manner will permit the parties most active in the Chapter 11 Cases to review and object to the Professionals' fees and will save unnecessary duplication and mailing expenses.

103. I believe that the proposed procedures will enable the Debtors to monitor closely costs of administration, maintain a level of cash flow availability, and implement efficient management procedures. Moreover, these procedures will allow the Court and key parties in interest to ensure the reasonableness and necessity of the compensation and reimbursement sought pursuant to such procedures.

XII. Debtors' Motion for the Entry of an Order Authorizing the Retention and Compensation of Certain Professionals Utilized in the Ordinary Course of Business

104. The Debtors employ various professionals in the ordinary course of their business that provide services to the Debtors in a variety of matters unrelated to these Chapter 11 Cases, including, without limitation, legal services. A list of the Debtors' current OCPs is attached to the motion as **Exhibit B**.

105. The Debtors also employ, in the ordinary course of business, professional service providers such as public relations, communications, internet technology and general business consultants, and advisors with respect to matters regarding their hotel properties (collectively, the "**Service Providers**"). Although some of the Service Providers have professional degrees and certifications, they provide services to the Debtors that are integral to the day-to-day operation of the Debtors' businesses and do not directly relate to or materially affect the administration of these Chapter 11 Cases. Additionally, because the Service Providers are not acting as "professional persons" under the Bankruptcy Code, they should be treated on terms consistent with other ordinary course vendors because the Service Providers are providing day-to-day operational assistance to the Debtors' businesses.

106. I believe that the retention and compensation of the OCPs is in the best interests of their estates, creditors, and other parties in interest. While some OCPs may wish to continue to represent the Debtors on an ongoing basis, they may be unwilling to do so if the Debtors

cannot pay them on a regular basis. Without the background knowledge, expertise, and familiarity that the OCPs have relative to the Debtors and their operations, the Debtors undoubtedly would incur additional and unnecessary expenses in educating replacement professionals about the Debtors' business and financial operations. Moreover, in my estimation, the Debtors' estates and their creditors are best served by avoiding any disruption in the professional services that are required for the day-to-day operation of the Debtors' businesses.

PROFESSIONAL RETENTION AND COMPENSATION MOTIONS

XIII. Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP as Attorneys for the Debtors and Debtors in Possession *Nunc Pro Tunc* to the Petition Date

107. The Debtors seek to retain K&E because of K&E's recognized expertise and extensive experience and knowledge in the field of debtors' protections, creditors' rights, and business reorganizations under chapter 11 of the Bankruptcy Code. In preparing for its representation of the Debtors in the Chapter 11 Cases, K&E has become familiar with the Debtors' businesses and many of the potential legal issues that may arise in the context of the Chapter 11 Cases. The Debtors believe that K&E is both well qualified and uniquely able to represent them in the Chapter 11 Cases in an efficient and timely manner

XIV. Debtors' Application for the Entry of an Order Authorizing the Retention and Employment of Moelis & Company LLC as Financial Advisor and Investment Banker to the Debtors *Nunc Pro Tunc* to the Petition Date

108. The Debtors seek to retain Moelis as their investment banker and financial advisor because the Debtors believe they require the services of a capable and experienced investment banking and financial advisory firm such as Moelis. Indeed, Moelis's resources and capabilities, together with its prepetition experience advising the Debtors, complements the services offered by the Debtors' other restructuring advisors and its retention is integral to the Debtors' success in these Chapter 11 Cases. Moelis has been working with the Debtors since March 24, 2010.

XV. Debtors' Application for the Entry of an Order Authorizing and Approving the Retention and Employment of AP Services, LLC and Designating Nathan J. Cook as Interim Chief Financial Officer to the Debtors Nunc Pro Tunc to the Petition Date

109. The Debtors seek to retain and employ AP Services, LLC as their restructuring advisor based upon, among other things, (a) the Debtors' need to retain a restructuring advisory firm to provide advice with respect to the Debtors' restructuring efforts and (b) AP Services' professional standing, excellent reputation, and wealth of experience in providing restructuring advisory services in complex restructurings. AP Services has been providing the Debtors with restructuring advisory services prepetition and has led operational preparations for the Chapter 11 Cases.

110. Cook, who will act as interim CFO for the Debtors, has worked as a restructuring and financial consultant for over 15 years serving various industries including, among others, Real Estate, Manufacturing, Energy and Utilities, Construction, Consumer Packaged Goods, and Retail. Cook has substantial knowledge and experience advising large companies and assisting troubled companies with stabilizing their financial condition, analyzing their options, and developing appropriate business plans to accomplish restructuring initiatives. His roles have included those as a financial advisor to distressed debtors and their creditors, as well as serving in interim management roles as a CFO, Treasurer, and Accounting Director. Consequently, I believe that AP Services and Cook are well qualified to address the complex issues that the Debtors are likely to confront during the Chapter 11 Cases.

PROCEDURAL MOTIONS

XVI. Debtors' Motion for Entry of an Order Authorizing the Debtors to (a) Prepare a List of Creditors in Lieu of Submitting a Formatted Mailing Matrix, (b) File a Consolidated List of the Debtors' 50 Largest Unsecured Creditors, and (c) Mail Initial Notices

111. There are 92 Debtor entities involved in these Chapter 11 Cases. The Debtors hold an aggregate of approximately \$1.6 billion in liabilities. The Debtors estimate that they have over 5,000 potential creditors or other parties in interest on a consolidated basis.

112. Contemporaneously with the filing of creditor list motion, and in accordance with Amended General Order M-192, the Debtors are seeking to retain Omni as their Proposed Notice and Claims Agent in these Chapter 11 Cases. If such application is granted, the Proposed Notice and Claims Agent will, among other things, (a) assist with the consolidation of the Debtors' computer records into a creditor database and (b) complete the mailing of notices to the parties in such database.

113. Specifically, the Debtors propose that the Proposed Notice and Claims Agent undertake all mailings directed by this Court, the U.S. Trustee, or as required by the Bankruptcy Code, including the notice of commencement of these Chapter 11 Cases. The Debtors believe that using the Proposed Notice and Claims Agent for this purpose will maximize efficiency in administering these Chapter 11 Cases and will ease administrative burdens that otherwise fall upon this Court and the U.S. Trustee. Additionally, the Proposed Notice and Claims Agent will assist the Debtors in preparing creditor lists and mailing initial notices.

114. After consultation with the Proposed Notice and Claims Agent, I believe that preparing the consolidated list will be sufficient to permit the Proposed Notice and Claims Agent to promptly provide notices to all applicable parties. Accordingly, it will maximize efficiency

and accuracy and reduce costs, to maintain electronic-format lists of creditors rather than preparing and filing separate matrices.

XVII. Debtors' Motion for the Entry of an Order Directing Joint Administration of their Chapter 11 Cases.

115. Given the integrated nature of the Debtors' operations, joint administration of these Chapter 11 Cases will provide significant administrative convenience without harming the substantive rights of any party in interest. Many of the motions, hearings, and orders that will arise in these Chapter 11 Cases will affect each and every Debtor entity. The entry of an order directing joint administration of these Chapter 11 Cases will reduce fees and costs by avoiding duplicative filings and objections. Joint administration also will allow the U.S. Trustee, the Court, and all other parties in interest to monitor these Chapter 11 Cases with greater ease and efficiency.

116. Moreover, joint administration will not adversely affect the Debtors' respective constituencies because the Motion requests only administrative, not substantive, consolidation of the estates. Parties in interest will not be harmed by the relief requested but, instead, will benefit from the cost reductions associated with the joint administration of these Chapter 11 Cases. Accordingly, I believe that joint administration of these Chapter 11 Cases is in the best interests of their estates, their creditors, and all other parties in interest.

XVIII. Debtors' Motion for the Entry of an Order Extending the Deadline to File Schedules of Assets and Liabilities, Schedules of Executory Contracts and Unexpired Leases, and Statements of Financial Affairs.

117. Pursuant to section 521 of the Bankruptcy Code and Bankruptcy Rule 1007(c), the Debtors ordinarily would be required to file the Schedules and Statements within 14 days after the Petition Date. The Debtors estimate they have more than 5,000 potential creditors and other parties in interest. Further, the conduct and operation of the Debtors' business operations

require them to maintain voluminous records and complex accounting systems. Due to the nature of the Debtors' business, the pressure incident to the commencement of these Chapter 11 Cases, and the fact that certain prepetition invoices have not yet been received or entered into the financial accounting system, the Debtors have begun, but have not yet completed, compiling the information required to complete the Schedules and Statements.

118. Due to the complexity and diversity of their operations and the numerous critical operational matters that the Debtors' accounting and legal personnel must address in the early days of the Chapter 11 Cases, the Debtors anticipate they will be unable to complete the Schedules and Statements in the time required under Bankruptcy Rule 1007(c). Adding to the difficulties in compiling the Schedules and Statements is the nature of the Debtors' business, which consists of operating 72 individual hotel properties scattered across 19 states and the District of Columbia, among the Debtor entities.

119. While the Debtors' consolidated ownership and management of the 72 properties allows them to benefit from economies of scale, eliminating many of the duplicative processes and costs that would otherwise apply to properties owned and managed on an individual basis, it also comes with its own burdens, especially with respect to compiling the Schedules and Statements. Each individual hotel property has the ability to enter its own contracts and agreements and thus incur liability on an individual basis. Additionally, each Debtor-owned hotel property has its own employees, its own vendors, service providers, and other unique creditors.

120. Accordingly, I believe that it is in the Debtors' best interests to obtain an extension of 30 days in addition to the 14-day time period provided for under Bankruptcy Rule 1007(c) to file the Schedules and Statements, which would provide the Debtors with a total of

44 days after the Petition Date to file the Schedules and Statements. The substantial size, scope, and complexity of the Chapter 11 Cases and the volume of material that must be compiled and reviewed by the Debtors' personnel to complete the Schedules and Statements for each entity during the initial days of the Chapter 11 Cases provides ample cause for justifying the requested extension.

XIX. Debtors' Motion for the Entry of an Order Establishing Certain Notice, Case Management, and Administrative Procedures

121. As set forth more fully in **Schedule 1** to **Exhibit A** attached to the case management motion, the Case Management Procedures, among other things: (a) establish requirements for filing and serving notices, motions, applications, declarations, objections, replies, responses, memoranda, briefs, supporting documents, documents, and other requests for relief filed in these Chapter 11 Cases; (b) delineate standards for notices of hearings and agenda letters; (c) fix periodic omnibus hearing dates and articulate mandatory guidelines for the scheduling of hearings and objection deadlines; and (d) limit matters that are required to be heard by the Court.

122. Given the size and scope of these Chapter 11 Cases, I believe that the Case Management Procedures will facilitate service of Court Papers in a manner that will be less burdensome and costly than serving such pleadings on every potentially interested party, which, in turn, will maximize the efficiency and orderly administration of these Chapter 11 Cases, while at the same time ensuring that appropriate notice is provided, particularly to parties who have expressed an interest in these Chapter 11 Cases and those directly affected by a request for relief. In particular, the Case Management Procedures are intended to:

- (h) reduce the need for emergency hearings and requests for expedited relief;
- (i) provide for omnibus hearings for the Court to consider motions, pleadings, applications, and objections and responses thereto;

- (j) foster consensual resolution of important matters;
- (k) assure prompt receipt of appropriate notice affecting parties' interests;
- (l) allow for electronic notice in accordance with the Court's electronic filing system;
- (m) provide ample opportunity for parties in interest to prepare for and respond to matters before this Court;
- (n) reduce the substantial administrative and financial burden that would otherwise be placed on the Debtors and other parties in interest who file documents in these Chapter 11 Cases; and
- (o) reduce the administrative burdens on the Court and the office of the Clerk of the Court.

123. To ensure that parties in interest in these Chapter 11 Cases are made aware of the Case Management Procedures, the Debtors propose to: (a) serve the Case Management Procedures on the Master Service List; (b) publish the Case Management Procedures on the Debtors' restructuring website at www.omnimgt.com/innkeepers; and (c) make the Case Management Procedures readily available on request to the Debtors' Proposed Notice and Claims Agent. If the Case Management Procedures are modified during these Chapter 11 Cases, the Debtors will ensure updated versions of the Case Management Procedures are available on the Case Website and will file notice of the same electronically on the docket and serve such updated procedures in accordance with the then current Case Management Procedures.

XX. Debtors' Application for the Entry of an Order Authorizing the Retention and Employment of Omni Management Group, LLC as Notice and Claims Agent for the Debtors and Debtors in Possession

124. The Debtors estimate that they have more than 5,000 potential creditors in these chapter 11 cases. Accordingly, the Debtors propose to engage Omni to act as the Debtors' notice and claims agent, because this is an effective and efficient manner of providing notice to the thousands of creditors and parties in interest of the filing of the Debtors' Chapter 11 Cases and other developments in these Chapter 11 Cases.

EXHIBIT C

Consolidated List of the Holders of the 50 Largest Unsecured Claims

Pursuant to Local Bankruptcy Rule 1007-2(a)(4), the following is a consolidated list of the 50 largest unsecured creditors (the “**Consolidated List**”) for all of the Debtors, which is based on the Debtors’ books and records as of the Petition Date. The Consolidated List has been prepared in accordance with Bankruptcy Rule 1007(d) and does not include (a) persons who come within the definition of “insider” set forth in section 101(31) of the Bankruptcy Code or (b) secured creditors, unless the value of the collateral is such that the unsecured deficiency is expected to place the creditor among the holders of the 50 largest unsecured claims.
